

## Not Selling Out

We desire to announce that we are not closing out, but are still selling the very best goods at reasonable prices.

Our line of John Deere Implements, Velie Buggies, Moline and Davenport Roller Bearing Wagons and Samson Windmills is complete and priced right.

We also have a large stock of lumber, lime, Wall Plaster, Cement, Brick, Sash, Doors, etc.

Is it not good policy to patronize a firm who expects to continue in business and intends to handle the same line of goods for years to come.

We never advertise so-called bargains because we have always had our goods priced right.

day.

J. W. Daniels had business with  
the county commissioners Satur-  
day.

George Christopher is in Lin-  
coln. He hopes to arrange mat-  
ters so he can bring all of the  
children home.

Miss Eva Hobbs has sent in her  
official bond as postmistress at  
Simeon. Her brother was made  
deputy.

Miss Moore road to Valentine  
Friday after school. She reports  
a pleasant ride but thinks it can  
get very dark in Nebraska.

Life around Simeon is very  
quiet and all are anxious for  
spring to come. The routine of  
feeding, choring, with long even-  
ings by the fireside make up the  
rancher's life in winter time.

We believe the ladies of rural  
communities could break the mo-  
notony of country life by organ-  
izing clubs to meet once or twice  
a month. We have tried keeping  
house while our better half was  
away visiting and have concluded  
that there is too much sameness in  
the lives of our women folk.

We hope some one will be mar-  
ried, buy or sell a ranch, organize  
a county fair, build a railroad,  
electric light line from Snake river  
falls, start to carry the mail from  
Simeon to Dewey Lake, or bring  
about warm weather so we could  
write up the news. Just now we  
feel that we could give any new  
enterprise a write up with a thank-  
ful heart.

C. L. Latta contemplates build-  
ing a new house this spring. Mr.  
and Mrs. Latta have experienced  
all of the incidents which go with  
homestead life. From a meager  
beginning, they have, by economy  
and industry made themselves  
comfortable and a new home will  
be much appreciated by these  
neighbors who have so well earned  
the same.
