The Rayo Lamp
The Lamp That Saves The Eyes
Children naturally never think of possible strain on their eyesight when poring over a fascinating book.
It is up to you to see they do not ruin their young eyes these long evenings by reading under a poor light.
The Rayo Lamp is an insurance against eye troubles, alike for young and old.

The Rayo is a low-priced lamp, but it is constructed on the soundest scientific principles, and there is not a better lamp made at any price. It is easy on the eye because its light is so soft and white and widely diffused. And a Rayo Lamp never flickers.

Easily lighted without removing shade or chimney; easy to clean and rewick. Solid brass throughout, with handsome nickel finish; also in many other styles and finishes.

COMING TO VALENTINE

Associated Doctors, Specialists, will be at The Dohober Hotel

MONDAY DEC. 4 AND TUESDAY DECEMBER 5

FROM 10 A. M. TO 8 P. M. AND WILL RE AIN

TWO DAYS ONLY

Remarkable Success of These Talented Physicians in the Treatment of Chronic Diseases.

OFFER THEIR SERVICES FREE OF CHARGE

The Associated Doctors, licensed by the state of Nebraska for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of medicine. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

These doctors are considered by many former patients among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases, and so great and wonderful have been their results that in many cases it is hard indeed to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated, chronic diseases, that have baffled the skill of the family physician, should not fail to call.

According to their system no more operations for appendicitis, gall stones, tumors, goiter, or certain forms of cancer. They were among the first in America to earn the name of the "Bloodless Surgeons," by doing away with knife, with blood and with all pain in the successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two ounce bottle of your urine for chemical analysis and microscopic examination. Deafness has often been cured in sixty days.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe to yourself or friends or relatives who are suffering because of your sickness, as a visit this time may help you.

Remember, this free offer is for two days only.

The Sunday school convention which was advertised to be held at Cody last Sunday was not very well attended on account of the severe weather. W. A. It is hoped that a convention may be arranged for at some future date under more favorable conditions.—Cody Cow Boy.

A BALD-HEADED WOMAN

Shorn of Her Crown of Beauty, Loses in Love and Marriage.

Hair is certainly most necessary to woman. Who could love and marry a bald-headed woman? What charms could one array to offset such a disfigurement?

A woman's goal is usually love and marriage. Her crowning glory is her hair. The loss of her hair mars her beauty, happiness, and success. Yet, right here in Valentine, there are hundreds of women who are neglecting or injuring their hair to such an extent that it is only a matter of time when it will be utterly ruined.

Many women destroy the beauty of their hair through thoughtlessness or ignorance of certain facts. They use curling irons over-heated, or to excess, which destroys the natural oil of the hair, causing it to split, break, and come out. They do not shampoo their hair often enough, or too often. They use soaps or preparations which contain ingredients positively harmful to the scalp and hair.

As a result of such treatment, dandruff is created, the hair loosens, loses color, falls out and baldness commences, unless proper and prompt precautions are taken in time. Then again, microbes and certain diseases bring about unhealthy scalp and hair conditions.

Almost any woman may rid herself of dandruff and diseased scalp and hair if she will but use the right remedy. We have that remedy, and we will positively guarantee that it will either cure dandruff and baldness or it will not cost the user anything.

That's a pretty broad statement, but we will back it and prove it with our own money. We will return your money if you do not find that Rexall "93" Hair Tonic is an entirely satisfactory remedy that will promote hair growth and overcome scalp and hair troubles; that it will grow hair even on bald heads, unless all life in the hair roots has been extinguished, the follicles closed, and the scalp is glazed and shiny. It gets its name from the fact that it grew hair in 93 out of 100 cases, where it received a thoroughly hard, impartial, and practical test.

We want you to try Rexall "93" Hair Tonic at our risk. You surely cannot lose anything by doing so, while you have everything to gain. You had better think this over, and then come in and see us about this offer. You will be well repaid for your visit to our store. Remember, you can get Rexall Remedies in this community only at our store—The Rexall Store. G. A. Chapman.

In The District Court of Cherry County Nebraska.

In the matter of the application of W. H. Hadley, guardian of Frank W. Hadley, minor heir of Rene E. Hadley, formerly Rene E. Miller, deceased, for the sale of real estate.
Now on this 20th day of October, 1911, this cause came on for hearing upon the petition under oath of W. H. Hadley, guardian of the estate of Frank W. Hadley, minor heir, for license to sell the following described real estate belonging to said minor, to-wit: S4, N1, S1, Section 10, SE 1/4, Section 9, W1, NW 1/4, Section 15, Township 23, North, Range 28, West, Cherry County, Nebraska, for the support, maintenance and education of said minor heir and for the purpose of investing the residue of the proceeds of said sale in security for the benefit of said minor heir.

It is therefore ordered that all persons interested in said estate appear before me at the Chamber in the City of Valentine, Sheridan County, Nebraska on the 25th day of November, 1911 at the hour of ten o'clock a. m. to show cause, if any there be, why license should not be granted to the said W. H. Hadley to sell the interests of said minor heir in the above described real estate for the support, maintenance and education of said minor and that any residue remaining in the hands of the said guardian may be invested in proper security for the use and benefit of said minor.

It is further ordered that a copy of this order be served upon all persons interested in said estate by causing the same to be published once each week for four successive weeks in the Valentine Democrat newspaper printed and published in said County of Cherry.

W. H. WESTOVER, Judge District Court.
