Kansas City, July 1.-Kansas and

torday and that if rain does not of the cora crop in central Missouri. Lincoln, July 1 .-- Saturday was the seventh day the mercury has reached more than 97 degrees and Sunday it reached 102. For eight days the state has suffered from drought and south winds. Oats, potatoes and hay crops have been badly injured and corn began to curl and wither in the eastern part of the state today. The drought is the worst in the central eastern part of the state. North of the Platte river the dry weather was preceded by a week of rains and no damage has been done there.

#### Weather Bureau Report.

Washington, July 1 .- Reports to the weather bureau from points throughout the hot wave area show remarkably high temperatures generally with little or no rain fall and but poor pros pects for any substantial relief in the next 48 hours in the eastern part of the country. In the extreme northwest cooler weather came from local showers. High temperatures continued in all districts east of the Rocky mountains. At New York the maximum, 98 degrees, broke the record there for June, and at Philadelphia, the maximum, 98, equalled the highest temperature previously recorded there. Some of the high tempera-Wolf and eight other Indians who tures reported at the bureau were the labor rescued all but one man, named went to Washington to attend the follows: Boston, 92; Davenport, Ia, William Eckert, of Algonaic, Mich., hearing of the suit brought to prevent 98; Denver, 94; Des Moines, 96; Kan wheelman on the ill-fated vessel, who the government from opening the sas City, 98; North Platte, Neb., 92; Kiowa Indian lands in Oklahoma to Omaha, 98; Washington, 98, and St.
