# ELECTIONS IN 42 STATES

In the east the main interest centered in the two great states of New York and Pennsylvania, in the latter Platt. because of the conditions brought about by the recent coal strike and in New York because of its bearing on the Democrats, and even more, for the the future of the party of the candi-

The first returns showed Repubenormous. Odell's plurality is placed at about 10,000. The Democrats made but as the night wore on estimates a very slight gain in the legislature, but not enough to injure the election to the Bronx with from 125,000 to 130, of a Republican successor to Senator Platt. The Democrats also made slight gains in the congressional elections, the unofficial figpres placing the delegation at 20 Republicans and

17 Democrats. In Pennsylvania, Samuel W. Pennypacker (Rep.) was elected governor by a plurality estimated at more than 450,000, while the legislature is overwhelmingly Republican. The Democrats elected two and possibly three of

the 32 congressmen. The indications in New Hampshire are that Nahem S. Bachelder, Republican candidate for governor, was elected over Henry F. Hollis (Dem.) by a plurality of at least 10,000. There was a heavy shrinkage from the vote of two years ago. The legislature is Republican in both branches by large majorities, ensuring a Republican successor to Senator Gallinger, who will probably succeed himself.

In the west, Kansas, Idaho and were storm centers because of the fight for United States senators, while in Ohio, Indiana, Illinois and several other states close congressional districts attracted much inter-

In Illinois, while official figures are lacking, there is every indication that the Republican ticket has been elected legislature, which will elect a successor to United States Senator Mason, will be safely Republican.

The Republicans in Connecticut mated to be at least 15,000, with the general assembly safely Republican on doint ballot.

In Maryland the election was only for congressmen, the Republicans electing four of the six members.

Virginia's election was confined to congressmen and the returns indicate that the Democrats have elected 9 of the 10, with one district doubtful. Tennessee rolled up a Democratic

majority for governor and the entire state ticket estimated at about 37,000. The legislature is also Democratic. In Michigan, the Republicans elect-

ed Governor Bliss and the entire state ticket, besides securing 11 of the 12 congressmen. The legislature is strongly Republican, thus assuring the election of ex-Secretary of War Alger to the United States senate.

In New Jersey there was no change In the present situation.

The results from the legislature in Delaware seem to be in doubt and a deadlock, as was the case two years ago, is a possibility.

ODELL WINS IN NEW YORK.

Re-Elected Governor With 10,000 Lead Over Coler.

New York, Nov. 5 - In spite of s plenomenally large vote in New York and Kings county for Bird S. Coler (Dem.), the returns indicate the reelection of Benjamin J. Coler's plural, STATUS OF THE NEXT SENATE ity in Greater New York exceeded 115,000, a surplus of 30,000 above the claim made by Charles F. The Democrats made gains in the state legislature, but the gains were not sufficient to endanger the Republican hold on the seat in the United States senate, now held by Thomas C.

### REPUBLICANS IN KANSAS.

Their Entire State Ticket and Congressmen Are Elected.

Topeka, Nov. 5.-Kansas has gone Republican by at least 40,000 majority. The entire state ticket and the congressmen are elected. The Republicans will have 100 members of the legislature. The Democrats did not expect to elect their state ticket, but their candidate for governor, did not or, runs ahead of his ticket. A great lican candidate for treasurer, but he gained/enough from the Democrats Iowa Republican. to more than offset any disaffection in the Republican ranks. The Democrats had devoted most of their attention to the legislature. There was a factional fight among the Republicans for United States senator, which made it seem that the Democrats had a good chance to carry the legislature. In a few counties they made gains, but the Republican majority in that body will be about the same as last year. Returns from over the state show that by a good majority and that the next the Republican county officers were generally elected. It was the most complete Republican victory since the days before Populism. Republicans Will Have About 70,000 Plurality in State.

Des Moines, Nov. 5 .- On the basis of the precinct returns received the republicans have elected their state ticket by about 75,000 plurality. The reports from the congressional districts are meager. Enough has been received from the Third to indicate that Judge Birdsall, nominated by the Republicans to succeed David B. State Ticket Elected. Detroit, Nov. 5 .- The Republicans of Michigan have elected Governor A. T. Bliss and their entire state ticket, 11 of the 12 congressmen and an overwhelming majority of the members of the legislature. The vote was light throughout the state and the Republican majority is estimated at between 30,000 and 40,000, although Republican State Chairman G. J. Dickeman insists that it will be nearer 75,000, basing his statement on advices received from the various county chairmen. As was expected, Governor Bilss ran far behind his ticket, from 10,000 to 15, 000. L. T. Durand, the Democratic candidate for governor, polled a correspondingly heavy vote, especially in Detroit, which he carried by from 4.000 to 6.000

All indications point to the election of Alfred Lucking (Dem.) to congress from the First district. John B. Corliss, the present member, was cut deeply.

Pennsylvania.

Philadelphia, Nov. 5.-Yesterday for the first time in the history of the state more than 1,000,000 votes were cast in an election. Samuel W. Pennypacker (Rep.) was elected governor by an estimated plurality of 175,000 and the Republican ticket was generally successful in the various counties. The Democrats elected two and possibly three of the 32 congressmen. The legislature will be more strongly Republican than ever before, with the exception of the 1897 session, and it is certain that Boles Penrose will succeed himself in the United States senate.

Colorado. Denver, Nov. 5 .- Returns received from the state indicate the election of Peabody (Rep.), for governor, by a small plurality. The Democratic congressional candidates are claimed to have run ahead of their ticket and one of more of them may be elected. The legislature will undoubtedly be Democratic on joint ballot, as there are 17 Democratic holdover senators. This insures the return of Henry M. Teller to the United States senate.

Massachusetts. Boston, Nov. 5 .- Lieutenant Governor John L. Bates of Boston was elected governor by the Republicans in the state election yesterday, defeating William A. Gaston, the Democratic candidate by 37,439 plurality, the vote being: Bates (Rep.), 195,961; Gaston (Dem.), 158,482. The Republicans also elected the rest of the state ticket and 10 out of 14 congressmen. The state legislature remains unchanged.

Idaho.

Boise, Nov. 5.-Scattered returns, mostly from the southern part of the state, show Morrison (Rep.), for governor, running ahead of Hunt (Dem.). The vote in the Gentile precincts was heavily Republican. Definite figures will be very late.

Wyoming.

Cheyenne, Nov. 5 .- Returns from the state indicate that the entire Republican ticket is elected. Mondell (Rep.), for congress, will have 4,000 majority.

HON, HALE JOHNSON KILLED.

Prohibition Leader Shot by Harry Harris at Bogota, III.

Effingham, Ill., Nov. 5.-Hon, Hale Johnson, a Prohibition leader of national prominence and vice presidential candidate on the Prohibition ticket in 1896, was shot and killed by Harry Harris, at Bogota, a village in Jasper county. Mr. Johnson, who was practicing law at Newton, went to Bogota to collect an account on which judgment had already been rendered against Harris. An altercation occurred between Johnson and Harris at the Harris home, and the latter se cured a shotgun and fired at Johnson at close range, the charge striking Johnson in the face and causing instant death.

Harris committed suicide in the county jail by taking poison.

Texas.
