**THE YOUTH'S COMPANION CALEN-
DAR FOR 1912.**

The publishers of The Youth's
Companion will, as always at this
season, present to every subscriber
whose subscription (\$1.75) is paid
for 1912, a beautiful calendar for
the new year. The cover picture
reproduces a water color painting
of a bit of New England coast,
giving a glimpse of breeze-swept
ocean, of smiling sky, of warm,
sunny rocks, which will come like
a breath of salt air to those who
have once lived near the sea and
to those whose whole life has been
passed inland. The picture being
in eight colors, the tones of the
original are faithfully reproduced.

A Crippled Mind.

Many strong minds, giant intel-
lects, are held down and starved
out by crippled digestive power,
dyspepsia and the poison absorbed
as a result of chronic constipation.
If your stomach lacks digestive
power the natural and simplest
thing to do is to put into it the
agents it lacks. Above all things
avoid strong drugs that paralyze
and irritate the stomach and bow-
els. A sound, healthy stomach
contains the same digestive agents
Spruce Pepsin tablets contain.

Spruce Pepsin tablets will di-
gest fermenting, decaying food
that lays like a lump in your
stomach. We have proved this
thousands of times or we would
not dare spend thousands of dol-
lars to prove it to every sufferer
from stomach trouble. We will
send you a trial box FREE.

AVOID HARSH DRUGS

Many Cathartics Tend to Cause Injury
to the Bowels.

If you are subject to constipa-
tion you should avoid strong drugs
and cathartics. They only give
temporary relief and their reaction
is harmful and sometimes more
annoying than constipation. They
in no way effect a cure and their
tendency is to weaken the already
weak organs with which they
come in contact.

We honestly believe that we
have the best constipation treat-
ment ever devised. Our faith in
it is so strong that we sell it on
the positive guarantee that it shall
not cost the user a cent if it does
not give entire satisfaction and
completely remedy constipation.
This preparation is called Rexall
Orderlies. These are prompt,
soothing, and most effective in
action. They are made of a re-
cent chemical discovery. Their
principal ingredient is odorless,
tasteless, and colorless. Com-
bined with other well-known in-
gredients, long established for
their usefulness in the treatment
of constipation, it forms a tablet
which is eaten just like candy.
They may be taken at any time,
either day or night, without fear

of their causing any inconvenience
whatever. They do not gripe,
purge, nor cause nausea. They
act without causing any pain or
excessive looseness of the bowels.
They are ideal for children, weak,
delicate persons, and aged people,
as well as for the most hearty per-
son.

They come in three size pack-
ages, 12 tablets, 10 cents; 36 tab-
lets, 25 cents; 80 tablets, 50 cent.
Remember, you can obtain them
only at our store—The Rexall
Store. G. A. Chapman.
