Music.

There is to be a different musical company each one of the five days of the chautauqua, and a list of lecturers and entertainers that is entirely different each day. The program could hardly be more varied. There won't be any repetition and certainly no monotony in that respect. Each of the musical companies make two appearances, but in these two concerts, it would hardly be possible for professional musicians of this kind to more than present a fair representation of the long list of numbers which they are successfully using.

The Hardest Work Pays Least

SAWING wood, pumping water, grinding feed, turning a grindstone—these are jobs for an engine, not for a man. There is no money in any of them when you do the work yourself or hire a man to do them. Buy a reliable gasoline engine large enough to do any work you have, let it do the work and enjoy the freedom and comfort it gives you.

IHC Gasoline Engines

are made to do the work that makes farming tiresome. They put the load where it belongs. They save hours of unprofitable labor. They are money-makers and money-savers. You can verify these statements and get facts and figures which prove them by calling on the local dealer who handles IHC engines. Made in 1 to 50-H.P. sizes and every engine thoroughly tested and guaranteed.
