BOTH FUGITIVES CAUGHT

Gaynor and Greene Smuggled
Out of Quebec.

NABBED BY YANKEE DETECTIVES
Capture Planned and Executed by
Secret Service Men—Officials Spirit
Their Prisoners Away on Boat and
Are Vainly Pursued by Canadians.

Quebec, May 16.—Colonel John F. Gaynor and Captain W. D. Greene, who forfeited their bail at Savannah early in March and fled to Canada, were placed under arrest by officers connected with the United States secret service and Chief Carter of the Montreal detective force yesterday. The arrests were made on warrants issued in Montreal, Chief Wilkie's men assisting the Canadian officers to make the arrests.

The men were hurried on board a swift little tug, which had been kept in waiting at the wharf. Ten minutes after Greene and Gaynor were safely on board the boat steamed out into the river and started toward Montreal. The officers moved so quickly that neither of the prisoners were given an opportunity to consult counsel. When notified of her husband's arrest, Mrs. Gaynor at once consulted Mr. Tachereau, her husband's attorney. A tug was chartered and an attempt was made to overtake the boat on which Gaynor and Greene were being carried away.

After a short chase it was seen by those on board the pursuing tug that it would be impossible to overtake the boat, the Spray, one of the swiftest tugs on the St. Lawrence, and the pursuit was abandoned. On returning to the city it was decided to charter a special train and attempt to head off the Spray at some point between this city and Montreal. The arrest of Greene and Gaynor and the manner in which it was accomplished caused considerable excitement in the city, where both have become well known. Mr. Greene had called at the postoffice, as was his daily custom. Three detectives, who had been in waiting in a store nearby, crossed the street, and one of them placing his hand on Greene's shoulder, pulled a document from his pocket. Greene was heard to say: "Wait a minute until I see a friend," but this was denied him and the three detectives and Greene entered a cab and were driven to the wharf.

While the arrest of Greene was being accomplished, three other detectives went to the Chateau Frontenac. Colonel Gaynor was standing at the clerk's desk when they entered. The three detectives walked up to Gaynor, one taking hold of his right arm and the other his left, while Burke produced a legal paper. Colonel Gaynor asked permission to get his overcoat, but he was not permitted to do so, and the four hurried out to a cab and started for the wharf at a rapid pace.

Capture Planned in Washington. Washington, May 16.—The kidnaping and subsequent arrest of Gaynor and Greene at Quebec was the result of a carefully laid plan of Chief Wilkie of the secret service. It was denied that the department had sent men to apprehend the fugitives, but it was later learned that Inspectors Bennett, Burke, Taylor and three others had been assigned to the case. It is stated that it is not unusual for United States secret service men to go over the line into Canada, in order to watch the movements of persons wanted for offenses committed in the United States and that frequently this is done with the knowledge of the Canadian authorities.

The expectation here is that when arraigned before the Montreal authorities, Messrs. Gaynor and Greene will endeavor to secure their release by habeas corpus proceedings. Any efforts in that line will be vigorously resisted. The confident belief of the officials here is that this government will be able to secure the extradition of the two men, in which case they will be taken to Savannah for trial.

TO INVESTIGATE FAILURES.
Plan Long Contemplated by Credit Men's Association to Be Undertaken.

New York, May 16.—A plan which has long been contemplated by the National Association of Credit Men, the establishment of a bureau for investigating fraudulent failures and prosecuting those deemed to be guilty of such practices, is about to be realized, says the Journal of Commerce. A trust fund of \$10,000, necessary to start the bureau, practically has been subscribed and this new department of the association, which will be national in scope, undoubtedly will be opened in the near future. Arrangements are to be made with law firms to act as counsel, to whom shall be referred all requests for an investigation and prosecution. If, after receiving an opinion from its counsel on the merits of the case presented, the association shall decide to engage in the prosecution of the case, it will be at once referred to the legal representative to be selected by the association in the territory where the failure has occurred.

Gilbert and Klein Win Honors. Ottumwa, Ia., May 16.—The 23th annual tournament of the Iowa State Sportsmen's association closed yesterday. Fred Gilbert and Russell Klein of Spirit Lake won the honors of all three days. Klein yesterday won the Ottumwa diamond badge, for ten live birds.

Army of Traveling Harvest Hands. Wichita, Kan., May 16.—The rice growers of Texas and Louisiana, through their organization, have opened communication with the implement dealers of Kansas and Oklahoma with a view of co-operating in securing hands, first for the care of the wheat harvest in the north and then in the rice harvest of the south. The final purpose is to organize an army of traveling farm hands to follow wheat, rice and corn harvesting from New Orleans to North Dakota.

Successor for Corrigan. Rome, May 16.—There are persistent reports at the Vatican that Bishop Charles McDonnell of Brooklyn, N. Y., is likely to be the successor of the late Archbishop Corrigan of the archdiocese of New York.

Grace Dixon, aged 8, as a result of saving her 3-year-old brother from a six-foot rattlesnake, which had crept into the house, at Dressbach, Minn., was fatally bitten by the reptile and died in great agony.

Traveling is Dangerous. Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. H. Hansen, locomotive engineer, Lima, O., writes: "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure." Sold by A. H. Kiesau.

Wanted. We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of indigestion, dyspepsia, and liver troubles that has not been cured—and we also mean their results, such as sour stomach, fermentation of food, habitual costiveness, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try one bottle first. We have never known of its failing. If so, something more serious is the matter with you. Ask your oldest druggist. G. G. GREEN, Woodbury, N. As will be seen by the above the threshers were able to keep on with their work without losing a single day's time. You should keep a bottle of this remedy in your home. For sale by Kiesau Drug Co.

Whooping Cough. A woman who has had experience with this disease, tells how to prevent any dangerous consequences from it. She says: Our three children took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops.—Jessie Pinkley Hall, Springville, Ala. This remedy is for sale by Kiesau Drug Co.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and drugs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

ECZEMA

is due to the retention in the system of Uric Acid or other inflammatory poisons which find their way into the blood, and are forced by the circulation through the glands and pores of the skin, causing it to burn like fire, and the incessant itching allows no rest night or day. Eczema appears in a great many different forms, beginning frequently as a mere redness of the skin, followed by little blisters or pimples, from which a clear or straw colored matter oozes, forming into sores, scales or scabs; this is weeping Eczema, commonly called Salt Rheum. These acid poisons sometimes dry up the natural oils and the skin becomes hard and dry, often cracking and bleeding and causing intense pain and fearful itching. This form of Eczema is known as Tetter, and oftenest attacks the hands and feet. Unsightly eruptions in the shape of pimples and blackheads break out upon the face, neck and shoulders as a result of polluted blood, and this humiliating disease is called Acne. Local remedies afford but scant relief. The blood and system being saturated with the poison, the disease cannot be reached with washes, salves, powders or other local applications. S. S. S. restores the deteriorated blood to its normal condition, stimulates the sluggish organs, and all the waste matter is eliminated through the proper channels. S. S. S. makes the blood rich and strong, and under its tonic and invigorating effects the general health improves, and the skin becomes soft and smooth again.

S. S. S. contains no minerals but is guaranteed purely vegetable. Write us if you need medical advice; this will cost you nothing. Illustrated book on skin diseases sent free.

Sciatic Rheumatism Cured After Forty-seven Years of Suffering. "I was afflicted with sciatic rheumatism for fourteen years," says Josh Edgar, of Germantown, Cal. "I was able to be around but constantly suffered. Don't Follow Advice After Paying for it. In a recent article a prominent physician says "It is next to impossible for the physician to get his patients to carry out any prescribed course of hygiene of diet to the smallest extent; he has but one resort left, namely, the drug treatment." When medicines are used for chronic constipation, the most mild and gentle obtainable, such as Chamberlain's Stomach & Liver Tablets, should be employed. Their use is not followed by constipation, as they leave the bowels in a natural and healthy condition. For sale by Kiesau Drug Co.

Wants Others to Know. "I have used DeWitt's Little Early Risers for constipation and torpid liver and they are all right. I am glad to endorse them for I think when we find a good thing we ought to let others know it," writes Alfred Heinze, Quincy, Ill. They never gripe or distress. Sure, safe pills. The Kiesau Drug Co.
