Republicans Convened at Fremont Today.

IT LOOKS LIKE A DEADLOCK.

Votes are Well Divided Among the Field of Candidates-Vigorous Resolutions are Adopted-Attempt Made to Adjourn.

Fremont, Neb., June 10, 2:45 p. m. -Special to THE NEWS: At this hour the republican convention for the Third congressional district in session here from a visit to Omaha. for the purpose of nominating a candidate for congress, has not been successful in completing its work and the prospects are for a deadlock that will prolong the meeting indefinitely. At this hour there have been one informal and eight informal ballots taken, the eighth ballot which was as follows, being s fair sample of those that preceded it: Brooks of Knox, 45; Hansen of Platte, 44; Jenal of Cedar, 24; McCarthy of Dixon, 46; Young of Stanton, 33; Vail of Boone, 35; Wiltse of -, 11; Boyd of Antelope, 2. Madison county's vote has been divided, giving three votes to each of the leading candidates, two to Wiltse and none to Judge Boyd.

The convention was organized this morning with E. R. Gurney of Winside as temporary chairman and John W. Graham of Platte as temporary secretary. The credentials which had been approved by the central committee before the convention was called to order, were endorsed by the convention. The temporary organization was made permanent. The informal and one formal ballot were taken in the forenoon and the meeting took an adjournment for dinner.

In the afternoon between ballots for a candidate, the committee on resolutions reported and the following is a summary of the platform adopted:

We reaffirm our allegiance to the principals of the republican party as set forth in the last national platform; condition of prosperity unparalleled in Osmond. the history of this or any other country. It commends the administration of President Roosevelt; lauds the wisdom he has always displayed in the performance of civil and military duty; commends the national administration of as becoming to their wearers. its avowed purpose of checking corporate greed; commends congress for its repeal of the war tax; the establishment of free rural mail delivery, approves it glandered horses. During the afternoon an effort was at an improper time the chairman declared it out of order.

Up to the time this report closes there is every prospect for a deadlock. There since the balloting commenced and no prospect that there will be one at any early hour.

McCarthy for Congress.

Hon. J. J. McCarthy of Dixon county Third district by the republican convention in Fremont last evening, on the 47th ballot. The nomination came after a long drawn out battle, lasting from 11 o'clock in the forenoon until 9 o'clock at night, with only short intermissions for dinner and supper. The result of each ballot was with slight variation as was stated yesterday until the break threw her vote to McCarthy, thus aunouncing that Jenal was out of the race. Then Stanton withdrew Young, Boone withdrew Vail and the result was soon reached, other counties changing their votes to the winner in quick succession.

After the nominee had made a short his county for the nominee and the ticket. Geo. A. Brooks of Knox showed contributing \$100 in gold to the campaign fund.

For a contest which was as long and were unusually harmonious and good natured, and nothing appeared to indicate that any candidate or delegate went home dissatisfied with the result.

Committees Lining Up for a Big Celebration.

OUTLINE PARADE AND SPORTS

Three Military Companies in a Battalion Drill-Twenty-Second U. S. Intantry Band-Display of Day and Night Fireworks-Concessions.

From Thursday's Daily : Events for Norfolk's Fourth of July program are developing in a manner that fulfills the most sanguine expectations for a day of pleasure and thorough, restful enjoyment that will be subject for pleasant recollections in the years to come by those who will participate. John Rush, national bank examiner, The committees are doing enthusiastic work and deserve full and impartial s in the city from Omaha to examine the credit for employing their best judgment toward giving the citizens of the town faithful service. The aim of all should be to heartily second their efforts to the end that all who come as Norfolk's guests may feel that they are guests indeed and in fact. Certainly the committees are successfully laboring to attain that result, and the celebration promises to be one of the grandest successes in the history of Norfolk and north Nebraska.

The executive committee and a num ber of the subordinate committee met last night to review what had been done painted his fleet of skiffs and now has andplanfor further efforts. There was a good attendance and much enthus asm was manifest.

The committee on rest booths made a report stating that they had secured the Eiseley block, the Beels block and the large tent of the Methodist camp meeting association, all of which will be fitted up for the comfort and convenience of visitors. The two buildings being in the eastern part of the city it is probable that the tent will be erected in the western part although its location has not been definitely decided upon. The tent is 44 by 120 feet and will provide accommodations for a large number of people.

The committee on seats reported that they had decided to provide seats along both sides of Norfolk avenue from Fifth street to Second, from which the parade and program of sports may be watched without the fatigue usually has been decided to open subscription resulting from viewing these features.

the attendance of three companies of vide the best and most complete enterthe Nebraska national guard, which in tainment. addition to taking part in the parade, will give a battalion drill during the day. These three companies are from Madison, Stanton and Norfolk. All are well drilled, with good membership, and their field exercises will be a pleasing feature of the program.

The executive committee appointed G. A. Luikart as chairman of at concession committee and he has asked C. P. The Bonesteel, South Dakota, Pilot Parish and P. A. Shurtz to co-operate with him in attending to the duties of that committee. The members met with Mr. Luikart this morning and formulated a uniform schedule of rates which will be charged those desiring concessions as follows:

> Merry-go-round, \$40.00. Bowery, with full stand privileges, \$65.00.

Main street stands, for lemonade, candies, ice cream, orange cider, soda, fruit, pop corn, cigars and fireworks,

Exclusive on street, exploding canes and torpedoes and red, white and !blue canes, \$5.00.

Exclusive on street, rubber balls, balloons, squawkers, blowouts, crickets and ticklers, \$10.00. Special stand on Fuesler platform,

Hot candy, extra, \$5.00.

Stands in rest booths, having all stand privileges, including coffee and eatables,

Lunch counter, \$10.00. Pop corn and pea nut roaster, \$5.00. Graphophone or picture wagons, each,

Cane racks or knife boards, each \$5.00 Baby racks or striking machines, each \$3.00.

Outside hacks, \$3.00.

Shooting galleries, \$5.00. Gambling and other vices positively

prohibited. The parade committee held a special meeting last night and formulated an outline which promises a parade of great length and brilliance. They have invited the mayor and city council to participate, also the civic societies represented in Norfolk which may be expected to be in line either as a body or represented with floats exhibiting features of the order, then there will be the military companies, bands, a commendable trades display, beautiful girls reptively quiet by reason of the high water resenting the colonies or states, the ball teams, fire departments, Mardi Gras feature, boys' brigade, bicycle section, and the committee has not yet com-

the program. The famous base ball team, the Omaha Originals, has been secured to meet with the Norfolk team on the base ball diamond and a snappy, interesting game is therefore guaranteed to lovers of that sport. They are arranging for hose races with good purses to be hung up as an inducement and will meet again Monday night to make arrangements for other sports that will be appreciated. They have already hung up purses for the following events: Men's foot race-purse \$10, divided

into three moneys, \$5, \$3, \$2. Foot race for boys under 15-purse \$6 -\$3, \$2, \$1.

Potato race—purse \$3,—\$2, \$1. Wheelbarrow race—purse \$6-\$3, \$2

Foot race for girls under 12-purse \$5 -\$2.50, \$1.50, \$1.

Broad jump-\$2 High jump-\$2. Barrel race—purse \$3-\$2, \$1. Bicycle race-purse \$25-\$15, \$10.

Tug-of-war-\$14 to the winning team. The music committee reported that thus far they had engaged the Twenty-Second U.S. Infantry band of Fort Crook, which as before announced will be at the service of the city from 9 o'clock in the morning until 10:30 at night. The band is composed of 25 pieces and every man in it is a musician and in thorough practice.

The executive committee made the appropriations to cover the expenses of the features reported and the committees will proceed to perfect their work. There yet remains much to do in all departments of the work but the above outline will give the people an idea of what is in store. The committee is exercising great care to see that everything promised will be carried out and that there will be no disappointments. They are keeping close tab on expenditures and propose to have the cash on hand to pay for every purse and to meet every debt and obligation.

Fourth of July Contributions. As there are many who, realizing that they will benefit by and enjoy the Fourth of July celebration, and have expressed themselves as willing to contribute to the success of the observance with the knowledge that the more money at the disposal of the committee the better the celebration, and also knowing that the committee is one to be trusted with funds and that they will account for every cent they handle, it papers at each of the banks, where anyone desiring to contribute, be their contribution ever so small, may do so. With more money the committee will be able to provide more and better attractions and those citizens who expect and desire a day full of pleasure should assist in making it possible for them to pro

LOSE ANOTHER GAME.

lowa Boys Take the Third of the Series at Base Ball.

The third and last game of the series between Rock Rapids and Norfolk went to the visitors by a score of 12 to 5 yesterday. Errors did it. The safest men on the team were off and every muff was costly. One error by Spaulding cost three runs, another by Davey was responsible for two while ten others came in for their share of the defeat.

Not an earned run was made on either side, though there were in all 25 hits. The men in brown scored five times in the second and kept the lead throughout, though at one time things looked encouraging for a tie game and this, alone, made the contest interesting.

City dog tax is due and collectable after July 1, and as an inducement for some help in collecting such tax. Chief of Police Kane offers to pay 25 cents for each uncollared dog delivered to him after that date. This would seem to be a fine opportunity for boys to make their Fourth of July spending money as there appears to be a generous quantity of dogs in the city not thus arrayed.

The freight house and the engine house are to be located at Bonesteel, which would seem to indicate that for a considerable time, at least, Bonesteel is to be the terminus of the line. The depots are of a pattern altogether new. They will be 22 by 105 feet in main dimensions with the necessary platforms and facilities. The living rooms for the agents will be on the ground floor and room, kitchen, closets and modern conveniences, so far as a structure in such locations can be made modern. Instead new lines there will be waiting rooms for the men and women, separate, offices, lavatories and up-to-date accommodations in every respect.

California

Has numerous natural bridges, caves etc., of no little interest. The Mammoth cave of Calaveras, discovered by miners in 1850; the Alabaster cave;

the Crystal Palace cave, containing a number of attractive subterranian apartments, such as the Bridal chamber, the Crystal Palace room, and a curious apartment called the Music hall, where the deposits of aqueous origin not only take the form of organ pipes, sounding boards, etc., but also emit when struck musical sounds and vibrations. Near this cave are two natural bridges which the tourist can visit and return to the railroad within half an hour.

The only natural way to reach these scenes of interest is via "The Overland Route," comprising the Union and Southern Pacific, now really one line.
