**Caution!**  
This is not a gentle world—but when you think how liable you are not to purchase for the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of consumption and throat and lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boesche's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe coughs, bronchitis, croup—and especially for consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. Sold by all druggists in the civilized world.

**OPPOSE THE CHINESE BILL.**  
Dillingham, Stewart and Hoar State. Objections to Pending Measure. Washington, April 11.—An effort was made late yesterday in the senate to obtain an agreement for a vote on the Chinese exclusion bill, but it was unsuccessful. The measure was under discussion during the entire session, except for about an hour, in which time the postoffice appropriation bill was considered and passed. Three speeches were made against the Chinese bill in its present form, Dillingham (Vt.) concluding his remarks, and Stewart (Nev.) and Hoar (Mass.) stating their objections to the bill. Stewart said he would vote for the measure if it was the best that could be obtained, as he favored the exclusion of Chinese laborers, but he was opposed to many of its provisions. Hoar announced his vigorous opposition to the bill, declaring that he never would vote for it.

Early in the session Dewey spoke briefly against the bill providing for the election of senators by popular vote. In effect he served notice on those states which had limited their suffrage that if the resolution was enacted a demand would be made on them to afford all their citizens the right to vote or suffer a loss of representatives in congress.

**GROSVENOR FOR CUBAN BILL.**  
Declares Present Tariff on Sugar Unreasonable and Demands Change. Washington, April 11.—The debate on the Cuban reciprocity bill in the house yesterday was devoid of exciting features. The most notable speech of the day was made by Grosvenor (O.). He answered the critics who have charged him with inconsistency by saying that reciprocity was sound Republican doctrine and that tariff schedules were not sacred. He predicted that the time would come, although it had not yet arrived, when there would be an inexorable demand for revision of the present rates. Prince (Ill.) made a strong speech against the measure. The other speakers were Lawrence (Mass.) and Miers (Ind.) for the bill and Weeks (Mich.) and Kleeberg (Tex.) against it.

The averages of the principal states are as follows: Ohio, 77; Michigan, 83; Indiana, 81; Illinois, 90; Texas, 72; Missouri, 91; Kansas 75; Nebraska and California, each, 93 and Oklahoma, 67.

The conference adjourned without reaching an agreement.

**AN OLD SORE**

Will sour the sweetest disposition and transform the most even tempered, lovable nature into a cross-grained and irritable individual.

If impatience or fault-finding are ever excusable it is when the body is tortured by an eating and painful sore. It is truly discouraging to find after months of diligent and faithful use of external remedies that the place remains as defiant, angry and offensive as ever. Every chronic sore, no matter on what part of the body it comes, is an evidence of some previous constitutional or organic trouble, and that the dregs of these diseases remain in the system; or, it may be that some long hidden poison—perhaps Cancer—has come to the surface and begun its destructive work.

"I would have spells when I would get weak and faint and my heart would seem to stop beating, then it would beat very hard. I began taking Dr. Miles' Heart Cure and when I had used twelve bottles my heart was all right." Mrs. J. L. FAYTOR, Owensboro, Ky.
