Not Selling ()ut

We desire to announce that we are not closing out, but are still selling the very best goods at reasonable prices.

Our line of John Deere Implements, Velie Buggies, Moline and Davenport Roller Bearing Wagons and Samson Windmills is complete and priced right.

We also have a large stock of lumber, lime, Wall Plaster, Cement, Brick, Sash, Doors, etc.

Is it not good policy to patronize a firm who expects to continue in business and intends to handle the same line of goods for years to come.

We never advertise so-called bargains because we have always had our goods priced right.
