An Innovation in Oil Heaters

The Perfection Smokeless Oil Heater, with its drums enameled in turquoise, is an ornament to any room, whether in the country or city home.

No home is quite complete without a Perfection Oil Heater. It is a necessity in the fall and spring, when it is too warm to start the regular heating apparatus, and too cool to be without heat. In the midst of winter it is often convenient as an auxiliary heater, as there are always some cold corners in a house.

The enameled heater always presents a nice appearance, as the enamel will not tarnish or burn off. It is not an "enamel paint," but it is the same as the enamel of your cooking utensils.

The Perfection is the most reliable and convenient portable heating device you can find. An automatically-locking flame spreader prevents turning the wick high enough to smoke.

COMING TO VALENTINE

Associated Doctors, Specialists, will be at The Dohoh Hotel

MONDAY DEC. 4 AND TUESDAY DECEMBER 5

FROM 10 A. M. TO 8 P. M. AND WILL REMAIN

TWO DAYS ONLY

Remarkable Success of These Talented Physicians in the Treatment of Chronic Diseases.

OFFER THEIR SERVICES FREE OF CHARGE

The Associated Doctors, licensed by the state of Nebraska for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of medicine. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

These doctors are considered by many former patients among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases, and so great and wonderful have been their results that in many cases it is hard indeed to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated, chronic diseases, that have baffled the skill of the family physician, should not fail to call.

According to their system no more operations for appendicitis, gall stones, tumors, goiter, or certain forms of cancer. They were among the first in America to earn the name of the "Bloodless Surgeons," by doing away with knife, with blood and with all pain in the successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two ounce bottle of your urine for chemical analysis and microscopic examination. Deafness has often been cured in sixty days.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe to yourself or friends or relatives who are suffering because of your sickness, as a visit this time may help you.

Remember, this free offer is for one day only.

Married ladies must come with their husbands and minors with their parents.

FREE IF IT FAILS

Your Money Back if You are not Satisfied with the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not a surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Sold in Valentine only at our store—The Rexall Store. G. A. Chapman.

Creamed Spinach.

Wash a half peck of nice spinach, picking out any damaged leaves and the roots, and lift it from the wash water, putting it into a double boiler. Add to the spinach a pinch of salt, but no water, except such as clings to the leaves. Cover closely, cook until soft enough to rub through a colander. Scald a quart of milk, thicken with a tablespoonful each of butter and flour rubbed together and add this to the spinach as soon as it thickens. Season and serve.

Citron Preserve.

Pare and cut citron in small pieces. To one pound of fruit allow one pound of sugar. Put the fruit in kettle with just water enough to cover and boil till tender. Take out fruit and add sugar and muslin bag containing one teaspoonful of ground cloves and one teaspoonful of cinnamon. Let it boil a few minutes, then put back fruit and two lemons sliced very thin and can hot.

Mock Cherry Pie.

Wash and pick over your cranberries. To one cupful of cranberries chopped fine add one cupful of chopped raisins and one cupful of sugar mixed with one teaspoonful of flour. Mix all together and pour on a scant half cupful of boiling water and one teaspoonful of vanilla. Be sure to use vanilla. Bake with two crusts.

Kitchen Hints.

When hanging meat it is well not to put the metal hook through the meat itself, but through a loop of string tied on to the joint.

To preserve lemons for a length of time bury them in a box of sawdust. In this way they will keep fresh for several months.

To remove a grease spot from wall paper hold a piece of blotting paper over the spot with a hot flatiron for a few moments.

In order to beat the white of an egg to a stiff froth quickly add a pinch of powdered sugar and fine salt and beat on a dinner plate with a broad pointed knife.

Wood ashes are excellent for cleaning tin articles. Wring a cloth out of warm water, dip it in the ashes and with this scour the things; then rub off and polish.

To remove unpleasant odors from the hands dash a spoonful of sugar on the hot stove and hold the hands over the fumes. Ground coffee answers the same purpose.

If you have young children you have perhaps noticed that disorders of the stomach are their most common ailment. To correct this you will find Chamberlain's Stomach and Liver Tablets excellent. They are easy and pleasant to take, and mild and gentle in effect. For sale by Chapman, the druggist.
