Madison Chronicle: Thomas Mortimer sold thirty five Hereford bulls this week at prices varying from \$190 to \$300. Some of them go to Oklahoma, Montana, Wyoming and Iowa. C. B. Clow of Hamburg, Ia., who is just starting a herd, took fifteen fine ones, paying \$300 a head. Mr. Mortimer has sold quite a number of blooded animals this winter. Ahlman Bros. have constructed a bicycle that is a novelty in its way. The gear is what is known as a "4-minus," and is so arranged that the rider must work the pedals furiously to keep the wheel moving at all. It seems decidedly incongruous to see this wheel travel along at a solemn and sedate gait, while the rider is hushing his legs like trip hammers. It is a good machine to exercise on and not go anywhere. Canvases of democratic electors were held Saturday evening in the various wards of the city. Candidates for councilmen were chosen and delegates to the city convention were selected. Meagre reports of the meetings have been obtained but it was learned that Oscar Uhle was renominated for councilman in the First ward; I. G. Westervelt was nominated in the Second and Albert Wilde and Ed Braasch were nominated in the Third. The Jossey Stock company presented "A Soldier's Daughter" at the Auditorium last evening to a good house and those attending were, in the main, well pleased with the performance. Between acts a number of entertaining specialties were presented. The company averages well with those presenting popular price entertainments and none were heard to complain that they had not received full value for their money. Mr. Jossey announces that the company begins with its poorest production and will present the best the last evening of their three-nights' engagement. Tonight the company will appear in "Under Two Flags."

and in honor of the event Sam Goon, the laundry man, gave a grand ball to his colored friends in one of the vacant buildings on east Main street. Those attending had an enjoyable time until the pleasure of some of them was marred by the boisterous action of Wilde Perette, formerly of this place but now of Pierce, who had rather too much liquor aboard. The officers were notified of his actions and he was "run in" about 2 o'clock this morning. In police court he was charged with drunk and disorderly conduct and assessed a fine which, with costs, amounted to \$11.10 and was given his liberty after hustling the money to pay the assessment against him. Today is Ash Wednesday, the beginning of Lent, and the day was appropriately observed with services in several of the churches. Miss Ada Butterfield is expected home tonight from an extended visit with relatives and friends in Mississippi; St. Louis, Mo.; and Columbus, Wis. The democrats of the Third ward nominated Ed. Braasch for councilman for the long term, and C. D. Jenkins for the short term instead of Albert Wilde as reported in THE NEWS. D. M. Owen came in last night from a short visit with friends at Des Moines, Iowa, during which he attended the wedding of a cousin. He leaves today for Piedmont, Wyoming, to look after business affairs. York has been proclaimed a city of the second class by Governor Dietrich, it having more than 5,000 population. The exact population is 5,132. York has shown a wonderful growth during the past decade. The late David Reswick, formerly of Pawnee City who recently died in Los Angeles, Cal., willed two and a quarter sections of land to each the Methodist, Baptist and Presbyterian churches of that city. The land is located in Greeley county and its value is not known. D. Rees was passing cigars around to his friends this morning with a happy cast of countenance and the announcement that "It's a boy." The young gentleman arrived at the Rees home last night. There are four daughters in the family, but this is the only son. John Greesh, a well known "squaw man" of Gordon committed suicide Monday night by blowing his head off with a shot gun. Misfortune drove him to drink and gambling and he decided to sever relations with the world. He leaves a wife and several children. The Schlitz beer vault, near Mittelstadt's lumber yards, is being filled with ice while yet in an unfinished condition. The quality of ice is very good and if the cold snap lasts a few days longer the Norfolk ice man will be able to supply all demands likely to be made next summer. John N. Peyson of Dakota City who, it is charged, has defied the law relating to disposing of liquors for the past ten years, and has been arrested on that charge more than 50 times, has at last been found guilty of selling liquor illegally. It is thought that Judge Graves will impose quite a severe penalty. The Jossey Stock company presented "Under Two Flags" last evening at the Auditorium to a fair-sized audience, the play being given very entertainingly and well. Considerable special scenery was used and those attending were well pleased. Tonight the company will close its engagement in Norfolk in "The Signal of Liberty." The Chino, California, Champion, speaking of weather conditions, says: "The rainfall for the storm extending through the first nine days of February, according to the Champion's gauge, amounted to 5.19 inches, making the total for the season to date an even 20 inches. It has been many years since the country has received so heavy a rainfall at this date. Since Saturday the weather has been fine for farm work and the farmers are busy taking advantage of the fine conditions for putting in crops." W. R. Hoffman returned last night from his Chicago trip. Near Marshalltown his train met with an accident that might well have caused considerable damage and suffering. The passenger passed a freight on the double track at that place. One of the car doors of the freight was loose and swung out, taking the windows out of one side of the passenger. Mr. Hoffman was reading near a window and had the misfortune to get several pieces of glass in his eyes. The particles of glass were removed, however, and Mr. Hoffman is suffering no very severe inconvenience as the result of his experience. At four o'clock yesterday afternoon the Right Reverend Bishop Williams confirmed the following persons: George H. Spear, Grace Spear, Fred

erick W. Juneman, Harriet C. Wood, Mrs. Elsie Desmond and Mrs. W. N. Huse. The two latter persons were presented by the Rev. Charles Duell of Boise, Idaho, and the former by Rev. C. A. Wead of Columbus. After the scenes through which the church has passed it was thought best not to give too much publicity to this service, and it was therefore more of a private nature, although there was a goodly number of the friends and members of the congregation present. There was no special music, the hymns being such as those present could join in heartily. The remarks of the bishop were extremely touching, especially his reference to the work and character of the rector of the parish. It was very gratifying to the rector that this bright spot should appear amid the gloom and sadness of the past few days. Annual Statement of The Nebraska Real Estate Corporation. RESOURCES.
