

MRS. NATION ON WARPATH

Uses Her Hatchet on Finest Joint in Topeka.

DAY OF NUMEROUS FIGHTS.

Saloon Element and Temperance People Clash Over Merits of the Case—Mrs. Nation Arrested But Promptly Released. Gains First Police Protection.

Topeka, Feb. 6.—Mrs. Nation yesterday retrieved Monday's set back when she and three followers wrought damage to the extent of \$1,500 in the "Senate," the finest equipped joint in Topeka. She did more, for she gained the first police protection given her since she started out on her saloon smashing career at Wichita a month ago. The police followed up her raid and arrested the proprietor of the Senate and two men who were guarding the place. Mrs. Nation was arrested but promptly released.

Mrs. Nation and her wreckers, each armed with a hatchet, sallied forth at daybreak, and caught the jointman napping. They forced their way past a negro who guarded the door and in less than ten minutes had strewn the floor with broken mirrors, bottles, slot machines and splintered bar fixtures. The negro fired a shot of warning into the ceiling but it had no effect.

Presently a policeman stalked leisurely into the room and said: "Well, Sister Nation, I guess we'll have to arrest you again." Mrs. Nation had just smashed the last bottle and was ready to go. "All right," she responded cheerily, "you just came when I wanted you to."

She turned back as she reached the door and inquired: "Everything cleaned up, ladies?"

The police judge was glad to release her when she appeared for trial and administered a tongue lashing to that effect, and Mrs. Nation soon walked proudly down Kansas avenue, free again to smash and preach.

Michael Wagner, supposed to be the owner of the Senate, made the best of his opportunity and promptly secured a quantity of liquor to supply the thirst of the crowds that poured into his place to view the wreckage that the Nationists had wrought.

During the afternoon two deputies from Sheriff Cooke's office raided the place and arrested Wagner, Shap Lytle and two guards, and took charge of the stock of liquors. Warrants had been sworn out only for Wagner and Lytle, but one of the deputies was so angry when a guard struck him that he arrested both guards.

Later Chief of Police Stahl, in an interview with a reporter, said: "I do not care if Mrs. Nation smashes every joint in Topeka. I sympathize with her. I hope she will close up the saloons of the city. As an officer of the law, though, it is my duty to arrest her every time she creates a disturbance or destroys property. If we had the right kind of state officers it would be needless for Mrs. Nation to do what she is doing."

There is a great deal of talk of plans to hurt Mrs. Nation. It was learned yesterday that several saloon men have charred thick glass bottles with tremendous pressure so that an explosion will follow their being broken. She is not at all disturbed by these stories. Numerous girls have occurred over merits of Mrs. Nation's case.

Comments Mrs. Nation's Course. Burlington, Ia., Feb. 6.—Mrs. Marlon H. Dunham, president of the Iowa state Women's Christian Temperance union, gives her unqualified approval to the methods adopted by Mrs. Nation in fighting the unlawful saloon. She expresses herself as heartily in favor of any plan that will tend to bring the saloon keepers to a realization of the laws of the land.

WADE FUND HARD TO RAISE.

Iowa Women Find It Difficult to Secure Money for Monument.

Des Moines, Feb. 7.—The movement among Iowa women for the raising of a fund with which to erect a monument to Jennie Wade on the Gettysburg battlefield, is not bearing fruit as expected, and thus far but \$150 has been contributed for that purpose. It was the intention to raise about \$1,000 during the winter months so that work on the monument could be commenced in the spring. The work is in charge of Mrs. Margaret F. Hinman, Belmont, Ia. She has sent out circulars to all the corps of the state and has solicited contributions from old soldiers and others and is disappointed at results. It is probable that the monument will not be begun this year, but further time will be taken to consider the matter.

PONS AND ROEBER DRAW

American Champion More Than Holds His Own With the French Wrestler. Police Stop the Bout.

New York, Feb. 7.—For one hour and seventeen minutes, Ernest Roeber, the American wrestler, and the French champion, Paul Pons, struggled for supremacy in a roped ring in Madison Square Garden last night. They might have gone on for another hour, but the arbitrary order of Police Inspector Thompson, who declared that he would not allow the bout to go on after midnight, stopped the match in a most unsatisfactory manner at midnight.

Pons held the upper hand at nearly every stage of the contest, but he lacked the cleverness of the smaller man, who was never caught unawares at any moment, and Roeber, though by many years the older and in stature far inferior to the big foreigner, more than held his own. That the bout was "on the level," there can be no question, and the 7,000 people who left the big building had only the warmest praise for the athletes.

RESEEDING OF RANGES.

South Dakota Cattle Growers Will Discuss Important Question.

Rapid City, S. D., Feb. 7.—At the coming Western South Dakota Cattle Growers' association in this city one of the most important questions to come up for discussion will be the re-seeding of Black Hills and eastern Wyoming ranges. In many parts of the ranges the native grass has been killed off by overcrowding of cattle. An experiment made by the Oregon Navigation company in Oregon has proved a success and will probably be adopted in this section. The company employed an industrial agent, who said that there were five grasses and two alfalfa that will grow on the range without irrigation.

War Among Colored Baptists. Osage City, Kan., Feb. 7.—The members of the colored Baptist church here are engaged in a war to see which is the stronger, and as a result a partly finished church is in ruins. Some time ago some members left the church and immediately started to build another worshiping place. This did not suit the other members, and yesterday they went there in full force with their axes and hatchets and demolished the building. The carpenters arrived by this time, and many of the negroes were seriously hurt for their pains.

FINAL RITES AT WINDSOR.

Queen's Body Placed at Rest in Frogmore Mausoleum.

SERVICES AT THE TOMB.

Only Members of the Royal Family Attended Obsequies at Burial Place—Body Laid to Rest Near That of the Prince Consort.

Windsor, Feb. 5.—The last honors have been paid to Queen Victoria. Her body now rests peacefully near that of her husband, in the mausoleum at Frogmore. The final ceremonies were more of a pathetic character than of the obsequies, which preceded them. Shortly before 3 o'clock, in the presence of the royal mourners, the Grenadier guards lifted the coffin from its temporary resting place in the Albert Memorial chapel and placed it on a gun carriage. In the meanwhile, the Queen's company of Grenadiers, drawn up in the quadrangle, presented arms and wheeled into line, their rifles at the reverse, and with slow measured steps marched toward the castle gate. At the head of the procession was a band playing Chopin's funeral march. Slowly the cortege passed under the massive archway into the long walk, which was a mass of black brilliantly edged with scarlet. Guardsmen kept the crowds back. In place on the gun carriage was the same regalia which attracted the eyes of millions since the funeral march began at Osborne. Behind them walked the king, Emperor William and the Duke of Connaught wearing dark, military overcoats and plumed cocked hats and looking pale and careworn. In similar attitude were the kings of Portugal and Belgium. All heads were bent. The blue and gray of the German princes redeemed the royal group from perfect somberness of color. Behind these walked Queen Alexandra and the royal princesses deeply veiled.

As the last trio of these veiled women passed out from the castle there came two boys dressed in bright kilts and velvet jackets. Between them was a young girl, her fair, loose hair glittering against the crepe of her mourning. Two of these were children of Princess Henry of Battenberg and the other was the little Prince Edward of York.

At the lodge gates the strain of the band died away and the pipers commenced their lament. There between the broad avenue of stately trees, the crowds were the thickest, forming dense black banks. By 3:30 p. m. the crowned bier had passed into the other lodge, which leads to the Frogmore enclosure, where none but the family and servants were admitted. The choir met them and the royal family and their relatives entered the burial place close to the late queen, ranging themselves on each side of the coffin. The bishop of Winchester read the last part of the burial service. After further singing by the choir the benediction was given, and amid the privacy of this family tomb the last farewells were said, the funeral came to an end, the mourners drove to the castle, and the crowds dispersed.

WANTS ONLY AN OUTLET.

Union Pacific Seeks Control for Central Line, Not Whole System.

New York, Feb. 5.—The Harriman syndicate is not giving out freely information regarding the Union Pacific deal, but it is leaking out gradually. Prominent members of the Stock exchange discussed the situation yesterday. A suggestion was made for a plan by which the Union Pacific would be able to assume absolute and permanent control of the Central Pacific without assuming any liability for the whole Southern Pacific system. One member of the Union Pacific interests freely admitted that the fundamental interest of the company in the Southern Pacific is in its control of the natural and only possible outlet for the Union Pacific to San Francisco.

Miss Titmore Back From Manila. Marshalltown, Feb. 5.—Miss Margaret Titmore, sister of General Traffic Manager Titmore of the Iowa Central railroad, has arrived in her home in this city, after a six months' journey through China, Japan, and the Philippines. She denies emphatically the press dispatches to the effect that she boarded the United States battleship Indiana as a stowaway, but admits having sailed from Nagasaki to Tokyo on the battleship Indiana, unknown to the commanding officer of the vessel. Miss Titmore left America with the intention of marrying Lieutenant Warren Dean of the Fifth cavalry, but the engagement was broken at Nagasaki.

Snow of Great Value. Topeka, Feb. 5.—Snowbound trains were released yesterday. Although schedules have not been restored entirely, no more serious delay is expected. Missouri Pacific trains stalled on the Central branch were released with the aid of snow plows or forced their way through the banks of snow with double-enders. In central Kansas a slight thaw set in and as the ground was not frozen hard the water will all be absorbed and result in great good to wheat.

CHEERS FOR THE BOERS.

Vijoen and Wessels Hold Enthusiastic Meeting in Chicago—Hisses for England.

Chicago, Feb. 6.—Wild waves of enthusiasm for everything that was Boer with storms of hisses and howls of derision for Britain, her soldiers and her rulers, swept over a Central Music hall audience last night. Thundering cheers for Kruger, Steyn, Dewet and Botha rang out with cries of "shame" for Kitchener and Lord Roberts among the audience which had assembled to hear the Boer envoys, Hercules B. Vijoen and F. Louter Wessels plead their cause. The mention of the name of Queen Victoria called forth hisses and denunciations from the crowd.

Mr. Vijoen, who comes direct from the seat of war in South Africa, where he acted as field cornet, told of scenes which he had lived, "of wives torn from their husbands, children left without mothers, and homes pillaged, destroyed and ruined."

Wessels, a cousin of President Steyn, was confident of ultimate success.

YOUTSEY SENTENCED.

Taken to Frankfurt to Enter Upon His Term of Life Imprisonment—Protests His Innocence.

Georgetown, Ky., Feb. 6.—Henry E. Youtsey will be taken to Frankfurt today to enter upon his term of life imprisonment. Youtsey was pale and weak when he stood up to receive the sentence of the court yesterday. His wife sat nearby and heard the stern sentence of the law consigning her husband to the penitentiary for life, but bore up under the ordeal bravely.

Briefly, Judge Cantrill outlined the progress of the case from the time of the indictment until the returning of the verdict.

"Now," continued the judge, "have you any reason to give why sentence should not be pronounced upon you?"

Youtsey shifted his position slightly and cleared his throat. One hand clutched the lapel of his coat, the other rested on the table. The court room was perfectly quiet. In a low but audible tone, Youtsey spoke these words: "I have nothing to say except that I am innocent and that my conviction was accomplished only by base and infamous subornation of perjury."

Columns commanded by Smith-Dorrien from Medderfontein, Campbell from Middelburg, Anderson from Eerstefabriek, Knox from Koolfontein, Aileenby from Zuurfontein, Darrnell from Spring, and Colville from Greylingstad, all in touch with each other, are moving in an easterly direction.

Said he: "If the English should be victorious and establish their rule over the Boers the latter will never acknowledge that rule. If England should conquer she will have another Ireland on her hand. The disposition of the people preclude their ever giving up the struggle."

PRESIDENT BURT TALKS.

Recent Transaction Will Not Affect Present Traffic Arrangements.

New York, Feb. 4.—Horace G. Burt, president of the Union Pacific railroad, is at the Waldorf-Astoria, accompanied by his wife and several friends, including J. H. Millard, president of the Omaha National bank, and Judge W. R. Kelly, general solicitor of the Union Pacific. The party will spend a week or ten days in this city.

President Burt in an interview explained at length the present conditions of the Union Pacific, which has just acquired the Southern Pacific. He said that the great transaction would not affect present traffic arrangements.

In conclusion Mr. Burt outlined the improvements of the Union Pacific roadbed and important changes which are being made on the main line in Wyoming, where are the heaviest gradients and curvatures. About 200 miles of this section have been practically rebuilt, materially reducing the grades.

In another two years still more changes on the divide and the Salt Lake section in western Utah will be completed. The road will be shortened about 34 miles, making the distance between Council Bluffs and Ogden practically 1,000 miles.

Morgan Syndicate Secures Controlling Interest in Big Steel Company.

New York, Feb. 6.—The Tribune says: Negotiations for the sale of Andrew Carnegie's controlling interest in the stock of the Carnegie company were brought to a successful conclusion yesterday. J. Pierpont Morgan and his associates being the purchasers. The terms cannot be at present announced, but the deal is a colossal one, rivaling the recent change of control of the Southern Pacific, when that property passed into the hands of the Union Pacific interests. Mr. Carnegie had nearly 51 per cent of the \$100,000,000 of the Carnegie company. This stock has not been listed on any stock exchange, but \$1,500 was recently paid for a \$1,000 share in the Carnegie company.

Assuming that Mr. Carnegie has disposed of his holdings at par he will receive fully \$85,000,000 for his interest, while at the same time he will retain his 53 or 54 per cent in the \$100,000,000 bond issue of the Carnegie company. The object aimed at by Mr. Morgan and the interests allied with him when treating with Mr. Carnegie was the assurance of an enduring peace in the steel industry in the United States and this condition is now believed to have been obtained.

Cincinnati, Feb. 6.—Arguments and testimony were heard yesterday before Judge Hollister of the common pleas court on an application for an injunction against the Jeffries-Rubilla prize fight in this city Feb. 15.

After considerable sparring among the attorneys, it was decided that the case would proceed on its merits for a permanent injunction rather than for a temporary restraining order, but the defense reserved the right of appeal to higher courts. Judging from the slow progress made and the long list of witnesses, it is thought now that the hearing will not be completed this week and that the decision of Judge Hollister may not be had before next week. After submitting the contracts and other documents only four witnesses were examined.
