The Many Adventures of
FOXY GRANDPA
Including all the merry pictures contained in the two volumes, entitled "Adventures of Foxy Grandpa" and "Further Adventures of Foxy Grandpa."
Mr. Schulze said to me one day at lunch: "What do you think of a series of comic drawings dealing with a grand father and his two grandsons?"
"Let the grandfathers be the clever ones of the trio. In most of the other cases the young folk have been smarter than the old people upon whom they played their jokes. Let's reverse it."
The next morning he came to my office with sketches for half a dozen series, and with the name "Foxy Grandpa" in his hand.
The success of the series in the New York Herald was instantaneous, for who has not heard of "Foxy Grandpa" and "Bunny"?
The jolly old gentleman, dear to grown people as well as children, might almost be called the "Foxy Grandpa" of the nation.

"Uncle Josh Spruceby."
The realistic saw mill scene in "Uncle Josh Spruceby," the down east play, comes nearer to the genuine article than any of the many stage effects now before the public. In fact, so real is the 36 inch buzz saw, that one of the actors of the play had his right hand cut off at the wrist during a performance last season in Illinois. No play now-a-days is complete without something in the way of mechanical effects. "Uncle Josh Spruceby" lays claim to one of the most novel scenes of any piece on the road this season. A full and entirely practical saw-mill is placed upon the stage and appropriate scenery is used to make a superior stage picture. When the heroine is rescued from her perilous position at the climax of the act the hearty applause gives evidence of the appreciation of this acme of stage realism.
Farms rented for nonresidents. Collections made. Insurance written by Gardner & Seiler.

PARLIAMENT IS PROROGUED.
King Edward in His Message Refers to Venezuelan Affair.
London, Dec. 19.—Parliament was prorogued by the royal commission until Feb. 17.
The king's speech was an unusually lengthy recapitulation of public events since January, including the action taken in connection with Venezuela, regarding which the speech said:
"I regret that the constant complaints which my government found it necessary to address to the government of Venezuela in regard to unjustifiable and arbitrary acts against British subjects and property during the last two years have been persistently disregarded, and that it has become necessary for my government, acting in concert with that of his majesty, the German emperor, which has also serious cause for complaint against the republic, to insist on measures of redress."
The speech refers to the conclusion of the South African war, and adds: "There seems to be every reason to hope that material prosperity, greater than any the Transvaal and Orange River Colonies have yet experienced, may visit these regions and that all sections of the population may live together in friendship for each other and loyalty to the crown."
Paragraphs deal with the postponed coronation, the colonial conference and Secretary Chamberlain's tour, which together are expected to be of the "utmost value, both in respect to their immediate effect and as precedents in the future."
Pretender Gaining Ground.

Heavy rains impeded the progress of the imperial troops.

French Steamer on the Rocks.

She grounded on the rocks at the Mourillon arsenal and now lies in a dangerous position. On board the Modoc are the mails, 223 passengers for the East Indies and a number of sailors intended for the French warships on the China station.

Centric Man is Wealthy.

It is thought, in San Francisco.

What's in a Name?
Everything is in the name when it comes to Witch Hazel salve. E. C. DeWitt & Co. of Chicago, discovered, some years ago, how to make a salve from Witch Hazel that is a specific for piles. For blind, bleeding, itching and protruding piles exzema, cuts, burns, bruises and all skin diseases DeWitt's salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. The Kiesau Drug Co.
Do Not Be Afraid.
To look the facts squarely in the face. That cough, racking and persistent, accompanied by tightness in the chest and spitting of sticky mucus, is a sign of consumption. Common sense dictates the use of Allen's Lung Balm, an honest remedy, since it contains no opium; an efficient remedy, since it heals the irritated, inflamed throat and lungs, and so prevents a deep seated cold from running into incurable forms of consumption.
A kidney or bladder trouble can always be cured by using Foley's Kidney Cure in time.
A Million Voices
Could hardly express the thanks of Homer Hall, of West Point, Ia. Listen why: A severe cold had settled on his lungs, causing a most obstinate cough. Several physicians said he had consumption, but could not help him. When all thought he was doomed he began to use Dr. King's New Discovery for consumption and writes—"It completely cured me and saved my life. I now weigh 227 pounds." It's positively guaranteed for coughs, colds and lung troubles. Price 50 cents and \$1.00. Trial bottles free at Kiesau drug store.

"I know I would long ago have been in my grave," writes Mrs. S. H. Newson, of Decatur, Ala., "if it had not been for Electric Bitters. For three years I suffered untold agony from the worst forms of indigestion, waterbrash, stomach and bowel dyspepsia. But this excellent medicine did me a world of good. Since using it I can eat heartily and have gained 35 pounds." For indigestion, loss of appetite, stomach, liver and kidney troubles Electric Bitters are a positive, guaranteed cure. Only 50 cents at the Kiesau drug store.

Keep up a Irish Attack
upon that bad cold, and do not wait for it to "wear itself out." Perry Davis' Painkiller is a powerful ally. Use it internally, with warm sweetened water. Rub it well into the inflamed throat and sore chest, and when the foe has taken flight you will understand why time and spasmodic competition make no difference in the popularity of the one Painkiller—Perry Davis'.
A Thousand Dollars Worth of Good.
A. H. Thurmes, a well known coal operator of Butte, O., writes: "I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pain. I got Foley's Kidney Cure, then the result was surprising. A few doses started the brick dust like fine stones and now I have no pain across my kidneys and I feel like a new man. It done me a \$1000 worth of good."

Report from the Reform School.
J. G. Gluck, Superintendent, Pruntytown, W. Va., writes: "After trying all of the advertised cough medicines we have decided to use Foley's Honey and Tar exclusively in the West Virginia Reform School. I find it the most effective and absolutely harmless."
One may dwell beneath poverty's lowly roof, or live in mansions of brick. They'll find a friend in Rocky Mountain Tea. It rids life of its burdens. A. H. Kiesau.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. sized. Ely Brothers, 56 Warren St., N.Y.
The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
Kodol Dyspepsia Cure
digests all classes of food, tones and strengthens the stomach and digestive organs. Cures dyspepsia, indigestion, stomach troubles and makes rich red blood, health and strength. Kodol rebuilds without tissues, purifies, strengthens and sweetens the stomach. Gov. G. W. Atkinson, of W. Va., says: "I have used a number of bottles of Kodol and have found it to be a very effective and, indeed, a powerful remedy for stomach ailments. I recommend it to my friends. The Kiesau Drug Co.
A Cold Wave.
The forecast of sudden changes in the weather serves notice that hoarse voice and a heavy cough may invade the sanctity of health in your own home.
