A Haughty Conclusion. A former Princeton man now living in Philadelphia tells of his only unpleasant encounter with Jimmy McCosh as an illustration of the beloved old tutor's innate kindness. When a student, he was lounging on his bed one afternoon, smoking. In response to a knock on the door he called out: "Who's there?" "It is I—Dr. McCosh," came the reply. "You're a liar!" answered the student, thinking one of his chums was trying to joke with him. "If you were really Dr. McCosh, you'd simply say, 'It is I.'"

From Frying Pan to Fire. A Loudonville man was dancing a quadrille when he heard his pants seams ripping, at which he rushed to a dressing-room, where his wife—good soul—was soon busy with needle and thread, he having first divested himself from his leg covering. Presently he heard the rustle of skirts and realized that he was up against the horrible proposition of being discovered in the ladies' dressing room, which he had entered by mistake. Appealing to his wife again, the excellent creature shoved him through what she supposed to be a closet door and turned the key. "Let me back! Let me back!" he screamed as he began pounding on the door. "I'm in the bathroom!" And he was—Ravena (O.) Republican.
