

HOUSE FIXES RULE IN ISLES

Passes Substitute for Senate Philippine Bill.

McCALL VOTES WITH DEMOCRATS

Measure Provides for Civil Self-Government When Peace is Established. House Votes for Panama Canal Bill and It Now Goes to President.

Washington, June 27.—At 8 o'clock last night, at the end of a nine hours' session and of a debate lasting night and day for a week, the house passed the Philippine civil government bill practically as it came from the committee. It was a party vote—141 to 97—with the exception of McCall, who voted with the Democrats. The minority substitute, for the establishment of a temporary government in the islands and their permanent independence as soon as a stable government could be established, was defeated by 95 to 156. The debate during the day was at times of a lively character. The Democrats offered a multitude of amendments, but all were voted down, including one offered by Patterson (Tenn.), to prohibit slavery or involuntary servitude in the islands. The greatest interest attached to an amendment offered by McCall (Rep., Mass.), to the end that he declare the policy of the United States to be to develop the capacity of the Filipinos for self government and pledging the faith of the United States to grant them self government. He supported the amendment in an eloquent speech and the Democrats challenged their political adversaries to declare their future policy. Grovernor (O.) and Cooper (Wis.) said it would be unwise to mortgage the future by making such a declaration now and the latter quoted Governor Taft as saying that such a promise now would tend to prevent the pacification of the islands. The amendment was lost—89 to 128. It was a strict party vote, except for McCall and Littlefield, who voted with the Democrats for the amendment.

Local Rule to Follow Peace.
The substitute for the senate Philippine civil government bill differs from the bill as it passed the senate in many minor particulars, but principally in the following:
The house substitute provides for a complete system of civil government, with a legislature to consist of two houses, one of which shall be a popular assembly elected by the Filipino people. The legislature is to be chosen after the "existing insurrection in the Philippines shall have ceased and complete peace shall have been established therein and the fact certified to the president by the Philippine commission."
The house measure also defines with greater detail than the senate the rights of citizenship of those residing in the islands, and provides that all residents shall receive the same protection from the United States in respect to their relation with foreign governments as is accorded to citizens of the United States. One of the most important differences between the house and senate bills is that relating to coinage. The senate provided a silver standard somewhat in extension and perfection of that now in existence. The house measure provides a gold standard system, with the gold dollar of the United States as the standard unit of value for the islands. The main coin is to be the peso, made in silver, but of a gold value, and this is to be divided into subsidiary pieces of money bearing devices emblematic of American sovereignty. Provision is also made for a system of paper currency and for a complete financial system.
In dealing with the grant of franchises, the house bill places many more restrictions on such grants than the senate bill. In this respect the restrictions provided by the house follow the lines of those provided for Porto Rico. Both bills provide for acquiring the friar lands and for the issue of bonds sufficient to pay for the lands, the senate provision making the interest rate 4 1/2 per cent and the house 5 per cent. Both measures contain extended provisions relative to the timber lands, harbor and internal improvements, and for two delegate commissioners chosen by the Filipino people to represent them in Washington and have the privilege of the floor of the house.

House Votes for Panama Route.
Before the consideration of the Philippine bill was resumed, the house by a vote of 352 to 4 adopted the conference report on the isthmian canal bill, thus accepting in toto the senate bill. The bill now goes to the president.

Heppner moved the adoption of the conference report. He reiterated his statement that he had not changed his opinion that the house measure was wiser than the senate bill. He also favored the Nicaragua route, but despite all defects the house conferees were convinced that it was better to do something than have no legislation at all. The following votes were cast in the negative: Ball (Tex.), Bell (Colo.), Hay (Va.), Jones (Va.), Claude Kitchin (N. C.), Loud (Cal.), Neville, (Neb.) and Woods (Cal.).

The general committee of the different branches of the silk industry at Paterson declared against a general strike.

SUNDAY SCHOOL WORKERS MEET

Tenth International Convention Opens Auspiciously at Denver.

Denver, June 27.—The tenth international Sunday School convention opened its first session at Trinity M. E. church last night. The auditorium was decorated with American and British flags. The greater part of the time was devoted to welcoming speeches and responses. A. B. McGrills of Providence presided in place of President Hoke Smith of Atlanta, who was detained at home by illness. S. H. Atwater, president of the Colorado State Sunday School association; ex-Mayor Henry V. Johnson, chairman of the local committee, and Rev. B. B. Tyler, president of the Ministerial alliance of Denver, welcomed the delegates. The response was made by Vice President McGrills.

After the announcement of the nominating committee, F. F. Belsey, chairman of the Sunday School union of London, was introduced. As he stood upon the platform the audience rose and sang "God Save the King," following it with "America." The compliment was acknowledged by Mr. Belsey, who extended the greeting of his countrymen to the convention.

An Uncrowned King of England.

Writing of Prince Albert in an article in the Century on "The Royal Family of England," Professor Oscar Browning says:

From the first the prince identified himself with the queen in all her labors. They had one mind and one soul. Rising every morning with the dawn, the prince went into his workshop, where their two tables stood side by side, and read all their correspondence, arranging everything for the queen's convenience when she should arrive. He knew all her thoughts and assisted all her actions, yet so adroit and self sacrificing was his conduct that all the merit and popularity came to her. The people had no idea that he interfered with public affairs, yet had they reflected they must have known that it was inevitable. Once during the Crimean war, when the notion got abroad that the prince had intervened, there were tales of treason and of sending him to the tower. Yet on the day of the prince's death, on that cold, icebound Saturday, Charles Kingsley said to the present writer, "He was king of England for twenty years, and no one knew it."

Whoooping Cough.

My little son had an attack of whooping cough and was threatened with pneumonia, but for Chamberlain's Cough Remedy we would have had a serious time of it. It also saved him from several severe attacks of croup. H. J. Strickland, editor World-Herald, Fair Haven, Wash. For sale by Kiesau Drug Co.

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. A torpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never grip. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Monticello, W. Va. "They do me more good than anything I have ever tried." The Kiesau Drug Co.

On the first indication of kidney trouble, stop it by taking Foley's Kidney Cure.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to do only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by Kiesau Drug Co.

Interesting to Asthma Sufferers.

Daniel Bante of Otterville, Iowa, writes, "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all. A. H. Kiesau.

For biliousness use Chamberlain's Stomach and Liver Tablets. They cleanse the stomach and regulate the liver and bowels, effecting a quick and permanent cure. For sale by Kiesau Drug Co.

Chronic bronchial troubles and summer coughs can be quickly relieved and cured by Foley's Honey and Tar. A. H. Kiesau.

Virulent Cancer Cured.
Startling proof of a wonderful advance in medicine is given by Druggist G. W. Roberts of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve exerts its matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish. Bitters 50 cents, salve 25 cents at the Kiesau Drug Co.

The following letter from Robert R. Waite, of Salem, Mo., is instructive. "I have been troubled with kidney disease for the last five years. CATARRH

The treatment of Catarrh with antiseptic and astringent washes, lotions, salves, medicated tobacco and cigarettes or any external or local application, is just as senseless as would be kindling a fire on top of the pot to make it boil. True, these give temporary relief, but the cavities and passages of the head and the bronchial tubes soon fill up again with mucus.

Taking cold is the first step towards Catarrh, for it checks perspiration, and the poisonous acids and vapors which should pass off through the skin, are thrown back upon the mucous membrane or inner skin, producing inflammation and excessive flow of mucus, much of which is absorbed into the blood, and through the circulation reaches every part of the system, involving the Stomach, Kidneys and other parts of the body. When the disease assumes the dry form, the breath becomes exceedingly foul, blinding headaches are frequent, the eyes red, hearing affected and a constant ringing in the ears. No remedy that does not reach the polluted blood can cure Catarrh. S. S. S. expels from the circulation all offensive matter, and when rich, pure blood is again coursing through the body the mucous membranes become healthy and the skin active, all the disagreeable, painful symptoms disappear, and a permanent, thorough cure is effected. S. S. S. being a strictly vegetable blood purifier does not derange the Stomach and digestion, but the appetite and general health rapidly improve under its tonic effects. A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends advised me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. The Kiesau Drug Co.
