

BANQUET OF TILDEN CLUB

Big Meeting of Democrats is Held in New York.

CLEVELAND AND HILL SPEAK

Ex-President Announces His Absolute Retirement From Politics—Bryan Invited, but Did Not Reply—Democratic Unity the Keynote.

New York, June 20.—Democratic unity was the keynote last night of a great gathering of representative Democrats who had come to attend the opening of the handsome new quarters of the Tilden club. Addresses were made by prominent Democrats and afterward a collation was served in the banquet hall to the distinguished guests of the evening and a buffet supper was served in the basement for the rank and file.

To the Democrats the event was one of the most memorable for many a day. Grover Cleveland and David B. Hill met in harmony, seeking to draw the factions of their party together. It was the first public political appearance of the ex-president in five years. He spoke first, ex-Senator Hill spoke after him and then Governor Montague of Virginia and Colonel W. A. Gaston of Boston delivered addresses. William J. Bryan had been invited to attend, but not to speak, but no reply was received from him.

Mr. Hill and Mr. Cleveland met in the foyer and a moment later they were cordially shaking each other's hand. Loud and prolonged applause greeted the two men as they entered the assembly room. There was tremendous applause as Mr. Cleveland ascended the platform. This applause wound up with three cheers and a "tiger." When quiet was restored the former president began speaking. He said in part:

"My days of political activity are past, and I shall not hereafter assume to participate in party councils. I am absolutely content with retirement, but I still have one burning, anxious political aspiration. I want to see before I die the restoration to perfect health and supremacy of that Democracy whose mission it is to bless the people, a democracy true to itself, untempted by clamor, unmoved by the gusts of popular passion and uncorrupted by offers of strange alliance.

"Perhaps there are those who could define my position as one of banishment instead of retirement. Against this I shall not enter a protest. It is sufficient for me in either case, that I have followed in matters of difference within our party, the teachings and counsel of the great Democrat in whose name party peace and harmony are tonight invoked. No confession of party sin should therefore be expected of me. I have none to make; nor do I crave political absolution."

At the point in his speech where Mr. Cleveland announced his absolute retirement from politics the crowd yelled, "No, no."

Mr. Hill in his address arraigned the Republican administration and practically outlined a platform for the next campaign.

STATE REGISTER SOLD.

Bought by Director of the Mint Robert for \$125,000.

Des Moines, June 20.—The Iowa State Register of this city yesterday announced the sale of the property to George B. Roberts, United States director of the mint. For thirty-two years it has been owned by the Clarksons and the announcement contains the information that the sale was made on account of ill health of R. P. Clarkson. Mr. Roberts' home is at Port Dodge. The price paid for the property is reported to be \$125,000.

Washington, June 20.—"It is likely that I will go to Des Moines and assume charge of the Register before very long," Mr. Roberts said today.

"I shall not give up my office here until the end of the present fiscal year, however. The paper comes into my hands June 30. I expect to go to Iowa next week, and will remain in Des Moines for a short time."

Vermont Republicans Split.

Montpelier, Vt., June 20.—Amidst scenes of marked disorder and turbulence the Republican state convention yesterday nominated Judge J. G. McCullough of Bennington for governor on the third ballot. The delegates who had supported P. W. Clement of Rutland, the high license candidate, marched out of the hall as a protest against the action of the majority. The bolting delegates afterwards nominated Mr. Clement for governor on an independent ticket.

Missouri Prohibitionists Meet.

Clinton, Mo., June 20.—At the prohibition convention yesterday the committees reported and several addresses were delivered. W. S. Crouch was made permanent chairman. Hon. Volney B. Cushing of Bangor, Mo., and others addressed the delegates at the evening session. The ticket will be selected today.

Coleman Pleads Not Guilty.

Brookings, S. D., June 20.—At the opening of the trial of Joseph P. Coleman, charged with the murder of his brother Edward, to secure \$10,000 life insurance, the accused entered a plea of not guilty. The trial is attracting much interest.

Missing Men Are Found.

Creede, Colo., June 20.—The injured in yesterday's fire are recovering. William Stewart and Fritz Zint, who were reported missing, have been found.

COST OF PHILIPPINE WAR.

Secretary Root Submits Statement of Money Expended in Contest.

Washington, June 20.—Secretary Root yesterday made answer to the senate resolution of April 17, calling for information as to the cost of the war in the Philippines. The total expended is shown to be \$169,553,510; liabilities, \$473,072.

Secretary Root concludes with the following explanation: "Attention is invited to the fact that large quantities of valuable property, the cost of which is included in the foregoing statement, still remains on hand in the Philippine Islands for use. Parts of these supplies are already being appropriated to this country. It should also be observed that a large part of the expense during the past year should not properly be treated as occasioned by military operations in the Philippines, for the reason that it consists of pay and maintenance of troops whom we would have had to pay and maintain, whether they were in the Philippines or not."

DISBURSING OFFICER SHORT.

Henry Rechin Owns to Misappropriating \$7,600 of Funds.

Washington, June 20.—Henry Rechin, disbursing officer of the department of justice, yesterday was arrested on the charge of misappropriating \$7,600 of government funds. He is from Cincinnati.

Information received by Attorney General Knox some time ago led to a suspicion that something was wrong with Rechin's books and the arrest followed an examination of the books under the direction of Comptroller of the Curran Tracewell.

Rechin attributes his troubles to high living and speculation. The shortage is fully covered by his bond of \$30,000. Two experts from the comptroller's office were going over his books yesterday morning when he arrived at the office. When he saw them at work he turned pale and then went to the attorney general, to whom he made a full confession. This revealed that the shortage had existed for six years.

Burlington Gets It.

Burlington, Ia., June 20.—At the annual meeting of the Burlington and Northwestern Railroad company the stockholders have unanimously voted in favor of a resolution to sell the property to the Burlington and Northwestern company. The property thus virtually passes into the hands of the Chicago, Burlington and Quincy.

Toasts Pope and President.

Rome, June 20.—Judge Taft, civil governor of the Philippines, and the Americans who are with him, lunched at the American college yesterday. The judge toasted the pope and President Roosevelt. The rector, Rev. Dr. Thomas F. Kennedy and the students responded with hearty cheers.

More Trouble in Pawtucket.

Pawtucket, R. I., June 20.—Disturbances in the street car strike were resumed here yesterday, after two days of quiet. The first cars on the Weeden and Prospect street lines were attacked with stones. Two employees were hurt by being struck with missiles. The arrival of a detachment of infantry quickly put an end to the trouble.

Explosion Kills Four.

Johnstown, Pa., June 20.—The coaling mill of the Cambria powder mills plant, at Seward, fifteen miles from here, blew up yesterday afternoon, killing three men and injuring five others, one of who has since died. Two others are fatally hurt. The dead: J. B. Smith, Charles Drover, John Rhodes and W. F. Bracken.

New Bills For Old Ones.

Not every one is aware of just what the United States treasury will do for a person with soiled currency. If any one has such bills, in no matter how small quantity, and wishes to get brand new bills, all he has to do is to go down to the treasury and hand the old currency over the counter. The government will hand him in return new bills of any desired denomination. Perhaps under a strict interpretation of the law the government clerk might refuse certain bills on the plea that they were still fit for circulation, but in practice the government is inclined to be very obliging, and, unless the supply of clean money on hand should happen to be temporarily short, the clerk will without hesitation hand over perfectly new and unfolded bills in return for money which has been folded possibly only a very few times.

As a matter of fact a vast amount of money is turned in which could not have circulated among more than half a dozen hands. But it is all redeemed and the new currency issued in exchange. The treasury supplies the new cash, too, without any expense, no matter if millions are to be exchanged.—New York Times.

Didn't Fear His Dead Patients.

There is a doctor of the old school in one of the New England villages near Randolph, Mass., whose house is surrounded by a cemetery. The cemetery is behind the house and comes up flush with the road on either side, running off to east and west for an eighth of a mile. Some people might find such a house too doleful, and surely the neighbors are not lively. But that thought never troubled the villagers so much as the prospect of going home at night. In the country towns of New England the graveyard at night is still a thing of terror, an inherited terror. There are still towns where all the graves are dug on a line running due east and west, with the footstones toward the east so that the dead may rise face to face with the Judge on the last day. So the doctor is often asked the question, "Are you not afraid to go home sometimes at night?"

And his answer is always the same: "No. My neighbors will never trouble me. They all owe me money."—New York Tribune.

One Way to Cut Brass.

To cut sheet brass chemically the following method meets with great success: Make a strong solution of bichloride of mercury in alcohol. With a quill pen draw a line across the brass where it is to be cut. Let it dry on, and with the same pen draw over this line with nitric acid. The brass may then be broken across like glass cut with a diamond.

Gold Pens.

The first gold pens in this country were all manufactured by hand, the gold being cut from strips of the metal by scissors and every subsequent operation being performed by hand. These handmade gold pens cost from \$5 to \$20 and were far inferior to the machine made article of the present day.

Of what does a bad taste in your mouth remind you? It indicates that your stomach is in bad condition and will remind you that there is nothing so good for such a disorder as Chamberlain's Stomach and Liver Tablets after having once used them. They cleanse and invigorate the stomach and regulate the bowels. For sale at 25 cents per box by Kiesau Drug Co.

How to Avoid Trouble.

Now is the time to provide yourself and family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed before the summer is over, and if procured now may save you a trip to town in the night or in your busiest season. It is everywhere admitted to be the most successful medicine in use for bowel complaints, both for children and adults. No family can afford to be without it. For sale by Kiesau Drug Co.

Good Advice.

The most miserable beings in the world are those suffering from dyspepsia and liver complaint. More than seventy-five per cent of the people in the United States are afflicted with these two diseases and their effects: such as sour stomach, sick headache, habitual constipation, palpitation of the heart, heartburn, water-brash, gnawing and burning pains at the pit of the stomach, yellow skin, coated tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, etc. Go to your druggist and get a bottle of August Flower for 75 cents. Two doses will relieve you. Try it. Get Green's special almanac. A. H. Kiesau.

Was Wasting Away.

The following letter from Robert R. Watts of Salem, Mo., is instructive. "I have been troubled with kidney disease for the last five years. I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." A. H. Kiesau.

Whoooping Cough.

My little son had an attack of whooping cough and was threatened with pneumonia; but for Chamberlain's Cough Remedy we would have had a serious time of it. It also saved him from several severe attacks of croup.—H. J. Strickfaden, Editor World-Herald, Fair Haven, Wash. For sale by Kiesau Drug Co.

Spring Fever.

Spring fever is a rather name for biliousness. It is more serious than most people think. A torpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torrid liver every spring for years," writes R. M. Eversly, Mountville, W. Va. "They do me more good than anything I have ever tried." The Kiesau Drug Co.

Read it in His Newspaper.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkzeitung. He knows that this paper aims to advertise only the best in its columns and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by Kiesau Drug Co.

Interested to Asthma Sufferers.

Daniel Baute of Ottumwa, Iowa, writes, "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all. A. H. Kiesau.

For biliousness use Chamberlain's Stomach and Liver Tablets.

Chronic bronchial troubles and summer coughs can be quickly relieved and cured by Foley's Honey and Tar. A. H. Kiesau.

Virulent Cancer Cured.

Startling proof of a wonderful advance in medicine is given by Druggist G. W. Roberts of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve exerts its matchless healing power, blood diseases, skin eruptions, eczema and sores vanish. Bitters 50 cents, salve 25 cents at the Kiesau Drug Co.

Leads Them All.

"One minute Cough Cure beats all other medicines I ever tried for coughs, colds, croup and throat and lung troubles," says Dr. Scott Curran of Logan, Pa. One minute Cough Cure is the only absolutely safe cough remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for grip, bronchitis, coughs. The Kiesau Drug Co.

A Good Thing.

German Syrup is the special prescription of Dr. A. Boschee, a celebrated German physician, and is acknowledged to be one of the most fortunate discoveries in medicine. It quickly cures coughs, colds and all lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test for years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two million bottles sold annually. Boschee's German Syrup was introduced in the United States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. G. T. Green's special almanac. A. H. Kiesau.

Filthy Temples in India.

Sacred cows often defile Indian temples, but worse yet is a body that is polluted by constipation. Don't permit it. Cleanse your system with Dr. King's New Life Pills and avoid untold misery. They give lively and active bowels, good digestion, fine appetite. Only 25 cents at the Kiesau Drug Co.

Warning.

If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. A. H. Kiesau.

Happy Time in Old Town.

"We felt very happy," writes R. N. Beville of Old Town, Va., "when Bucklen's Arnica Salve wholly cured our daughter of a bad case of scald head. It delights all who use it for cuts, corns, burns, bruises, boils, ulcers, eruptions, infallible for piles. Only 25 cents at the Kiesau Drug Co.

Parents' Responsibility

Great

It is the right of every child to be well born, and to the parents it must look for health and happiness. How inconceivably great is the parents' responsibility, and how important that no taint of disease is left in the blood to be transmitted to the helpless child, entailing the most pitiable suffering, and marking its little body with offensive sores and eruptions, catarrh of the nose and throat, weak eyes, glandular swellings, brittle bones, white swelling and deformity.

How can parents look upon such little sufferers and not reproach themselves for bringing so much misery into the world? If you have any disease lurking in your system, how can you expect well developed, healthy children? Cleanse your own blood and build up your health, and you have not only enlarged your capacity for the enjoyment of the pleasures of life, but have discharged a duty all parents owe to posterity, and made mankind healthier and happier.

There is no remedy that so surely reaches deep-seated, stubborn blood troubles as S. S. S. It searches out even hereditary poisons, and removes every taint from the blood, and builds up the general health. If weaklings are growing up around you, right the wrong by putting them on a course of S. S. S. at once. It is a purely vegetable medicine, harmless in its effects, and can be taken by both old and young without fear of any bad results.
