The Only "Dolly" Type Machine Made

That has absolutely no operating mechanism attached to the sides or top of the machine.

Equipped with specially designed reversible wringer, which is operated by the same motor that operates the machine, and enables the washing and wringing to be done at the same time.

The motor, together with all operating mechanism, is mounted on a metal frame underneath the body of the machine, out of the way of the operator. This metal frame is rigidly attached to the legs and insures perfect alignment of the gearing and reduces the amount of power required to operate the machine to a minimum.

Only one Lever to Operate

The machine and reversible wringer under positive control of the operator. The wringer may be operated at the same time or remain stationary while the machine is washing the clothes. The only Dolly type machine fitted with special 1-inch drain faucet at the bottom for drawing off the waste or making permanent connection with the waste drain, if desired.

15 days' free trial to convince you of the merits of this machine.

Are Microbes in Your Scalp?

It Has Been Proved That Microbes Cause Baldness.

Professor Unna of Hamburg, Germany, and Dr. Sabourand, the leading French dermatologist discovered that a microbe cause baldness. Their theory has time and again been amply verified through research experiments carried on under the observation of eminent scientists. This microbe lodges in the Sebium, which is the natural hair oil, and when permitted to flourish it destroys the hair follicles and in time the pores entirely close and the scalp gradually takes on a shiny appearance. When this happens there is no hope of the growth of hair being revived.

We have a remedy which will, we honestly believe, remove dandruff, exterminate the microbe, promote good circulation in the scalp and around the hair roots, tighten and revitalize the hair roots, and overcome baldness, so long as there is any life left in the hair roots.

We back up this statement with our own personal guarantee that this remedy called Rexall "93" Hair Tonic will be supplied free of all cost to the uses if it fails to do as we state.

It will frequently help to restore gray and faded hair to its original color, providing loss of color has been caused by disease; yet it is in no sense a dye. Rexall "93" Hair Tonic accomplishes these results by aiding in making every hair root, follicle, and pigment gland strong and active, and by stimulating a natural flow of coloring pigment throughout the hair cells.

We exact no obligations or promises—we simply ask you to give Rexall "93" Hair Tonic a thorough trial and if not satisfied tell us and we will refund the money you paid us for it. Two sizes, 50 cents and \$1.00. Remember, you can obtain it in Valentine only at our store—The Rexall Store, Chapman, The Druggist.

ALL THESE MEN HAVE WORKED FOR THE SAFETY OF YOUR MONEY WHEN IT IS IN A NATIONAL BANK

IN order to furnish proper banking protection, President Lincoln and his first congress established the National Bank which operates under government supervision.

From time to time additional laws have been passed under the different presidents shown above strengthening the protection a National Bank affords.

Thus the confidence and security that comes with the possession of money in the bank is greatly enhanced when it is in a National Bank, for here it has every safe-guard possible for human ingenuity to devise.

In selecting a bank in which to deposit your savings or surplus funds the one thing to be considered is safety and we ask for your business only on the basis of absolute safety. Call at our bank and let us explain to you how safe your money is here.
