

HOUSE FIXES RULE IN ISLES

Passes Substitute for Senate Philippine Bill.

McCALL VOTES WITH DEMOCRATS

Measure Provides for Civil Self-Government When Peace is Established. House Votes for Panama Canal Bill and It Now Goes to President.

Washington, June 27.—At 8 o'clock last night, at the end of a nine hours session and of a debate lasting night and day for a week, the house passed the Philippine civil government bill practically as it came from the committee. It was a party vote—141 to 97—with the exception of McCall, who voted with the Democrats. The minority substitute, for the establishment of a temporary government in the islands and their permanent independence as soon as a stable government could be established, was defeated by 95 to 156. The debate during the day was at times of a lively character. The Democrats offered a multitude of amendments, but all were voted down, including one offered by Patterson (Tenn.), to prohibit slavery or involuntary servitude in the islands. The greatest interest attached to an amendment offered by McCall (Rep., Mass.), to the end that the bill declare the policy of the United States to be to develop the capacity of the Filipinos for self government and pledging the faith of the United States to grant them self government. He supported the amendment in an eloquent speech and the Democrats challenged their political adversaries to declare their future policy. Grosvener (O.) and Cooper (Wis.) said it would be unwise to mortgage the future by making such a declaration now and the latter quoted Governor Taft as saying that such a promise now would tend to prevent the pacification of the islands. The amendment was lost—89 to 128. It was a strict party vote, except for McCall and Littlefield, who voted with the Democrats for the amendment.

Local Rule to Follow Peace. The substitute for the senate Philippine civil government bill differs from the bill as it passed the senate in many minor particulars, but principally in the following: The house substitute provides for a complete system of civil government, with a legislature to consist of two houses, one of which shall be a popular assembly elected by the Filipino people. The legislature is to be chosen after the existing insurrection in the Philippines shall have ceased and complete peace shall have been established therein and the fact certified to the president by the Philippine commission.

The house measure also defines with greater detail than the senate the rights of citizenship of those residing in the islands, and provides that all residents shall receive the same protection from the United States in respect to their relation with foreign governments as is accorded to citizens of the United States. One of the most important differences between the house and senate bills is that relating to coinage. The senate provided a silver standard somewhat in extension and perfection of that now in existence. The house measure provides a gold standard system, with the gold dollar of the United States as the standard unit of value for the islands. The main coin is to be the peso, made in silver, but of a gold value, and this is to be divided into subsidiary pieces of money bearing devices emblematic of American sovereignty. Provision is also made for a system of paper currency and for a complete financial system.

In dealing with the grant of franchises, the house bill places many more restrictions on such grants than the senate bill. In this respect the restrictions provided by the house follow the lines of those provided for Porto Rico. Both bills provide for acquiring the friar lands and for the issue of bonds sufficient to pay for the lands, the senate provision making the interest rate 4 1/2 per cent and the house 5 per cent. Both measures contain extended provisions relative to the timber lands, harbor and internal improvements, and for two delegate commissioners chosen by the Filipino people to represent them in Washington and have the privilege of the floor of the house.

House Votes for Panama Route. Before the consideration of the Philippine bill was resumed, the house by a vote of 352 to 3 adopted the conference report on the isthmian canal bill, thus accepting in toto the senate bill. The bill now goes to the president.

Heppburn moved the adoption of the conference report. He reiterated his statement that he had not changed his opinion that the house measure was wiser than the senate bill. He also favored the Nicaragua route, but despite all defects the house conferees were convinced that it was better to do something than have no legislation at all. The following votes were cast in the negative: Ball (Tex.), Bell (Colo.), Hay (Va.), Jones (Va.), Claude Kitchin (N. C.), Loud (Cal.), Neville, (Neb.) and Woods (Cal.).

The general committee of the different branches of the silk industry at Paterson declared against a general strike.

SUNDAY SCHOOL WORKERS MEET

Tenth International Convention Opens Auspiciously at Denver.

Denver, June 27.—The tenth International Sunday School convention opened its first session at Trinity M. E. church last night. The auditorium was decorated with American and British flags. The greater part of the time was devoted to welcoming speeches and responses. A. B. McCrillis of Providence presided in place of President Hoke Smith of Atlanta, who was detained at home by illness. S. H. Atwater, president of the Colorado State Sunday School association; ex-Mayor Henry V. Johnson, chairman of the local committee, and Rev. B. B. Tyler, president of the Ministerial alliance of Denver, welcomed the delegates. The response was made by Vice President McCrillis.

After the announcement of the nominating committee, F. F. Belsey, chairman of the Sunday School union of London, was introduced. As he stood upon the platform the audience rose and sang "God Save the King," following it with "America." The compliment was acknowledged by Mr. Belsey, who extended the greeting of his countrymen to the convention.

UNDESIRABLE PEOPLE COMING.

Number of Deportations Is Greatly Increased.

New York, June 27.—There has been an increase in the number of undesirable emigrants coming to this country within the last two months.

In consequence the number of deportations by the bureau of immigration at this port has greatly increased. Last year 1,101 were deported in May and June. Since May 1, this year, the number of deportations has been 1,742.

The immigration officials also have observed that there are more aged persons among the immigrants than formerly. More than half of those who are coming here are unable to read and write.

CHICAGO GRAIN AND PROVISIONS

Features of the Day's Trading and Closing Quotations.

Chicago, June 26.—Grain speculation experienced something of a severe test from the bear to the bull side today. All markets started out weak and were depressed into a position where they could be raised easily. The raid came under the direction of the big corn bulls and prices switched about violently. An Encouraged King of England.

Writing of Prince Albert in an article in the Century on "The Royal Family of England," Professor Oscar Browning says:

From the first the prince identified himself with the queen in all her labors. They had one mind and one soul. Rising every morning with the dawn, the prince went into his workroom, where their two tables stood side by side, and read all their correspondence, arranging everything for the queen's convenience when she should arrive. He knew all her thoughts and assisted all her actions, yet so adroit and self sacrificing was his conduct that all the merit and popularity came to her. The people had no idea that he interfered with public affairs, yet had they reflected they must have known that it was inevitable. Once during the Crimean war, when the notion got abroad that the prince had intervened, there were tales of treason and of sending him to the tower. Yet on the day of the prince's death, on that cold, leebound Saturday, Charles Kingsley said to the present writer, "He was king of England for twenty years, and no one knew it."

Druggists' Colored Bottles.

Those huge glass bulbs of red and yellow and blue water which are called show bottles are gradually ceasing to be a feature of the decoration of druggists' windows. In the past they were as necessary to every druggist as a red and white pole is to a barber shop, but they have not, as the pole has, a well defined history. All that druggists know of them is that they have been always used as window ornaments. The brilliant liquids that they contain are made cheaply and plainly of chemicals and water. Thus a solution of copper and ammonia makes blue. Bichromate of potash makes orange. Aniline dyes have of late been used in the chemicals' place, but the liquids fade in a strong sunlight and have frequently to be renewed. The liquids colored chemically, on the other hand, last well high forever.—Philadelphia Record.

He Ran.

Sol Smith Russell had three young nieces living in the west, of whom he was very fond. On one occasion, so the story goes, he took the youngest of them for a walk and bought her some candy on the agreement that it was not to be eaten until they reached her home. They started, but before they had gone far the little girl proposed, "Let's run!" Her uncle declined, and there was long pleading, all to no purpose. Finally the little girl stopped, knelt down on the pavement and offered up the petition, "Dod, please make Uncle Sol run."

"It was simply a question of my losing my dignity or my losing her faith in God," said Mr. Russell in relating the incident, "so we ran as fast as we could for home."

A Narrow Escape.

"Bingle tells me that he had two horses killed under him in one of the battles of the last war."

"That's right. A railway car he was riding in backed into them."—Cleveland Plain Dealer.

Retort Courteous.

"Hair's getting a bit gray, sir," remarked the barber as the next victim settled back in the chair.

"No wonder," rejoined the N. Y. "Just think how long I have been waiting."

Ten Years in Bed.

R. A. Gray, J. P., Oakville, Ind., writes, "For ten years I was confined to my bed with disease of my kidneys. It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until Foley's Kidney Cure was recommended to me. It has been a Godsend to me." A. H. Kiesau.

Rounds out the hollow places; smooths out lines that creep about one's face; woos roses back to faded cheeks. That's what Rocky Mountain Tea does. A. H. Kiesau.

During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. A. H. Kiesau.

Ready to Yield.

"I used DeWitt's Witch Hazel Salve for piles and found a certain cure," says S. B. Meredith, Willow Grove, Del. Operations unnecessary to cure piles. They always yield to DeWitt's Witch Hazel Salve. Cures skin diseases, all kinds of wounds. Accept no counterfeits. The Kiesau Drug Co.

Saved From an Awful Fate. "Everybody said I had consumption," writes Mrs. A. M. Shields, of Chambersburg, Pa. "I was so low after six months of severe sickness, caused by hay fever and asthma, that few thought I could get well, but I learned of the marvelous merit of Dr. King's New Discovery for consumption, used it and was completely cured." For desperate throat and lung diseases it is the safest cure in the world, and is infallible for coughs, colds and bronchial affections. Guaranteed bottles 50 cents and \$1.00. Trial bottles free at the Kiesau Drug Co.

No good health unless the kidneys are sound. Foley's Kidney Cure makes the kidneys right. A. H. Kiesau.

Drying preparations simply develop catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c size. Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

Whooping Cough.

My little son had an attack of whooping cough and was threatened with pneumonia; but for Chamberlain's Cough Remedy we would have had a serious time of it. It also saved him from several severe attacks of croup.—H. J. Strickfaden, editor World-Herald, Fair Haven, Wash. For sale by Kiesau Drug Co.

Spring Fever. Spring fever is another name for biliousness. It is more serious than most people think. A torpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow.

Read it in His Newspaper. George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. The valuable liniment is for sale by Kiesau Drug Co.

Interesting to Asthma Sufferers. Daniel Bante of Otterville, Iowa, writes, "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all." A. H. Kiesau.

For biliousness use Chamberlain's Stomach and Liver Tablets. They cleanse the stomach and regulate the liver and bowels, effecting a quick and permanent cure. For sale by Kiesau Drug Co.

Chronic bronchial troubles and summer coughs can be quickly relieved and cured by Foley's Honey and Tar. A. H. Kiesau.

Virulent Cancer Cured.

Startling proof of a wonderful advance in medicine is given by Druggist G. W. Roberts of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve exerts its matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish. Bitters 50 cents, salve 25 cents at the Kiesau Drug Co.

Leads Them All. "One minute Cough Cure beats all other medicines I ever tried for coughs, colds, croup and throat and lung troubles," says Dr. Scott Curran of Loganton, Pa. One minute Cough Cure is the only absolutely safe cough remedy which acts immediately. Mothers every-where testify to the good it has done their little ones. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for grip, bronchitis, coughs. The Kiesau Drug Co.

A Good Thing. German Syrup is the special prescription of Dr. A. Boschee, a celebrated German physician, and is acknowledged to be one of the most fortunate discoveries in medicine. It quickly cures coughs, colds and all lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test for years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two million bottles sold annually. Boschee's German Syrup was introduced in the United States in 1863, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. Get Green's special almanac. A. H. Kiesau.

Filthy Temples in India. Sacred cows often defile Indian temples, but worse yet is a body that's polluted by constipation. Don't permit it. Cleanse your system with Dr. King's New Life Pills and avoid untold misery. They give lively livers, active bowels, good digestion, fine appetite. Only 25 cents at the Kiesau Drug Co.

Warning. If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. A. H. Kiesau.

Happy Time in Old Town. "We felt very happy," writes R. N. Beville, Old Town, Va., "when Bucklen's Arnica Salve wholly cured our daughter of a bad case of scald head. It delights all who use it for cuts, corns, burns, bruises, boils, ulcers, eruptions. Infallible for piles. Only 25 cents at the Kiesau Drug Co.

Was Wasting Away. The following letter from Robert R. Watts, of Salem, Mo., is instructive. "I have been troubled with kidney disease for the last five years. I lost flesh and never felt well and doctors with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." A. H. Kiesau.

GATARRH

The treatment of Catarrh with antiseptic and astringent washes, lotions, salves, medicated tobacco and cigarettes or any external or local application, is just as senseless as would be kindling a fire on top of the pot to make it boil. True, these give temporary relief, but the cavities and passages of the head and the bronchial tubes soon fill up again with mucus.

Taking cold is the first step towards Catarrh, for it checks perspiration, and the poisonous acids and vapors which should pass off through the skin, are thrown back upon the mucous membrane or inner skin, producing inflammation and excessive flow of mucus, much of which is absorbed into the blood, and through the circulation reaches every part of the system, involving the Stomach, Kidneys and other parts of the body. When the disease assumes the dry form, the breath becomes exceedingly foul, blinding headaches are frequent, the eyes red, hearing affected and a constant ringing in the ears. No remedy that does not reach the polluted blood can cure Catarrh. S. S. S. expels from the circulation all offensive matter, and when rich, pure blood is again coursing through the body the mucous membranes become healthy and the skin active, all the disagreeable, painful symptoms disappear, and a permanent, thorough cure is effected. S. S. S. being a strictly vegetable blood purifier does not derange the Stomach and digestion, but the appetite and general health rapidly improve under its tonic effects. Write us about your case and get the best medical advice free. Book on blood and skin diseases sent on application.

What does a bad taste in your mouth remind you? It indicates that your stomach is in bad condition and will remind you that there is nothing so good for such a disorder as Chamberlain's Stomach and Liver Tablets after having once used them. They cleanse and invigorate the stomach and regulate the bowels. For sale at 25 cents per box by Kiesau Drug Co.

A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. The Kiesau Drug Co.

Whence comes this mighty, far reaching power that enables Rocky Mountain Tea to make such wonderful cures? Try it and see. A. H. Kiesau.

Good Advice. The most miserable beings in the world are those suffering from dyspepsia and liver complaint. More than twenty-five per cent of the people in the United States are afflicted with these two diseases and their effects: such as sour stomach, sick headache, habitual constiveness, palpitation of the heart, heartburn, water-brash, gnawing and burning pains at the pit of the stomach, yellow skin, coated tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, etc. Go to your druggist and get a bottle of August Flower for 75 cents. Two doses will relieve you. "Try it. Get Green's special almanac. A. H. Kiesau.
