PROF. MOORE The Eminent Psycho-Magnetic Healer now in Norfolk.

CURES THE SICK BY MYSTIC POWER. Marvelous New Method which Conquers All Diseases—Treatment Free.

And these signs shall follow them that believe: They shall lay hands on the sick, and they shall recover. MARK 16-18.

Prof. C. L. Moore, an earnest searcher after truth, and explorer of nature's great secrets, having been a lifelong student of affairs physical, and occult science, has acquired national reputation through the many miraculous cures effected by him during the past two years.

Prof. Moore, as his cut shows, possesses quite a youthful face for a man of his years. He earnestly believes that anyone who will obey the great psychic laws, as advocated by him, may live to a great age, even as did our numerous forefathers in the early ages of the world.

His one great aim in life is to uplift suffering humanity, knowing that work thus expended, like the "quality of mercy" is twice blessed: it blesseth him that gives and he to whom it is given.

He therefore urges any sick or afflicted person to call at his office, that he may do for you what he has done for others.

Prof. Moore may be found for a few days over the Ideal Restaurant, from 1:30 to 8:30 p. m.

"Come, be healed of thine infirmity."
