Misses Kathryn and Hildreth Sisson together with their brother Warren. returned Saturday evening from the Ohio Wesleyan university, where they have been in attendance. Miss Kathryn is a member of this year's graduating

The Madison ball team, gaily attired in new scarlet uniforms, arrived in the city today and this afternoon is trying for honors with the Norfolk Junior league team. This game is the first of a series to be played here and will be contested on the diamond east of the city. The teams appear to be very evenly matched and a hotly contested game is expected. Quite a number of Madison enthusiasts came over with the team to witness the game and afford the boys encouragement.

The severe rain storm which visited Norfolk Saturday noon, struck Winside at I o'clock. The town was flooded and Judge J. B. Barnes went to Omaha the railroad damaged. Over 400 feet of track, in different places, was washed out and the evening passenger did not reach Norfolk until 9 o'clock. The Union Pacific freight was delayed in the same way and was nearly two hours late out of here. The rain was also very heavy east of Norfolk and some damage was done to F. E. & M. V. property by washouts.

The small grain crops in this part of Nebraska promise a magnificent yield, are unusually healthy and vigorous and present a pleasing sight. Rye is headed nicely and will soon be ready for harvest. The weather has been most favorsomewhat backward owing to the continued rain and cold. The sugar beet crop looks well, but the work of weeding and thinning has been delayed by the wet and the fields are somewhat weedy but promise a good tonnage.

A. T. Peters, animal pathologist of the university of Nebraska, announces that his department is taking steps to make examinations of the fields in which cattle died from the supposed cornstalk disease last fall and winter. A competent botanist be sent out to work up any abnormity, such as weeds, and classify them to see how many of them Five head of cattle were killed by may be injurious to stock. He ancounty, during one of the storms last be made in this locality within the next month and a half. A letter addressed to Dr. Chas. A. McKim, invites suggestions and cooperation. Mr. McKim sophomore year in the State normal requests farmers who lost cattle from this disease to leave their names with him and he will suggest that their fields be examined as above.
