When you have a bad cold you want the best medicine obtainable so as to cure it with as little delay as possible. Here is a druggist's opinion: "I have sold Chamberlain's Cough Remedy for fifteen years," says Enoch Lollar of Saratoga, Ind., "and consider it the best on the market." For sale by Chapman, the Druggist.

J. W. Copeland, of Dayton, Ohio, purchased a bottle of Chamberlain's Cough Remedy for his boy who had a cold, and before the bottle was all used the boy's cold was gone. Is that not better than to pay a five dollar doctor's bill? For sale by Chapman, the Druggist.

University Students Visit So. Omaha Stock Yards.

Three hundred students of the Nebraska State Experiment Station, under the direction of Dean E. A. Burnett and Principal Fred Hunter, were the guests of the South Omaha stock yards last Tuesday. The occasion was their annual trip to the stock yards where the methods of handling live stock and converting it into meats were explained in detail.

The stock yards were turned over to the students that day. The visitors were divided into four squads and were escorted through the packing houses. The superintendents of the "Big Four" houses had arranged everything for the convenience of the guests.

The students were shown how live stock is handled from the time it reaches the yards until it is converted into meats.

E. Buckingham, general manager of the Stock Yards company, personally superintended the tour of the yards. After he had escorted the visitors through, an interesting program of music and entertainment was arranged in the big dining hall, preceding which the entire list sat down to a sumptuous spread. Luncheon was also served at noon. Altogether it was one of the most enjoyable and profitable days ever spent by students, according to Dean Burnett.

The students came down on a special train, arriving at 9 a. m., and remained during the day.

Thirty-five young women students of the Domestic Science department of the university, accompanied the Lincoln delegation.

On Tuesday evening a special play will be put on for the visitors and on Wednesday evening a theatre party at the Orpheum will follow a dinner at the Hotel Rome. Special arrangements are being made to care for the women who will accompany their husbands.

FREE IF IT FAILS

Your Money Back If You Are Not Satisfied with The Medicine we Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate, and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets 50 cents. Sold in Valentine only at our store—The Rexall Store, Chapman, The Druggist.
