

TERMS FOR A SETTLEMENT

Both Sides Hopeful of Ending Steel Strike.

MEETS AT PITTSBURG TODAY.

Executive Committee of the Amalgamated Association Will Consider Proposition of United States Steel Corporation for Settlement.

Pittsburg, July 30.—The following terms of settlement of the strike come from an authoritative source and can be relied upon as the outcome of the meeting of the conferees:

The Amalgamated association is to drop its contention for the signing of a scale for all mills; all mills are to be "open" mills in the fullest sense of the term; the company is to have the right to place a nonunion man in any plant and keep him there; in addition to the plants covered by the expired scale it is to be signed by the following: W. DeWees Wood of McKeesport, Painter, Lindsay and McCutcheon and Clark Mills of Pittsburg and Monessen plant of the American Steel Hoop company.

The question of making the Wellsville sheet plant and the Monessen tin plate plant directly covered by the scale is to be settled by the conferees. The Amalgamated association is to have the privilege of organizing the men in any of the plants.

The executive committee of the Amalgamated association is expected to ratify the provisional terms outlined by the New York conference.

One of the most apparent facts in the status of the strike was the determination of the strikers to lose no ground in their struggle while peace negotiations are being conducted.

The strikers claim to have more than held their ground since the strike began and since the opening of the campaign, they claim to have increased their membership in McKeesport alone to over 1,500. Accessions to the ranks have also been made in the Wellsville, Pittsburg, Allegheny, Mingo Junction and Riverside plants. With the American Steel Hoop company the change has been one of the most sweeping. Before the strike practically all but two of the mills were nonunion. At this time all but one of the mills of this company are union and are idle from the strike.

PUTS A QUIETUS ON GOSSIP.

Secretary Long Enjoins Silence Upon Naval Officers on Schley Dispute.

Washington, July 30.—Secretary Long issued the following general order:

All persons in the naval service are strictly enjoined to refrain from any public statement concerning the subject matter concerning the court of inquiry requested by Rear Admiral W. S. Schley.

JOHN D. LONG, Secretary.

Secretary Long stated that if complaint against the language used in the fifth specification of the percept to the Schley court of inquiry was officially made to him by Admiral Schley he would give the matter consideration and that the language might be modified.

Threaten Abduction and Death.

Mattoon, Ill., July 30.—Two thousand dollars is the price demanded by unknown persons from Richard Hearn, a wealthy retired farmer of this city, for the safety of himself and only daughter, Maud, aged 13 years. A week ago Hearn received a letter demanding that the money be placed in a tin can at the southeast corner of the Episcopal church. A second missive stated that failure to comply with it would result in the girl's abduction and his death. When both letters failed to bring the money a third letter was sent which so alarmed the father that yesterday he revealed the affair to the police.

Barge Sinks in Collision.

Sault Ste Marie, Mich., July 30.—The whalback barge Sagamore, loaded with iron ore, was sunk in a collision with the Northern Line freight steamer Northern Queen near Point Iroquois yesterday. Of the crew of eight men Captain E. Joiner and Ira Ives, cook on the Sagamore, were drowned. Burley Smith, seaman, is missing. A dense fog covered the water at the time of the collision. The Sagamore filled rapidly and soon went down. The crew made a rush for the Northern Queen and five of them escaped to her decks.

Fails to Hear the Train.

Columbus, Neb., July 30.—William Speice, aged 72 years, was struck by an engine in the Union Pacific yards and almost instantly killed yesterday. He was quite deaf and it is supposed did not hear the train, as he was crossing the tracks on I street. When picked up he was unconscious and lived only a short time. He had lived here for the last 35 years and was a brother of Hon. C. A. Speice.

Kills Wife and Self.

Dodge City, Kan., July 30.—E. Kirby, proprietor of the Park hotel, yesterday shot and killed his wife and then shot himself, both dying instantly. The wife was shot in the forehead, Kirby in the throat. The cause assigned is a disagreement over property. Kirby was aged 40 and his wife 36 years.

Boers in Cape Colony.

London, July 30.—A dispatch from Cape Town says: Boers are scattered throughout the upper districts of Cape Colony. Some are within a few miles of Indwe. Others are around Jamestown and between Molteno and Burgersdorp. Several parties are close to Cradock.

IN RECONCENTRADO CAMPS.

South African Clergyman Tells of the Horrors.

Chicago, July 30.—The horror of the situation in the Boer reconcentrado camps of South Africa is appalling. Men, women and children are dying at a rate that would mean the extermination of the Boer race in nine years. The people are crowded up in unsanitary quarters, where they are unable to secure sufficient food or clothing, with disease making terrible ravages among them.

Thus the situation was depicted last night at the Christian Reform church by the Rev. Herman Brockheisen, late pastor of the leading Dutch Reform church at Pretoria. He came to the United States to realize money for the aid of his countrymen who are huddled together in refugee camps. It is the intention of Mr. Brockheisen to travel through the country, speaking in churches of various denominations and describing the real situation throughout South Africa. The funds he is able to secure will be sent direct to Pretoria.

A few days before leaving Europe he visited President Kruger and when he asked what message he would send to the Americans Kruger replied: "Tell them they are helping the English to slaughter our people by supplying them with horses and mules and the munitions of war."

SOCIALISTS SHELVE DEBS.

Professor Herron Chosen Chairman of Indianapolis Convention.

Indianapolis, Ind., July 30.—The first business coming before the unity convention of the Social Democracy, which assembled yesterday, resulted in a wrangle that threatened for a time to put an end to the further deliberations of the 150 delegates present. Professor George D. Herron, formerly of Grinnell, Ia., was elected chairman of the body.

As the afternoon session advanced it was brought to light that Eugene V. Debs, who had headed the Socialist ticket in the last campaign as the party's presidential candidate, had been shelved. At the same time the fact became more and more apparent that the Chicago faction had lost its leadership and that the Springfield wing dominated the assemblage, practically to the exclusion of the Chicago and other delegates.

INJURED BY HORSEPLAY.

Soldier is Badly Hurt by Being Tossed in a Blanket at Camp.

Ottumwa, Ia., July 30.—As a result of being tossed in a blanket at Dubuque, Corporal Arthur Armstrong of Company G of this city is confined to his home on Clarence street with a broken collar bone. He arrived home from Dubuque last evening and will be laid up from the injuries he received for some time. One of the commanding officers noticed the deed and instantly commanded the boys to stop. They dropped the blanket from underneath Armstrong, letting him fall a distance of 25 feet. He struck on his head and shoulder on the hard ground and was rendered unconscious.

Columbia Defeats Constitution.

Newport, R. I., July 30.—The Columbia yesterday defeated the Constitution, boat for boat, in a splendid race by two minutes and 54 seconds and won the \$1,000 cup presented by Colonel John Jacob Astor. Her victory was decisive and convincing. The behavior of the Constitution, on the whole, was disappointing in the extreme and Duncan announced that his boat would not take part in further races until her rig had been altered. He declared that the Constitution was not doing herself justice; that she is not going well, and that there is no use in racing her further until she is put in proper shape.

Cadillac Wins Seventh Trial.

Chicago, July 30.—The Cadillac won the seventh trial race, beating the Illinois by one minute and five seconds over a 21-mile course. At the conclusion of the race the judges announced that they considered the results so far obtained indecisive and ordered three more races. This announcement was disagreeable to the Detroit contingent, who claimed that the Cadillac had made the best showing and was entitled to the honor of defending the cup.

Rain in Plenty for Iowa.

Des Moines, July 30.—Rain fell all over Iowa Sunday, varying from .07 of an inch to four inches. The average fall, as indicated by 29 stations, was 1.63 inches. Crop service reports and private advices to grain dealers agree that with normal conditions the state will produce 89 per cent of an average corn crop.

Fight Proves Fatal to Three.

Knoxville, July 30.—A special from Crossville tells of the killing of Policemen Pink Pass and W. E. Knox, and the fatal wounding of Shirley Pass, son of the policeman, in a fight at Asoline, Tenn.

SPARKS FROM THE WIRE.

George H. Yenowine, a well known newspaper man, died suddenly at Milwaukee Monday night.

Tom Sharkey has accepted an offer to meet James J. Jeffries before the San Francisco Athletic club in September.

Rev. Adam Miller, called "the Father of German Methodism in America," died at his home in Chicago Monday of old age, being 91 years old.

The strike at the Joliet Pressed Steel Car works, inaugurated two weeks ago, has been amicably settled. The 200 men return to work on a piece scale which gives them a slight increase in wages.

LAND DRAWING BEGINS

One Thousand Farming Tracts Awarded the First Day.

THOUSANDS CHEER WINNERS.

Name of Stephen A. Holcomb Drawn First—Woman Wins Coveted Prize in Lawton District—All Are Satisfied With Lottery.

El Reno, O. T., July 30.—Oklahoma's great land lottery was begun here in earnest yesterday, and when the commissioners appointed by the federal government adjourned the drawing for the day, 1,000 of the choicest of the claims in the Kiowa-Comanche country had been awarded.

The first name drawn was that of Stephen A. Holcomb, Pauls Valley, Indian Territory, for a homestead in the El Reno district and the second Leonard Lamb of Augusta, O. T.

These two men select the two choicest claims in this district.

The capital prize winners, however, proved to be James R. Woods of Weatherford, O. T., whose name was the first to come out of the Lawton district wheel, and Miss Mattie H. Deals of Wichita, Kan., who drew the second number in that district.

They will have the privilege of making the first filings in the Lawton district and will undoubtedly choose the two quarter sections adjoining that town. These are considered the most valuable in the territory and are, it is estimated, worth from \$20,000 to \$40,000 each.

The day was one of keen excitement, replete with interesting scenes. It is estimated that fully 25,000 persons witnessed the drawing. The immense throng was wrought up to the highest pitch. The drawing of the first few names were followed by a mighty shout that reverberated between the hills and could have been heard for miles over the prairies.

Each succeeding winning for a time was met with shouts of applause and merriment. All was pleasantly. Every man, though he did not draw a prize from the wheels, had steadfast faith that tomorrow or the next day would surely see him the possessor of a slip reading him a title clear to 160 acres of Oklahoma land. So in the success of friends or relatives, unfortunate ones, instead of bewailing their lot, cheered lustily as familiar names were called out.

The crowd fairly exhausted themselves and when the close of the drawing for the day was announced at 6 o'clock, hundreds, who had neither eaten nor drank during the day, sank to the ground where they stood from sheer fatigue or dragged themselves to better places of rest or to refreshment booths up town. The day was remarkably free from quarrels, and general satisfaction with the government's method of disposing of the land was felt.

It has been found that many hundred applicants have "repeated," and that other applications are so illegible that they will be thrown out. Over this much discord has resulted and the outcome may be an appeal to the courts.

Iowa and Nebraska Winners.

Iowa and Nebraska winners are: Joseph Schultz, Schuyler, Neb., No. 51, El Reno district; James H. Danty, Hebron, Neb., No. 195, El Reno district; Allen Tingley, Verdun, Neb., No. 273, El Reno district; Alexander Hamilton, Wymore, Neb., No. 362, El Reno district; L. J. Pennington, Immy, Ia., No. 271, El Reno district; Virgil Bard, Tama City, Ia., No. 270, El Reno district; Martha Laird, Bedford, Ia., No. 330, El Reno district; Adolph Luers, Columbus, Neb., No. 147, Lawton district; Jacob Redinger, Sutton, Neb., No. 147, El Reno district; Joseph W. Curd, Bloomfield, Ia., No. 146, El Reno district; Falcon Woodhouse, Nidon, Ia., No. 4, Lawton district (this gives him claim worth \$10,000); Walter E. Odis, Perry, Ia., No. 17, Lawton district, will get claim worth \$5,000; Rueben E. Rodgers, East Peru, Ia., No. 23, El Reno district; Jacob E. Mayer, Audubon, Ia., No. 109, El Reno district; Guy J. Stewart, Helevy, Neb., No. 112, El Reno district; Wilton Rhodes, Mount Pleasant, Ia., No. 291, Lawton district; P. L. Rowen, Marshalltown, Ia., No. 310, Lawton district; Dora Roberts, Council Bluffs, Ia., No. 323, Lawton district; Albert J. Harvey, Atlantic, Ia., No. 392, Lawton district; Samuel R. Curtis, Audubon, Ia., No. 451, Lawton district; John E. Long, Omaha, Neb., No. 495, Lawton district.

Injunction Refused.

Washington, July 30.—The department of justice received a telegram stating that Judge Erwin of the United States court in Oklahoma had denied the application of Lone Wolf and other Indians for an injunction restraining the government from distributing land in that territory by drawings.

Jury in Glenn Case Still Out.

Parkersburg, W. Va., July 30.—The jury in the Ellis Glenn case is still out. It is understood that they stand ten for acquittal and two for conviction. Ellis Glenn apparently is little affected by the actions of the jury and is in the best of humor, occasioned by her belief that she will be acquitted.

CUBAN ELECTORAL BILL.

Delegates Decide in Favor of Universal Suffrage.

Havana, July 30.—There was a good attendance at today's session of the Cuban constitutional convention when the electoral bill as drafted by the electoral commission, was submitted. The measure provides for universal suffrage, but restrictions as to ability to read and write are imposed in the case of office holders.

Governors of provinces and provincial legislators must be of Cuban birth or have been naturalized for a period of eight years. They must be at least 30 years of age. They must possess title by public decree or have filled office by popular vote.

The same restrictions regarding citizenship are laid upon congressmen, who must be 25 years of age. Senators must be Cuban by birth and 35 years of age.

The president must be a Cuban or naturalized. In the latter case, as provided by the constitution, he must have served in the Cuban army for ten years. He must be at least 40 years of age. The same conditions apply to the vice president.

Senators shall be elected by provincial legislatures and an equal number of citizens.

It provides for two elections. At the first will be elected governors of provinces, provincial legislators and senatorial electors.

At the second, to be held eight days later, congressmen and presidential electors will be chosen. Thirty days after the second election the presidential electors will meet in Santa Clara to elect the president.

NEGROES ON THE DEFENSIVE.

Shoot Camden Men Who Come to Horsewhip Them.

Camden, Ark., July 30.—News has reached here from Leake township, Nevada county, that a party of white men sent word to Lige Ziegler, a negro, that they would attempt to whip him last night and received word that some of them would get killed if they came. The party went out and the report is that Ziegler and his son shot into them, killing Lewis Hayne, brother of State Senator Hayne, and Hop Hallon, a brother of John Hallon, a prominent merchant at Stephens. There are some 400 negroes and 20 white people in this township and it is said that racial troubles have been brewing for some time. At last reports parties of whites had left for the scene of the trouble from Waldo and Stephens and the negro's house was still surrounded.

INSURANCE POLICIES INVOLVED.

Question is Raised as to Whether Ute, Ia., Merchant is Dead or Alive.

Omaha, July 30.—The disappearance and supposed suicidal drowning of Chris Harm, a Ute (Ia.) merchant, a few weeks ago, promises to reveal an interesting story, with an Omaha chapter for the climax. It has been strongly intimated that Harm did not drown himself—in fact, that he still lives and that back of it all is an effort to realize on an insurance policy.

Telegraphic advices from Sioux City are to the effect that Harm is now believed to be in Omaha or South Omaha, secreted from public view by friends. Much interest in the case has been aroused in Iowa and an investigation is in progress. All efforts to locate Harm in either of the Omahas have thus far failed. Several thousand dollars are involved.

THRESHERS SMASH JOINTS.

Harvest Hands With Unslaked Thirsts Also Wreck Town Pumps.

Wichita, July 30.—Eight threshing machine crews struck the town of Colwich, in this county, Sunday and because they could not get liquor on account of a Sunday law they smashed five joints and in addition wrecked a number of town pumps. The citizens organized a party to cause their arrest, but the threshers made them retreat. The rioting was resumed yesterday when the citizens again tried to arrest the threshers, but again they had to give up. The sheriff has been asked to come at once to the scene.

BATHER KILLED BY BEAR.

William Lepley Swims Too Close to Place Where Animal is Chained.

Iowa Falls, Ia., July 30.—In the presence of 50 people last evening William Lepley, a blacksmith of this city, was killed by a bear that is kept on exhibition at the Palais de la Plage. Lepley was in bathing and swam near the shore, where the bear is chained. Before Lepley could make an outcry the bear reached for him, and dragging him out fastened his teeth in his neck. After a struggle the body was recovered, but the man died a few moments later.

Murder Theory Advanced.

Springfield, Ill., July 30.—Coroner Taylor held an inquest at Elkhart yesterday over the remains of two unknown men whose bodies were found in a decomposed state near the railroad track on the farm of Abraham Buck, near Elkhart. The identity of neither could be established, or the cause of death. On the body of one was a letter addressed A. C. Brahm, St. Louis, and postmarked Seattle, Wash. A murder theory is advanced.

Anarchists Laud Bresci.

New York, July 30.—Bartholdi hall, in Patterson, N. J., was packed yesterday by the friends of Bresci, the assassin of King Humbert of Italy, it being the anniversary of the deed. The street in front of the hall was also filled with people. It is not claimed that all who turned out are anarchists, the supposition being that many were present from curiosity. All the speakers lauded Bresci and his act.

INSULTS GERMAN FLAG

Colombian Government Offers Affront to the Kaiser.

DETAINS STEAMER ALLEGHENY.

Urbe's Secretary Wraps Himself in Folds of Flag, But is Dragged From the Ship by Police—Arrest Creates a Stir at Cartagena.

New York, July 30.—The Hamburg-American line steamer Allegheny which arrived here yesterday reports that it was held in the harbor of Savannah, Colombia, for 12 hours. Passengers on the Allegheny report that Abel Murrillo was arrested on the ship at Cartagena and taken ashore by the Colombian authorities. Murrillo protested against the arrest, claiming that he was entitled to the protection of the German flag.

Murrillo is said to be the secretary of General Uribe. He went to Colombia, it is reported, with a passport given by the representative at Washington with the understanding that his mission to Colombia was a peaceful one.

When the vessel arrived at Cartagena it was ordered detained by the authorities there. The captain protested that he was sailing under the German flag and that no official of Colombia had a right to stop the vessel for any purpose whatever. This protest was unheeded, however, and search was made for Murrillo, who was found on deck.

He declared that he would not be arrested and running to one of the ship's masts he seized the German flag which was lying there and wrapped it about him. Then he stood forward and cried out: "I am under the protection of the German flag and you have no right to arrest me."

According to the passengers on the Allegheny the Colombian officers, notwithstanding the protest, seized the man and dragged him from the vessel.

Germans and French Erecting Large and Permanent Barracks There.

London, July 30.—The Shanghai correspondent of the Globe says: The assurances given in the house of commons by Lord Cranborne, the under foreign secretary, that the German and French troops are only temporarily here, are refuted by the fact that both nationalities are erecting massive, permanent barracks, which will take two years to complete, indicating that many years' occupation is contemplated.

Mr. Kennan was courteously treated, but was not allowed to leave his room in the interim. His expulsion was carried out quietly. He was provided with a traveling passport, signed by the chief of the political police, and boarded a train for Wirballen, accompanied by an escort. His own passport was returned to him on his arrival at Wirballen.

The authorities at Cambridge are taking all precautions, however, and are prepared for trouble.

ILLINOIS CENTRAL

EXCURSION RATES

TO THE

Pan-American Exposition

AT

BUFFALO.

It was said when the World's Fair closed that this country would not see its equal in fifty years. In all but the space occupied, however, the Pan-American Exposition at Buffalo this year will exceed the great show of '03. This means that more can be seen in the same length of time at the Pan-American and with less of the fatigue and weariness that was unavoidable at the World's Fair.

The exhibits will be varied, interesting and instructive, and the improvement in their selection and the manner in which they are displayed, due to the experience gained by exhibitors at the recent great Expositions, will be very noticeable. In the variety, quality, novelty and number of its entertainment features, the Buffalo Exposition will surpass all others.

There are different rates for tickets with different limits, and if you expect to visit Buffalo, and will send your address to the undersigned, the rates now in effect will be quoted you, and you will be kept advised of any changes.

An artistic booklet, beautifully illustrated, and giving a complete description of this great Exposition, will be mailed free to all inquirers. Write to J. E. BERRY, Asst. Gen'l. Pass. Agent, Dubuque, Iowa.
