and class matter.

Pennsylvania soloons are opposed to women rushing the "growler." The fore she is entitled to adopt this man- week. nish privilege.

The Globe says: "An Atchison man did something eleven years ago and is talking about it yet." He is no curiosity. Almost any city has scores of that kind of people.

Jerry Simpson had his pocketbook stolen recently. Jerry should eschew pocketbooks. No one requires a pocketin-the-wool populist is supposed to have screens.

Gold dust is now floating into Dawson City at the rate of \$40,000 a day This is another outrageous result of expansion. The antis will probably see to it that Alaska is returned to Russia at the earlist opportunity.

It is little wonder that New York is the political metropolis of the country. Fifty thousand persons in the city occupy either municipal or county positions at an average salary of \$1,000 which aggregates about \$50,000,000 a

Marvin Hughitt, president of the Northwestern system, is receiving deserved praise from newspapers for his ready accessibility to reporters. Mr. Hughitt is the kind who is treated right by the newspapers and his confidences fore part of the week selling road are respected.

A fusion exchange thinks that the suggestion of Mark Hanna for the presidency is cause for great and uproarous laughter. Mark has twice assisted in making the fusion laugh seek the other side of the face and is not above doing little damage on Geo. Heurmann's farm the trick again.

Rev. William Wade of Valpin, Indiana, has been sentenced to the penitentiary for a year and fined \$1,000 for passing counterfeit doctrines which there. would place him above punishment-at least here below.

\$750. A bloated trust like the Standard precinct. Oil that can't have more than \$750 around for an employe to steal should be ruled out of the list of the plutocratic combinations. A person used to reading popocratic exchanges would be disappointed not to find a million in every Standard Oil desk in the country.

Bixby must be making an endeavor to master a wheel judging from the following philosophical observation: "The main thing in learning to ride a wheel is to avoid becoming panic stricken. of a wheel a moment after you have lost control of your head." The doctor is years-old steer without horns. right-the panic stricken part should invariably be delegated to the pedestrian.

The United States department of agriculture condsiders the weather altogether too large a proposition to control with any degree of satisfaction and will not attempt to rout frosts, hail storms, method. The elements are not to be deprived of their liberty-at least not until it is proven that they can be successfully managed. The department considers the mutual insurance plan the best to provide against such losses-a recommendation that will not be overlooked by the insurance companies.

One hundred dollars an acre is considered a low price for farm lands in Indiana and Illinois and yet it was not many years ago that these same lands were considered worth less then \$10 per acre. Realty values like other things work from east to west in this country by a jury of a charge of stabbing his and the time is coming when \$100 per paramour, Ida Allison, made an atand the time is coming when \$100 per paramour, Ida Allison, made an atacre will be considered very reasonable tempt to kill Judge Bell in the county
for Nebraska farm lands. The time is court here yesterday with a razor used That's what Rocky Mountain Tea will now not long past when Nebraska land as an exhibit in the case. He was overwas being sold at \$1.25 per acre by the powered only after a hard fight. government and even at that price the claimants were not voracious. Many who passed through that season now to a probable definite settlement of the wish that they had another similar op. indemnity question at the next meetportunity and would grasp it with avidity. These are the same who will a few years hence be wishing that prices would return to what they are at pres- affair. ent, then they would invest and make some money. The long-headed financier is buying now and will have land to sell at \$100 per acre when the rise comes. The time for Nebraska lands to decline in price to any large extent is Pingree has been traveling in Europe passed and the tendency will in the fu- for several months. ture be upward. The crop prospects this year do not warrant the slightest decline in Nebraska realty and the
