Death of B. Harrison.

B. Harrison, who was stricken with paralysis Fourth of July morning, passed away yesterday afternoon about 4 o'clock at the home of his daughter, Mrs. H. J. Cole, having been sick but about a week. The funeral will be held from the residence of Dr. Cole tomorrow morning at 8:30, the hour being set this early owing to the hot weather and for the comfort of the family and the friends who wish to attend. It is expected that the services will be conducted by Rev. G. H. Main of the M. E. church who has been summoned from Iowa, where he went to visit, and is expected to return today. Interment will take place in Prospect Hill cemetery where Mrs. Harrison is buried, her death having preceded that of her husband a year last January. Mr. Harrison was 55 years of age the 1st of last February and was quite active and his mind very clear for one of that age up to the time he received the fatal attack. Besides Mrs. Cole, there are two other children to mourn his death, both sons. One lives at Duluth, Minn., and the other, at present in Oklahoma, makes his home in Missouri. Neither will be able to attend the funeral. Mr. Harrison has made his home with Dr. and Mrs. Cole for the past 12 years and was well liked by all who knew him. He was very much overcome by the death of his wife and it was then believed that he would not remain long after she died, but he has appeared to recover his health and spirits recently and it seemed as though he would survive many years, until he suffered the stroke of paralysis when, owing to his advanced age, but slight hope was entertained of his recovery. The deceased was a member of the Methodist church and always sincerely tried to live up to the teachings of that faith. Mrs. Cole and family have the sincere sympathy of their acquaintances in the loss they have sustained.

ASSISTANT AT WATERWORKS

Engineer Wetzel Allowed to Hire Help During the Heated Term.

The city council met in special session yesterday afternoon on call of President Brummond, for the purpose of providing a temporary assistant for the engineer of the city waterworks pumping station. There were present: Councilmen Brummond, Clements, Degner, Gow, Uhle and Westervelt. Absent: Mayor Koenigstein, Councilmen Spellman and Walker. President Brummond presided.

Mr. Brummond stated that Engineer Wetzel was sick and unable to do all the work of pumping at the pumping station and that he thought there was too much work for one man during the hot weather and recommended that the engineer be allowed an assistant during the heated term.

On motion the engineer was authorized to hire an assistant for as long as may be deemed necessary by the committee on public works, and the council adjourned.
