

LEAVE NORFOLK WINNERS

Brownies Win the Last Before Their Trip.

COLUMBUS AGAIN DEFEATED.

Galaska Drops Fifteen Strike Outs, and Does Not Give a Hit in Five Innings—Team Work Entirely Satisfactory—Score 12 to 3.

From Saturday's Daily.

With fifteen strike outs to the credit of Galaska and but three safely located base hits against that same, the Brownies easily took the second from Columbus yesterday afternoon on a very wet ground with a final chalk mark of 12 to 3.

Even if Joe hadn't won his game in the box, the Wilkins' bunch would have taken it at the bat. They were right and pounded out an even dozen that were too hard to field. Nearly everyone found the cover. Agan smashed for two sacks and Johnson and Kennedy each got a couple. Until the sixth the visitors went out in one-two-three order, and nine of them had been handily dropped in their tracks.

In the seventh Baker of the Blues threw his ankle out and was replaced by Papa Fauble, jovial manager of the foreigners. He did his stunt well, too. Out of twice up he got a third of all the hits made and as big a fraction of the scores. When he got to first he would walk off to talk to the baseman. Then Galaska's arm would swing, the mit would chug and Papa Fauble, at full length on the ground, would grab the bag. Time after time this little comedy was repeated, and time after time the old man took a fall at the base, came bobbing up serenely and was safe.

Kennedy came to the field late, with a large, red, juicy apple in his coat pocket. When he came to look for it later, the silly thing had disappeared and he wondered where. As a general thing with Kennedy the joke is on the other fellow, but yesterday the tables were turned.

By innings:
Columbus.....0 0 0 0 2 1 0 0—3
Norfolk.....2 0 2 1 2 0 0 5*—12

Batteries, Galaska and Wilkins, Lohr and Judvine. Bases on balls: off Galaska 6, off Lohr 2. Struck out by Galaska 15, by Lohr 2.

Off the Bat.

Woodie will not join the crowd at Columbus as had been expected. He writes that he has a critically bad leg, received in a game against Creighton. It was lanced before he left, but does not improve.

Out of 40 games played, Norfolk has lost 14 and won 26. This makes a percentage of 650, which is larger than any Western League team. Creighton is the only team in north Nebraska which beats it, with 855.

The Brownies will leave tomorrow morning over the Union Pacific for a two weeks' trip west. Their first stop will be at Columbus. They will go as far as Cheyenne. Grand Island has been eliminated from the list because their manager is a scab in the labor troubles there.

The boys played good ball as they have all through the season. They are a good, clean bunch of fellows and on their trip will unquestionably be a credit to Norfolk. Wilkins always makes friends for himself and the team wherever he goes. Johnson, the fast little third baseman, is a jollier who can't be beat and puts ginger into the team all the while. Many a game has been won by that very thing, at a critical moment. Agan on first base is doing excellent work and will be a favorite. He has also been hitting niftily. Kennedy, of home run fame, is another coacher who is needed in the business. He lands on the ball and pulls in everything that comes his way. Jack Davey, the clever little short stop, always has been a favorite with the fans. His modest manner and his ability to play gilt edged ball always give him the glad hand. Wilkinson is an old timer and well known to Norfolk. He is playing mighty good ball. Byers and Graves are a pair of fielders who can't be beat. They are simply superb in their catches and will show up well. Galaska and Bucklin, the two star twirlers, ought to make a great tear. They have done fine work. Galaska is steady and reliable, as his 15 of yesterday show. Bucklin has any kind of a curve you want to order and will surprise some of them.

THE THIRD TIME.

Columbus Trounced in Three Straight Games.

Columbus, Aug. 18.—Special to THE NEWS: The Norfolk Brownies trounced the locals in an unmerciful contest here yesterday afternoon, pounding out 17 runs against two. Galaska was on the slab and pitched a beautiful game. The stick work of the Wilkins' bunch was good to see. Agan slammed out three home runs and three triples, Kennedy took three three-baggers, Davey got a home run and a three sacker, Galaska got a couple of the latter and they were all in all.

By innings:
Norfolk.....0 1 5 4 1 3 3 0 0—17
Columbus.....0 0 1 0 0 0 1 0 0—2

Batteries, Galaska and Wilkins, Dolan and Lohr.

Off the Bat.

The team is at Central City today.

Glenn Wilkins joined the team yesterday.

Woodie was unable to go on the trip on account of his bad leg.

"They will eat up everything on their trip," said the Columbus manager yesterday.

The wet weather and the late start has made the financial end of the business lag.

The Wilkins brothers will take charge of the High bowling alleys September 1. They will open the ball season early in Norfolk next year.

It was not Galaska's day to work, but a big crowd of his Humphrey townsmen took in the game, so Joe let the Pole pitch. And he did it well.

In a great, big, faring, red hand bill, the Minden club announces that "They Come! The Norfolk League, the strongest team to be seen on the diamond this year, will be here for Friday and Saturday."

We desire to express our heartfelt appreciation of the sympathy evidenced by Norfolk friends during the last rites for Mrs. Stubbs; also to return thanks for the beautiful flowers contributed for the occasion.

A Good Thing.

German Syrup is the special prescription of Dr. A. Boschee, a celebrated German physician, and is acknowledged to be one of the most fortunate discoveries in medicine. It quickly cures coughs, colds and all lung troubles of the severest nature, removing as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two million bottles sold annually. Boschee's German Syrup was introduced in the United States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. Get Green's special almanac. Asa. K. Leonard.

No Substitute Wanted.

No! I did not ask for a bottle any cheaper, or twice as large, or one made by yourselves. I did ask for and will not have any substitute for Perry Davis' Painkiller. I have used it, my father used it and I would not be surprised if my grandparents did so too; there is no imitation that can equal it. That I am sure of—for stomach ache. A. H. Kiesau.

Good Advice.

The most miserable beings in the world are those suffering from dyspepsia and liver complaint. More than seventy-five per cent of the people in the United States are afflicted with these two diseases and their effects: such as sour stomach, sick headache, habitual constipation, palpitation of the heart, heartburn, water-brash, gnawing and burning pains at the pit of the stomach, yellow skin, coated tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, etc. Go to your druggist and get a bottle of August Flower for 75 cents. Two doses will relieve you. Try it. Get Green's special almanac. Asa. K. Leonard.

No Longer Than Your Hand

is the spot in your back directly affected by lumbago. But it is big enough to prostrate you until a kind friend rubs Perry Davis' Painkiller into your aching flesh. Then the throbbing pain, which has been as bad as toothache, dies away. Painkiller is equally good in relieving sciatica and the various forms of rheumatism. 25 and 50c. bottles. A. H. Kiesau.

TOOK A SHINE.

Big Injun Wanted His Shoes Blacked Properly.

Civilization, cruel, unmerciful and indiscriminating, without regard to former environment and no respecter of persons, has with serpent-like silence and with the stealth of a fox, crept in through some unguarded spot upon this wild and weirdly woolly west of ours and clenched for itself a home for all time to come.

An Indian, tall, muscular and shy, long-haired, brown-skinned and bearing the marks of a tented existence, walked into a Norfolk barber shop this morning with all the characteristic courage of his warrior ancestors, stepped up to the colored individual who polishes boots and boldly asked for a shine. Half dazed at the very thought of the thing, the African instinctively opened wide his great, round eyes with sheer amazement; then, gradually convinced that his flat-footed customer meant business, drew forth his brushes and rags and boxes of paste, spread around a little of this and a little of that, struck up a rag-time ditty and produced a patent-leather polish upon the cow-hide kicks of his aboriginal patron. Meanwhile the rover of the prairies smoked a choice Havana and gazed about the room with remarkable unconcern, while his squaw, dignified and disinclined to talk, sat out on the front walk with two of the cutest little brownies that were ever rocked in a blanket, and waited for her brave. No wonder he won her. Many a white lacks as much of pride.

GARDNER DEFEATS ROOT.

Gets Verdict After Seventeen Rounds of Fast Fighting.

Salt Lake, Aug. 19.—George Gardner of Lowell, Mass., last night decisively defeated Jack Root of Chicago, who defeated him several months ago in San Francisco, by knocking him out in the seventeenth round of a fight remarkable for its speed and gameness under punishment shown by both men.

Gardner showed a knowledge of Root's weak spot, his stomach, and disregarding Root's punishing left jab, which found his face time and again, devoted his entire attention to Root's stomach. Gardner was very tired at times, but came up in the fifteenth and utterly disregarding Root's jabs on his cut and bleeding face, put his head between his shoulders, like Terry McGovern, and bored in. Root was in distress in an instant.

The end came in the seventeenth round. Gardner rushed his man to the ropes, planted his left and right to the stomach and the latter went down, gasping for breath. Root got up, only to go down again. The third time he struggled to his feet Gardner was on him like a flash. Working his right and his left like piston rods, Gardner fairly caved in Root's ribs and the latter sank slowly to his knees and rolled over on his back. He was not out, but plainly utterly unable to continue.

SCHWAB TO SEEK REST.

President of Steel Trust to Retire From All Business.

Loretta, Pa., Aug. 19.—President Charles M. Schwab of the United States Steel corporation has accepted the advice of his physicians and decided to retire indefinitely from an active business life. He will leave America to seek some quiet nook in a foreign clime, where not an echo of the strenuous life he has led can reach him. This information is authentic.

Dr. Golden never leaves the Schwab home and the exact nature of his patient's illness cannot be learned through him.

Mr. Schwab is not confined to his bed, but spends much of his time on the wide veranda, which affords fresh air and a sweeping view of the mountain slope. He is always with his wife or his physician. The strange part of Mr. Schwab's illness is that he is always within view of those who call at his house, yet he will not allow any person to approach him.

LOCAL TENNIS TOURNAMENT

Former Followers of the Sport Will Contest,

TROPHY CUPS FOR WINNERS.

Those Who Have Played This Season are Barred—Brownies Win Another from Columbus, Making it Four Straight—Play Central City Today.

A tennis tournament of the "has been's" is to be held in Norfolk. Among a number of the old time tennis enthusiasts who got together this morning it was decided that it would be good fun to pull off a tournament in which every one could stand an equal show and in which all lovers of the game could be interested.

In order to maintain a more perfectly even standard of play, it was determined that all persons who have played tennis this season will be barred from the tourney. Every one else is eligible to enter. The games will be played on the court at the corner of Norfolk avenue and Tenth streets and will begin as soon as drawing can be made. All names of contestants should be handed to J. C. Stitt, secretary of the tournament, before noon on Saturday, August 23. An entrance fee of 50 cents per player will be charged to defray expenses. This must accompany the name. Drawings will be made by a committee consisting of J. C. Stitt, Burt Mapes and Sol G. Mayer.

Teams in doubles will be selected by drawing. The names will be shaken up in a hat and drawn out by pairs to decide who shall play together. Matches in both singles and doubles will be made by lot.

Another rule of the meet is that no participant shall play any practice games, whatsoever, before his first match is called.

Tennis shoes must be worn on the courts. Fifteen minutes' grace will be given each player after his match is called, at the end of which a non-appearance will mean default.

Trophy cups will be presented to the winners in both singles and doubles.

With the lag in base ball during the trip of the team, this tourney will make something doing. Everyone who has ever played tennis is urged to enter and those who are at all timid should remember that no one who has played this year will be in the play. The time has been that excellent tennis was dished up by such men as J. C. Stitt, M. C. Hazen, Sol Mayor, W. H. Bucholz, E. H. Tracy, C. H. Reynolds, P. H. Salter, C. S. Parker, A. J. Durland, A. J. Koenigstein, R. B. Weller, Storrs Mathewson, Carroll Powers, Carl Davenport, Burt Mapes, M. C. Walker, F. G. Salter, J. B. Barnes, Warren Sisson, J. N. Bandick and others, and they are all permitted by the rules to enter.

All true sportsmen should come to the aid of this tennis revival in Norfolk.

Already Stitt, Mapes, Mayer, Parker, Bucholz and Salter have entered and many more have signified their good intentions.

Made it Four Straight.

Columbus, Aug. 19.—Special to THE NEWS: The one-time invincible Mr. Duffey, who struck out 15 of Norfolk's best batters in one game and handed them a bunch of horse collars, was batted into defeat here yesterday afternoon by Wilkins' Brownies in an exciting 5 to 2 performance. The Sugar City crowd made it four straight.

Bucklin did the twirling stunt for the visitors and was quite superior. His support was excellent, while that of Duffey was rather ragged in spots. Kennedy made a phenomenal one-handed stop and Jack Davey played a beautiful game.

Agan is still hitting the ball.

Central City today and Kearney tomorrow.

Johnson and Wilkinson played with St. Edwards yesterday. And they came mighty near being needed with their own gang.

It was Duffy who threw for Randolph in their 1 to 0 game against the locals. All of which goes to show that some pitchers are just as apt to lose as others, or a little more so.
