

Canada at the Chicago Land Show

WILL MAKE A MAGNIFICENT EXHIBIT OF GRAINS AND GRASSES, VEGETABLES AND FRUIT.

A carload of grain in straw, grasses and other of the products of Western Canada arrived at Chicago the other day, and is now installed in the Coliseum, where the United States Land and Irrigation exposition is under way. Those who are interested in the "Back to the land movement" will find in the Canadian exhibit one of the best displays of the agricultural products of Western Canada that has ever been made. There are representative men there, who will be pleased to give the fullest information regarding the country.

The exhibit shows what can be done on the free grant lands of that country and most of the grain was produced on the farms of former residents of the United States who have taken advantage of the homestead lands of Manitoba, Saskatchewan and Alberta.

The vegetable exhibit will attract a great deal of attention, and some marvelous potatoes, carrots, turnips, cabbage and cauliflower are shown.

It is true that the homestead area is being rapidly taken up and the bulk of that now to be had lies north of the Saskatchewan river in a portion of the country known as the park country. Here there is a large quantity of open prairie interspersed by beautiful groves of poplar and willow. Water is in abundance, hay is plentiful and consequently fodder for animals is right at hand. Those who have taken advantage of farming in these districts and watched the efforts of those in the prairie proper feel that they have the advantage of their brother, who is not able to secure fuel and the other conveniences of the park district on his own farm.

The crop conditions throughout Western Canada the past year have been generally good, and some wonderful crop yields of wheat, oats and barley are recorded. The Canadian Government, under whose auspices the exhibit spoken of is being made, is preparing reports on crops in the different Western Canada districts, and while these will not be ready for distribution at the land show commencing on the 18th of November and closing on Dec. 8th, application made to the Canadian Government agent nearest you will bring them to you as soon as they are published.

SOUNDED LIKE IT.

The Talker—I tell you, no man has got a right to be sick nowadays!
The Joker—You've evidently been reading some patent medicine advertisements.

UNDEFEATED CHAMPION OF THE NORTHWEST.

T. A. Ireland, Rifle Shot of Colfax, Wash., Tells a Story.

Mr. Ireland is the holder of four world records and has yet to lose his first match—says he: "Kidney trouble so affected my vision as to interfere with my shooting I became so nervous I could hardly hold a gun. There was severe pain in my back and head and my kidneys were terribly disordered. Doan's Kidney Pills cured me after I had doctored and taken nearly every remedy imaginable without relief. I will give further details of my case to anyone enclosing stamp."

"When Your Back Is Lame, Remember the Name—DOAN'S." 50c. all stores. Foster-Milburn Co., Buffalo, N. Y.

Apicultural.
Mother—Yes, Johnny, the queen bee is boss.
Johnny—How about the presidential bee?

For over fifty years Rheumatism, Neuralgia, and other painful ailments have been cured by Hamlin's Wizard Oil. It is a good honest remedy and you will not regret having a bottle ready for use.

Doubtless.
"She left me for some motive or another."
"Probably another."—Lippincott's Magazine.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

Love never fails, because it never stops trying.

STATE CAPITAL LINCOLN NEBRASKA

Resolutions of Regret.

Resolutions of regret on the departure of J. W. Crabtree to Wisconsin have been prepared by a special committee of the state normal board. Secretary Tobey and Dr. Roach were appointed as a special committee Thursday to draft the resolutions which follow:

Whereas, James W. Crabtree has resigned his office as state superintendent of public instruction in the state of Nebraska and has accepted the presidency of the state normal school of River Falls, Wis., therefore, be it

Resolved, That we, the members of the board of education of state normal schools of the state of Nebraska, do hereby give expression to our appreciation of his years of untiring devotion to the cause of education in the state of Nebraska in the various positions of prominence which he held and in which he achieved signal success.

We regret that we must lose his wise counsel in the deliberations of the board.

We do assure him that he possesses our best wishes for his continued success in his new field of labor.

Figures on State Ticket.

Following are the total figures from ninety counties, seventy-six of which have been officially reported at the secretary of state's office:

Supreme Judge:	
Letton	102,696
Rose	100,841
Hamer	96,713
Dean	93,456
Stark	86,628
Oldham	86,096
Railway Commissioner:	
Hall	101,199
Harman	90,113
University Regents:	
Haller, eighty-nine counties	97,691
Lyford, eighty-nine counties	95,937
Knapp, eighty-nine counties	84,830
Miller, eighty-nine counties	84,955

May Open Hospital.

The members of the board of public lands and buildings, comprising Land Commissioner Cowles, Secretary of State Wait, Treasurer George and Attorney General Martin, discussed the matter of opening the tubercular hospital at Kearney. A tenant whose lease expires March 1 asks \$1,000 for a cancellation. The owner of the property who has sold it to the state will be obliged to buy the lease if the state demands possession.

Correspondence School for Officers.

Adjutant General E. H. Phelps of the Nebraska national guard has issued general orders establishing a school of correspondence for officers of the Nebraska national guard. Infantry drill, military hygiene, tactical principles and problems and small arms firing is to constitute the course for the coming winter. Such schools have proven successful in other states and will be attempted in Nebraska with well qualified instructors.

Socialism Gaining in Nebraska.

Socialism has more than doubled its strength in Nebraska during the last two years, as shown by the returns from forty-six counties officially made to the secretary of state. In an off year election when the vote of other parties exhibited the usual slump, the socialists have gained 31 per cent in their following at the polls.

Has a Large Membership.

Through the energetic efforts of the business men of Lincoln, the local Y. M. C. A. has reached 2,000 and by so doing receives the distinction of having the largest membership of any association in the state and also acquires the honor of having the largest membership of any city of its size in the world.

Warrants to the amount of \$103,636 are now registered against the general fund of Nebraska, and to the amount of \$185,483 against the university fund. The state treasurer called in \$17,000 of warrants during the past week, but expenditures are still in excess of receipts.

H. C. Mead and others have filed a complaint with the state railway commission against the Cozad Canal company, alleging that the canal company has permitted its headgate to become clogged with sand and its ditches overgrown with weeds. Water users from the headgate receive no water. This is the first complaint filed with the commission under the law passed by the last legislature giving it jurisdiction over irrigation rates and service.

State Buys More Game Birds.

State Game Warden Henry V. Miller has received 100 hen pheasants of the Chinese ringneck variety. They will be placed with other game birds in the city park of Lincoln. This makes a total of three hundred birds of this kind in the collection. The birds were recently imported from England and were bought by the game warden at Jefferson City, Mo. Mr. Miller has been informed that most of the Hungarian partridges liberated in the northern part of Nebraska have been killed.

ALL OVER NEBRASKA.

Farmer Fatally Burned.
Johnson County.—Ind Webber, a farmer residing two miles east of Sterling, was at Talmage, and when near Burr, on his way home, had an explosion of some kind in his wagon. Some men passing saw him tearing off his clothing and throwing blazing material from his wagon. They found that the man was fatally burned, yet he still clung to the lines and drove his team along as if nothing had happened. His breast, face and hands were badly burned and all of the hair was missing from his head. He was taken to his home. It is thought he was taking home some powder and a spark from his pipe set it off. Physicians give no hope for his recovery.

Beet Sugar Interests.

Scottsbluff County.—The Scottsbluff Sugar company made its first payment for beets, amounting to \$348,000. This is estimated as about half of the crop. The record-breaking run was just made by a day shift of twelve hours in which there was turned out by the mill 2,700 sacks of sugar. The mill is daily putting out about half a million pounds of sweetness. It is estimated that the sugar campaign will continue about seventy-five days more. Feeding, incident to the beet crop, has assumed proportions far in excess of early predictions. About 6,000 cattle and 50,000 sheep are being fed in the valley. Alfalfa is bringing \$6.50 in the stack and other feed equally high.

Woman Suicides.

Adams County.—Word was received in Hastings of the sudden death of Mrs. Sarah Spricker, a widow residing at the outskirts of the little town of Bladen. Mrs. Spricker had been in poor health for some time, but her death was not expected, and the shock so preyed upon the mind of her daughter, who was living with her, that she took the contents of a bottle of carbolic acid, and in five minutes was a corpse. The daughter was a school teacher and was about 33 years of age.

Principal Deserts Her School.

Stanton County.—Miss Elizabeth Noaker, principal of the Stanton High school, took a train for her home in Pennsylvania. She had had considerable trouble in teaching the hopefuls in the Stanton high, entire classes rebelling and refusing to recite to her. She handed in her resignation several times to the school board, but each time the board refused to recognize it. Finally she simply left town.

Will Teach Domestic Science.

Johnson County.—Under the direction of Superintendent V. L. Strickland of the Tecumseh schools the women's mutual league has completed plans for domestic science instruction in the High school on the Crete plan. Both the ladies of the league and the High school girls are enthusiastic over the scheme.

Nebraskan Gets Good Job.

Richardson County.—Friends of George A. Lee, a former Humboldt young man and a son of Mrs. M. C. Lee, have received word of his recent appointment on the interstate commerce commission from the state of Washington, with a salary of \$5,000 per annum.

Wool Growers' Meeting.

Douglas County.—The National meeting of the Wool Growers' association will be held in Omaha on December 14-16. In connection, a gigantic sheep show will be held. Sheep of every kind and description will be on exhibition.

Boesch Is Paroled.

Lancaster County.—Herman Boesche, sentenced to the penitentiary for life on conviction of having killed a saloonkeeper named Jarner at Norfolk, was paroled by the State Board of Parole.

New Depot at Seward.

Seward County.—Ed Bignell, superintendent of the Burlington, and Chief Engineer Dawson were in Seward to advise with the mayor and councilmen concerning the new \$35,000 depot to be built there by the Burlington in the spring.

Thieves Got Five Suits.

Richardson County.—Five suits of clothes were stolen from the store of Shirley, Buestella & Co., at Humboldt. The theft occurred some time during the day, presumably while the clerks were in another department of the store.

Foul Play Suspected.

Claude Bailey of Fullerton, disappeared, presumably at Omaha, while en route to his home from Percival, Ia., where he had been visiting with relatives. Nothing has been heard from him since he left Percival and being a young man of exemplary habits his mysterious disappearance is the source of much anxiety to his parents. He left Tabor with quite a sum of money.

Requisition Honored.

Lancaster County.—Governor Aldrich honored a requisition for the return of Irene Foregraves to South Dakota, where she is wanted on a charge of running a house of prostitution. She was under arrest in Boyd county, but it is stated she escaped.

To Explore for Oil and Gas.

Richardson County.—Some 3,000 acres of land around Salem have been leased to a company that will explore for oil and gas as soon as it gets some 2,000 acres now under lease.

The KITCHEN CABINET

HOUSEHOLD HINTS.

When roasting wild ducks instead of stuffing them, put an onion in some and a bunch of celery in others. Of course neither the onion or celery is to be served.

Flour should always be sifted before measuring. When baking powder is used sift it with the flour several times, using two pieces of manilla paper, the wrapping paper that the grocers use.

Don't overwork, there is nothing gained and many times much lost by it.

If over heavy in weight eat less sweets and turn away from candy.

Don't forget to drink plenty of water daily.

Keep the feet warm, low shoes have no place after the frost arrives.

"Work well begun is half done." This means well planned. Let each day's work be carefully thought out, have an aim and make it high enough for something to work toward.

Take time to play a little at least once a week, if not every day.

Follow up a match head that has snapped off in striking, and avert a fire.

In looking for a leak in a gas pipe don't strike matches along the pipe, but rub the suspected place with soapsuds and the gas if there will escape and form a small bubble, showing the break.

Water should never be thrown on a kerosene lamp when it has exploded as it only spreads the flame. Smother the fire with rugs or quilts.

The ashes from the burned leaves make a fine sweetener of the garden soil.

To pour oil on a smoldering fire is always a reckless thing to do. One may escape ninety-nine times, but the hundredth will be your Waterloo.

Have a hot soup these cold nights for a supper dish, they are relished by the best of men.

Remember there are none in the humblest walks of life that are not able to teach us something.

Experience is often dearly bought and she is wise who will avail herself of that which has been proved by others.

Don't put off the Christmas preparations another day, begin now, and avoid a case of nervous prostration after the holidays are over.

HOLIDAY COOKERY.

The time will soon be here when it will be necessary for us to look up the old family recipes and prepare for the festive holiday season.

Fruit cakes may be made weeks before hand and are better for their age.

Fruit Cake.—Take two pounds of raisins, a pound of currants, half a pound of citron, four cups of brown sugar, two cups of butter, a cup of molasses, eight eggs, two teaspoonfuls of soda, a half cup of grape juice, five cups of flour, the grated rind of a lemon, two teaspoonfuls of cinnamon, a teaspoon of cloves, and also one of nutmeg. Beat the eggs and add the flour last giving a thorough beating. Bake in a slow oven for the first hour and a quarter then increase the heat to brown the cake.

Fruit Wafers.—Take a cup each of raisins, dates, figs and nuts put through a meat chopper. Work and mix together with a little lemon juice, then roll out on a board dusted with powdered sugar. Cut in dominos and pack in powdered sugar in boxes with waxed paper between.

White Fruit Cake.—Take a cup of sugar, three tablespoonfuls of butter, half a cup of milk, one and three-fourths cups of flour, the whites of three eggs, two teaspoonfuls of baking powder, half a cup of shredded almonds, one cup of shredded citron, half a cup of raisins, half a cup of shredded orange peel chipped very fine. Bake in a moderate oven for one hour then increase the heat to brown the outside. This cake is best three weeks old.

Orange Icing.—Take the rind of half and the juice of a whole orange, fill the cup with hot water, add a teaspoonful of lemon juice, two tablespoonfuls of cornstarch, pinch of salt, the yolks of two eggs, a third of a cup of sugar and a tablespoon of butter. Cook until smooth and the starch is well cooked. When cool spread on the cake for filling. For the icing soak the grated rind of a large orange in three tablespoonfuls of lemon juice, squeeze through muslin and add powdered sugar to the juice until thick enough to spread.

Nellie Maxwell.

The Correct Way.
She—Speaking correctly, darling, should I say, "I will have a new bonnet," or "I shall have a new bonnet?"
He—Speaking correctly—absolutely correctly—my love, you should say, "I won't have a new bonnet."

Prejudice Is a Serious Menace

Prejudice is a hard thing to overcome, but where health is at stake and the opinion of thousands of reliable people differs from yours, prejudice then becomes your menace and you ought to lay it aside. This is said in the interest of people suffering from chronic constipation, and it is worthy of their attention.

In the opinion of legions of reliable American people the most stubborn constipation imaginable can be cured by a brief use of Dr. Caldwell's Syrup Pepsin. You may not have heard of it before, but do not doubt its merits on that account, or because it has not been blatantly advertised. It has sold very successfully on word of mouth recommendation. Parents are giving it to their children today who were given it by their parents, and it has been truthfully said that more druggists use it personally in their families than any other laxative.

Letters recently received from Mr. E. M. Connelly, Geneva, N. Y., and Mrs. E. Bolch, Hatfield, Wis., are but a few of thousands showing the esteem in which Dr. Caldwell's Syrup Pepsin is held. It is mild, gentle, non-gripping—not violent, like salts or cathartics. It cures gradually and pleasantly so that in time nature again does its own work without outside aid. Constipated people owe it to themselves to use this grand bowel specific.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 201 Washington St., Monticello, Ill. Your name and address on a postal card will do.

SUCCESSFUL COLLECTOR.

East Turner—I should think you'd have lots of trouble collecting 'way out here.
Collector Suremark—Not on yer life; everybody here knows I kin plunk the bull's-eye nine shots out of ten!

PHYSICIAN ADVISES CUTICURA REMEDIES

"Four years ago I had places break out on my wrist and on my shin which would itch and burn by spells, and scratching them would not seem to give any relief. When the trouble first began, my wrist and shin itched like poison. I would scratch those places until they would bleed before I could get any relief. Afterwards the places would scale over, and the flesh underneath would look red and feverish. Sometimes it would begin to itch until it would wake me from my sleep, and I would have to go through the scratching ordeal again.

Our physician pronounced it "dry eczema." I used an ointment which the doctor gave me, but it did no good. Then he advised me to try the Cuticura Remedies. As this trouble has been in our family for years, and is considered hereditary, I felt anxious to try to head it off. I got the Cuticura Soap, Ointment and Pills, and they seemed to be just what I needed.

"The disease was making great headway on my system until I got the Cuticura Remedies which have cleared my skin of the great pest. From the time the eczema healed four years ago, until now, I have never felt any of its pest, and I am thankful to the Cuticura Soap and Ointment which certainly cured me. I always use the Cuticura Soap for toilet, and I hope other sufferers from skin diseases will use the Cuticura Soap and Ointment."

(Signed) Irven Hutchison, Three Rivers, Mich., Mar. 16, 1911. Although Cuticura Soap and Ointment are sold by druggists and dealers everywhere, a sample of each, with 32-page book, will be mailed free on application to "Cuticura," Dept. 17 K, Boston.

It is only those who live on low ground who complain that the world is overcrowded.

W. L. DOUGLAS

\$2.50, \$3.00, \$3.50 & \$4.00 SHOES
WOMEN wear W. L. Douglas stylish, perfect fitting, easy walking boots, because they give long wear, same as W. L. Douglas Men's shoes.
