A WINDBREAK

on the SOUTH would be valuable
now. U. S. Government tests
show a windbreak of trees will
protect crops and conserve moisture
a rod for each foot in height
of the windbreak, a windbreak of
trees 40 feet high will protect
crops and conserve moisture 40
rods. Cultivate trees each week
or oftener.

We have all varieties of forest,
shade and fruit trees, shrubbery
and ornamentals, adapted to North
Western Nebraska.

THE YOUTH'S COMPANION CALENDAR FOR 1912.

The publishers of The Youth's
Companion will, as always at this
season, present to every subscriber
whose subscription (\$1.75) is paid
for 1912, a beautiful calendar for
the new year. The cover picture
reproduces a water-color painting
of a bit of New England coast,
giving a glimpse of breeze-swept
ocean, of smiling sky, of warm,
sunny rocks, which will come like
a breath of salt air to those who
have once lived near the sea and
to those whose whole life has been
passed inland. The picture being
in eight colors, the tones of the
original are faithfully reproduced.

Cronin-Kime

Mr. Frank E. Cronin and Miss
Dora Ruth Kime were united in
marriage at Hot Springs in St.
Anthony's church, on Wednesday,
October 25. Rev. F. X. Haeusler
performed the ceremony. Miss
May Carroll acted as bridesmaid
and Mr. Thomas P. Jordaa at-
tended the groom. Besides the
many near friends of the bride
there were several close friends of
the groom present. Mr. Cronin
has been a lifelong resident of
Cherry county and is a well known
and prominent rancher at Wood
Lake. He counts a host of friends.
Miss Kime is the daughter of Mr.
and Mrs. Chas. Kime, residents
of Hot Springs. Of late years
Miss Kime has been a very suc-
cessful teacher.

The happy couple left the same
evening for Lead and other points
of interest in the Hills. They
will be at home on their ranch
near Wood Lake, Nebr., after
November 1st.

ris returned from Pardon Satur-
day evening in time for the social.

tion.

appearance of his place by the
erection of a new wind mill. J.
E. Thackrey is assisting with the
work.

Mrs. H. A. Lyre's father from
Oklahoma is here visiting. Mr.
and Mrs. Lore met him in Valen-
tine and brought home a load of
supplies for the winter.

Milton Latta has sold his place
on Hackberry lake and will move
to Valentine to spend the winter.
We regret to lose these neighbors.
Mr. Latta has done more to pro-
mote the welfare of this country
than can be estimated. He taught
us what a good well is and how to
make it.

Miss Andrews' Ghost social was
held at her school house Saturday
evening. To say that it was a
success would be a mild expres-
sion. A splendid program was
given followed by an oyster sup-
per. Col. Bennett again demon-
strated his ability as an auctioneer.
Ghosts sold as high as 64 cents
per pound. The total proceeds
amounted to \$102.68. A new or-
gan, desks, seats, lamps, etc., will
be purchased for the school. Miss
Andrews and her patrons are very
grateful to the Gordon Valley and
Simeon schools for their coopera-
tion. There may be communities
where a more helpful, neighborly
relation than ours exists but ye
scribe has never had the pleasure
of knowing them.

"I Am Well"

writes Mrs. L. R. Barker,
of Bud, Ky., "and can do
all my housework. For
years I suffered with such
pains, I could scarcely
stand on my feet. After
three different doctors had
failed to help me, I gave
Cardui a trial. Now, I feel
like a new woman."

Take CARDUI

The Woman's Tonic

A woman's health de-
pends so much upon her
delicate organs, that the
least trouble there affects
her whole system. It is
the little things that count,
in a woman's life and
health. If you suffer from
any of the aches and
pains, due to womanly
weakness, take Cardui at
once, and avoid more seri-
ous troubles. We urge
you to try it. Begin today.

CAUSES MUCH DISEASE

Advice About Stomach Troubles and
How to Relieve Them

Do not neglect indigestion which
may lead to all sorts of ills and
complications. An eminent phy-
sician once said that ninety-five per
cent of all the ills of the human
body have their origin in a dis-
ordered stomach.

Our experience with Rexall
Dyspepsia Tablets leads us to be-
lieve them to be among the most
dependable remedies known for
the relief of indigestion and chron-
ic dyspepsia. Their ingredients
are soothing and healing to the
inflamed membranes of the stom-
ach. They are rich in pepsin,
one of the greatest digestive aids
known to medicine. The relief
they afford is very prompt. Their
use with persistency and regular-
ity for a short time tends to bring
about a cessation of the pains
caused by stomach disorders.

Rexall Dyspepsia Tablets help
to insure healthy appetite, to aid
digestion and thus promote nutri-
tion. As evidence of our sincere
faith in Rexall Dyspepsia Tablets,
we ask you to try them at our
risk. If they do not give you en-
tire satisfaction, we will return
you the money you paid us for
them, without question or formal-
ity. They come in three sizes,
prices 25 cents, 50 cents, and
\$1.00. Remember, you can ob-
tain them only at our store—The
Rexall Store. G. A. Chapman.

Valentine

A boy was born to Mr. and Mrs.
Ed. Vrooman Sunday morning.

G. H. Hornby came up from
University Place Monday morn-
ing.

Mr. and Mrs. Z. T. Davis of
Merriman were Valentine visitors
Sunday.

Sheriff Rosseter, Judge Quigley,
Fred Cumbow, J. W. Kceley and
Harrison Davenport, brought
home the "limit" of ducks from
the lakes near Cody last Sunday.

Earl Hill and Miss Cora Collins
of Burge were married Monday
evening by Justice of the Peace
Spain at his home. They will
make their home with Mr. Hill's
parents this winter.

F. M. Walcott returned from
Lincoln Sunday evening. Mr.
Walcott attended the Nebraska-
Missouri foot-ball game Saturday
when Nebraska "showed" the
Missouri Uni to the tune of 34-0.

At a special meeting of the
town board Monday evening, Geo.
A. Corbin was officially appointed
night marshal. Since Mr. Corbin
has been on duty he has collected
license money from several people
who regularly come to Valentine
to compete with local business
men, and who have heretofore
been very negligent about taking
out a license. In this way Mr.
Corbin has collected nearly enough
to pay his wages.
