If your horse has a stiff joint, a harness sore, a cut or bruise **Mexican Mustang Liniment** will cure it.

If your poultry has roup, frozen combs, rheumatism, leg weakness or any disease of the flesh or bones **Mexican Mustang Liniment** will cure them if anything on earth can cure and save them. What it has done in thousands upon thousands of instances justifies these claims.

BRITISH PROTOCOL SIGNED

Bowen Disposes of First Document in Venezuelan Case.

OTHER ALLIES NOT YET READY.

Italy and Germany Still Unable to Frame Proposals Satisfactory to Castro's Envoy, but Are Expected to Do So Soon.

Washington, Feb. 11.—Great Britain's protocol has been formally accepted by Mr. Bowen for Venezuela. The German and Italian conventions are still undergoing revision, but assurances are given that they eventually will be made to conform in all essential respects to that of the British ambassador. Owing to the illness of the British ambassador, Mr. Bowen called at the embassy yesterday and personally signified to these ambassadors his approval of the agreement. He then presented his formal note of

acceptance, and it has been caused to the London foreign office. It appears that the insertion in the German protocol of the provision for advance payment of the original \$360,000 demanded of President Castro in the German ultimatum was the result of a misunderstanding on the part of the German foreign office on certain steps in the negotiations here. Through the activity of the German minister, Sternburg, this point is being cleared up. The Italian ambassador's instructions are such that he can make little headway until he knows what is contained in the German protocol.

Mr. Bowen has done everything possible to conclude these negotiations with dispatch, in order that the blockade might be raised, and he last night expressed his belief that he was receiving in this effort the sincere support of all the negotiators. If a serious hitch shall occur at the eleventh hour Mr. Bowen is confident that it will be through no fault of anyone of the representatives of the allies here. Should the protocols of Germany and Italy when presented to him contain provisions not in line with the British protocol the negotiations must be prolonged until a satisfactory arrangement can be reached.

Powers of Oklahoma City, Okla., formerly immigration agent of the Atchison, Topeka and Santa Fe railroad, upon the charge of obtaining money under false pretenses. It is alleged that Mr. Powers represented to the real estate agents of Iowa that he had been selected as the agent of the Creek and Seminole Indians of the Indian territory to dispose of their lands after the allotment made by the Dawes commission. It is claimed that he began a correspondence with real estate men throughout Iowa and then followed this up with a visit to explain his scheme and that in nearly every case he secured an endorsement upon drafts, all drawn upon the First National bank of Hutchinson, Kan.
