Teachers Set New Enrollment Record.

The best ever held in the history of the Nebraska Association. Such was the unanimous opinion of teachers who closed a three day's session in Omaha on November 10. Noted educators from all over the state were of one mind, when it came to expressing an opinion on the success of the meeting. All records were smashed. Four thousand and twenty-two teachers and friends of education enrolled during the session, which increased last year's registration more than three hundred. "No convention has ever visited the city which was more popular than that of the Nebraska teachers," says the World Herald in an editorial. "The presence of more than 4,000 representatives of this very important profession, and the discussions, which were of interest to every home, made it altogether a most interesting function."

The Valentine teachers returned from Omaha Sunday, where they had been in attendance at the teachers' convention. They had a very profitable and enjoyable time. Those who went from Valentine were, Professor Eaton, Misses, Mabel Helzer, Hattie Brown, Elizabeth Carroll, Grace Joyce, Maud Van Orsdoll and Bertha Gordon.

CAUSE FOR ALARM
Loss of Appetite or Distress After Eating a Symptom That Should not be Disregarded
Appetite is just a natural desire or food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.
It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest, and healthiest persons are moderate eaters.
There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.
We urge all in Valentine who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have

yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.
We urge you to try a 25c. box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store. G. A. Chapman.
