After 120 Years.

There is something about independence day that appeals to everyone. It is a day of enthusiasm and the spirit of the occasion enters and agitates the breasts of all. After the first joy that the day brought to the patriots of '76 it has continued in the highest estimation of the American people.

It would seem that it would be impossible to inspire the same enthusiasm on any other day.

The 1st, the 5th or the 25th of July could not be made to contain the patriotic sentiments that characterized the 4th. It is the one date on the calendar that means most to the patriotic spirit.

That glorious day is tomorrow and it promises to be celebrated as never before, in all parts of the country. The spirit is high and the pleasure of observing the natal day is in no wise diminished from what it was generations ago.

By virtue of an order of sale issued and directed to me by the clerk of the district court of Madison county, Nebraska, upon a decree of foreclosure rendered by the district court of Madison county, Nebraska, on the 31st day of March, 1902, in favor of Peter Hopley for the sum of \$1052.50 with interest thereon from March 31, 1902, at 8 per cent per annum, together with \$15.98, costs of suit, and accruing costs, in an action, wherein Peter Hopley is plaintiff, and M. R. Morris, S. R. Roszell, Mrs. S. R. Roszell, Emiretta Younst and William Younst are defendants, I will offer the premises described in said decree and taken as the property of said defendants, to-wit:

The north-east quarter (ne 1/4) of section nineteen (19) in township twenty-three (23) north of range one (1), west of the 6th p. m., in Madison county, Nebraska, for sale at public auction to the highest bidder for cash in hand on the 25th day of July, 1902, at the hour of one o'clock p. m., at the east front door of the court house at Madison in said county and state, that being the building wherein the last term of said court was held, when and where due attendance will be given by the undersigned.

Dated this 25th day of June, 1902. J. J. CLEMENTS, Sheriff of said county.

year at this time everybody was howling for more rain and they failed to get it. From all of which it would appear that people are blessed hard to satisfy with regard to the weather.

Democratic congressmen who have known no limit to their vituperations regarding the army and the administration appear to make violent objections to even an intimation that they are not what they are cracked up to be. Any one as violent as they, should be very careful in the selection of language to express their thoughts.

Do you suppose it could be possible that because all of the Nebraska sugar factories are north of the Platte, the south Platte machinists are responsible for the effort being made to discredit the industry in Nebraska, and slap the Nebraska senators for their position on the question?

This section appears to have narrowly missed another heavy downpour last night, which leads to the belief that nature is inclined to smile kindly on Norfolk's celebration of the Fourth.

RIOTERS GIVEN A HEARING

Bound Over on Charge of Inciting Disturbances.

JUSTICES OF PEACE KEPT BUSY

Situation in Anthracite Region Grows More Tense—Bloodshed Narrowly Averted at William A. Colliery. First Break in Firemen's Ranks.

Wilkesbarre, Pa., July 3.—A number of justices of the peace in Luzerne county were kept busy yesterday in giving hearings to men charged with inciting and precipitating riots at coal mines. Deputy Sheriff Eckert brought four men from Freeland, charged with engaging in a riot at that place. The prisoners were taken before Magistrate Pollock for a hearing. A number of deputies testified that the prisoners gathered in the road leading to one of the mines and tried to intimidate some fellow employees.

One of the men pointed a revolver at one of the deputies. The riot act was then read, and the mob refusing to disperse the deputy sheriff and his posse put the ringleaders under arrest. The magistrate held the defendants in \$500 bail for trial. They could not furnish the bail and went to jail. County Detective Phillips went to the William A. colliery and placed seven of the Coal and Iron policemen on duty there under arrest. They are charged with shooting of the Italian whose body was found outside of the barricade. The officers were taken to Scranton and arraigned before Magistrate Howe, who held them in \$1,000 bail. The Wilkesbarre alliance made its first arrest yesterday. A member of the United Mine Workers, named William Weitzer, was arrested, charged with libelling merchants and others. There were fourteen counts against him. Magistrate Van Horn demanded \$7,000 bail. The defendant was unable to furnish the bond and was sent to jail. The alliance has offered \$5,000 reward for the arrest and conviction of boycotters.

There came near being a serious riot at the William A. colliery yesterday. Charles A. Brown, a mining engineer, was on his way to the mine, when he was threatened by a crowd of strikers. Brown pulled his revolver and fired in the air, whereupon the guard behind the barricade at the colliery came out and fired into the air, causing the foreigners to fall back. After it was thought the trouble had subsided Brown was arrested by Chief of Police Cosgrove of Duryea. He was taken before Burgess Burlingame, followed by a large crowd of angry Italians, and was held in \$5,000 bail for trial. The police say they found four revolvers on Brown. Being unable to furnish bail, Brown was removed to the county jail.

The first break in the ranks of the striking firemen occurred yesterday, when three former employees of the Kingston Coal company applied for work and were given their old places.

TELEPHONE STOCK IS BOUGHT.

Fight With Des Moines Girls Is, However, to Be Continued.

Des Moines, July 3.—The Mutual Telephone company, an independent system having nearly 2,000 subscribers, is no longer mutual except in name, most of the stock having been purchased by a private company composed of George M. Bandy of Perry, E. H. Martin of Webster City and Brenton brothers of Dallas Center.

Heretofore each subscriber was a stockholder, the company having been organized to compete with the Bell system. The sale was occasioned by the strike of the central girls, electricians and linemen. The new management has issued an ultimatum to the strikers, and the latter announce that the fight will be waged with greater determination than before.

Dickinson Talks at Cheyenne.

Cheyenne, Wyo., July 3.—General Manager Dickinson and Superintendent McKean of the Union Pacific are here looking over the strike situation. Mr. Dickinson said in an interview: "The shops in Cheyenne were not closed as a result of the feeling against Cheyenne, but owing to strike conditions, the same as the Omaha and Armstrong shops were closed. The citizens can rest assured that the shops will be rebuilt. The company has decided to inaugurate piecework on the entire system, even if it takes years to accomplish it, and will not recede from this decision. It will establish a system of pay which will enable men to earn more by conscientious work than by the time system."

Car Builders May Strike.

Omaha, July 3.—A material enlargement of the Union Pacific strike is likely here. Piecework is the bone of contention and the car builders and blacksmiths are the possible additions to the list of those who are on strike. A mass meeting was held last night and a committee appointed to see President Burt.
