HIGH SCHOOL NOTES.

The monthly examinations were held today.

The girls basket ball team is progressing nicely in practice.

Hugh Gardner and Gene Huse have become modest concerning the development of their extremities and are having their pantaloons cut long. Indications are that if a lunch

counter and candy and fruit stand was established in school it would enjoy a profitable patronage between hours from the girls of the junior and senior

classes. The football team will play its first matched game of the season at Randolph tomorrow and it is likely that Assistant Principal P. C. McCoy will accompany them. Columbus is scheduled for a game here next week.

The line up of the foot ball team as now organized is : Miller, center ; Bovee and Stafford, guards; Elseffer and Hyde, tackles; Simms and Dingman, ends; Utter, quarter; Session and Carpenter, half backs; Perry full back.
