

DISTRICT COURT BUSINESS.

Adjourned Session Held at Madison Yesterday.

TWO PENITENTIARY SENTENCES

John A. Stevens Gets Four Years for Attempted Assault—E. A. Lawrence is Sent Up for Fifteen Months, Forgery and Burglary Next Term.

An adjourned session of the March term of court was held in the court house at Madison yesterday with Judge Boyd on the bench. The interesting cases coming before the session were all from Norfolk. Two of the prisoners were given penitentiary sentences.

John Stevens, arrested in Norfolk early this spring for attempted criminal assault on one of the employes of the Oxnard was admitted to the presence of the court and pleaded guilty to the charge. He was given four years in the penitentiary.

E. A. Lawrence, formerly district manager for the Singer Manufacturing company, and lately an agent for the same company, pleaded guilty to the charge of embezzlement from his employers and was given a sentence of 15 months in the penitentiary.

L. I. Mills, held on the charge of forgery, entered the plea of not guilty and his bonds were reduced to \$1,000, under which he will be held to appear before the regular term of court in September. Mills was arrested June 26 for having cashed school warrants in the amount of about \$250 at the Norfolk National bank, it being alleged that the warrants were forged. The history of his arrest and the sensational developments in connection with the case are no doubt still fresh in the minds of Norfolk people.

William Howell, arrested for having robbed the house of Mrs. Louise Uckerman on South Second street on the afternoon of May 22, was also given an opportunity to enter a plea. He chose to stand trial at the regular September term and was remanded to jail to await that time.

The balance of the sitting was consumed in hearing equity cases and in the confirmation of sales. Norfolk's legal fraternity was well represented and the business of the court was dispatched with celerity.

Dr. and Mrs. Sotherland of Grand Island, who have been visiting their daughter, Mrs. W. Z. King, returned home yesterday. Mrs. King and children accompanied them for a month's visit.

H. Tiltberg, whose decline from one time wealthy condition in this city to an inmate of the county poor farm was mentioned by THE NEWS not long ago, has been brought back to Norfolk by H. Loder and given work at the Trocadero.

The distressingly hot and sultry weather of yesterday came to a temporary end last night about 9 o'clock through the operation of a vigorous thunder

storm lasting several minutes. The rainfall was not heavy but laid the dust and cooled the atmosphere appreciably.

A boating party up the Northfork was given last evening for Miss Wert, Miss Cleveland and Miss Olney, who are visiting Miss Wilkinson. Picnic supper was served about 7 o'clock and the shower a short time later caught the party on their return, drenching them thoroughly.

Martha Howard, the second daughter of Mr. and Mrs. Edgar Howard of Columbus, died at the family home in that city Monday, after an illness of but a few days, and was buried Wednesday. Mr. and Mrs. Howard have the sympathy of the newspaper fraternity of the state in their affliction.

Fifteen members of the Rebekah lodge called on Mr. and Mrs. Bert Thomas at the hospital for the insane last evening and spent several hours in a highly enjoyable manner. They took with them ice cream and cake and the refreshments were given appreciative attention during the evening.

A Lincoln youth of 15 summers has brought suit for \$10,000 damages against the Lincoln Traction company, alleging that he was damaged in that sum by reason of the humiliation he sustained by being put off of a street car and afterwards caught and taken to headquarters and compelled to pay double fare while a gaping, interest-moored looked on.

The heat record for the season was broken again yesterday, Dr. Salter's government thermometer registering 94 as the maximum. There was scarcely any breeze from early in the afternoon until the storm came up in the evening and the heat and sultriness of that time were most unbearable. Relief came with the storm and the people were enabled to put in a fairly comfortable night.

F. H. Newell, representing the United States on the irrigation question has asked that localities be pointed out that may be helped by reservoirs in a small way. They are already informed on most of the large projects but desire suggestions on the others. The McCook Tribune urges the people of that section to bestir themselves and derive a benefit from the recent appropriation.

Base ball has filled in a season in Norfolk this summer that is ordinarily void of events of public interest. It has furnished food for gossip, the cranks discussing the features and games from the time one is played until another date is opened, while those who see nothing in the game have had their pleasure of dilating upon the foolishness, if not the immoral trend of the people who do. Norfolk fans have never experienced a more enjoyable base ball season than the present. Good games have generally been provided, the team work is fine and entertaining, and the members of the team are gentlemanly, cheerful fellows whom it has been a pleasure to have in town.

The Landers and Smiths, on South Fourth street, are having all sorts of trouble. They have quarreled and their disagreement got into court. Early this morning Mrs. Landers came to the police and complained that the Smith children were broken out with smallpox and not quarantined. So a physician was sent down to investigate. He found that something had unquestionably broken out. But it was nearer buckwheat cakes or malicious words than it was the smallpox, so the matter dropped. Then the Smith people swore out a complaint against Mrs. Landers' daughter on the charge of disturbing the peace and using unpretty language, which annoyed the Smiths. The arrest will be made today and there will probably be something doing in police court tomorrow.

"THE CHRISTIAN."

Caine's Drama to be Presented September 5 for Benefit Club House.

September 5 is the date set for the presentation of the home production of Hall Caine's play, "The Christian," which will be given under the personal direction of Rev. Franklin Baker, assisted by Miss Esther Mason.

The committee having in charge the disposal of the lot for the club house has decided to take in hand the entertainment and will charge \$1 a seat for the performance, no seats being sold for less than that amount at the door. The lot will be disposed of on the night of the entertainment and each person holding a ticket will be given an opportunity to become the owner of the lot.

The committee hopes to realize a considerable sum in this manner and as the object is a worthy one there should be a large demand for tickets. This, combined with the fact that the entertainment will be a good one and that the lot will be given to one of the ticket holders, should result in filling the Auditorium to its capacity.

The Great Parks of Colorado

Bear an important relation to the state in all her diversified interests. They constitute one of her chief glories. They are not, as many suppose, small areas of level ground closely hemmed in by neighboring hills, and beautiful with evergreens and flowers, but they are vast territories of country almost as large as some states. They contain fields, forests and plains, where the herds of the cattleman have succeeded the herds of buffalo; they are watered by creeks and rivers, and contain villages and farm houses; they have springs and lakes, where hotels and other places of entertainment have been built for settlers, for tourists, hunters, campers and others seeking remote places of resort in the heart of the Rocky mountains.

The low rates put in effect via the Union Pacific, enable you to reach these great parks without unnecessary expenditure of time or money.

The first tournament in the history of the association was held in that city—an event still alive in the memory of many of the old guard—and Grand Island not only royally entertained at that time but will outdo her former efforts this time. The citizens have liberally contributed for prizes, have secured a half fare rate on all railroads and will show all visitors a fine time. A fine program

Statement of Taxes Paid by the Fremont, Elkhorn & Missouri Valley Railroad Company to the Various Counties in Nebraska for the Year 1901, with Some Comparisons that may Prove Interesting.

(Issued Under Authority of the Railroads of Nebraska)

Table with columns: COUNTY, VALUATION, TAX PAID. Lists counties from Adams to York with their respective values and taxes.

The Fremont, Elkhorn & Missouri Valley Railroad is a railroad 1,362.84 miles in length, of which 983.95 are in the state of Nebraska.

It is not a trunk line, but one that depends upon the growth of the country immediately tributary to it for its business. The owners of this railroad hope that the prosperity of the country through which it runs will in time make it prosperous.

In 1900 this railroad received in gross earnings \$4,121,457.92. They paid for operating expenses 2,689,642.25. Net earnings 1,431,815.67.

This amount makes a net earning of \$1,050.53 per mile for the system, and they reported \$1,110.42 as such net earnings to the auditor of state in Nebraska, which it will be seen, gave this state credit for the increased amount received from business which originated on the branches in other states. Out of the \$1,431,815.67 they paid \$1,007,851.09 for interest on bonds outstanding, and \$181,599.74 was paid for taxes, which latter amount was equal to 12.7% of their net earnings.

No dividends were paid by this company, and during the years 1895, 1896 and 1897 there was a large deficit in the revenues.

In case the taxes on this road were paid on the Wisconsin basis of taxation, it would have been \$120.92 per mile, instead of \$152.95 in the state of Nebraska.

To make a fair comparison with this railroad it is necessary to select roads that do a similar business in other states, and the following table gives this result:

Table with columns: STATE, RAILROAD, Miles, Net Earnings per Mile, Total Tax Paid, Tax Per Mile, Per Cent. of Taxes to Net Earnings. Compares Fremont, Elkhorn & Missouri Valley Railroad with others like Green Bay & West'n., Bur., Cedar Rap. & N., M., K. & T. R. R., F., E. & M. V.
