WAS IN FARGO THIS MORNING.

Enroute to the National Park-Crowds | Hills forest reserve. Greet Executive at All Stopping Places-Party May Visit Deadwood. Guest of Senators.

Fargo, N. D., April 7.-Special to had the impression that the president The News: President Roosevelt's was a member of the German Lutherspecial train reached here at an early an church, and accordingly arranged hour this morning. After the president had breakfasted in his car he and the other members of his party were taken church, arrangements were made to in charge by the local committee and have services held in the evening at the program carried out as previously the Livingston Reform church here. arranged. This included a short drive While it is not the custom of the through the streets. The fine morning president to attend services on Suninduced the attendance of a large crowd day evening, he consented to make an and there was much enthusiasm shown. After the drive President Roosevelt made a brief speech, the subject considered being "The Philippines and the Army." The president was warm in his praises of the former and considered that the policy regarding the Philippines was one which the country could well afford to follow up, both as a matter of benefit to the archipelago and of advantage to this country.

Shortly after ten o'clock the party left the city over the Northern Pacific for the Yellowstone national park. Brief stops will be made enroute at Jamestown, B smarck, Mandan, Medora and Livingston. The train is scheduled to reach the park sometime during tomorrow and the president is to spend two weeks in visiting all the chief points of interest. He will live during that time on the fare of the soldiers of the patrol and will be sheltered in tile operatives in six of the mills here their cabins at night.

PRESIDENT HAS BUSY DAY.

Delivers Twelve Addresses in South Dakota.

Aberdeen, S. D., April 7 .- President Roosevelt traversed South Dakota and | large and will furnish employment for made more speeches than on any other day during his present trip. He began with two speeches at Sioux Falls and ended his twelfth speech for the day at Aberdeen. The speeches were confined for the most part to the tariff and to the general prosperity of the country. In all his speeches he followed closely the lines of his former addresses on these subjects. The president was accorded a cordial welcome at the different stopping places, and at many stations where the train did not stop the crowds gathered and cheered as the special train sped by. One feature of the day was the large number of children in the various audiences, and the president referred to them several times, saying that he of visiting the coast, Brown has been was glad to see that the stock was closely watched, and his arrest was not dying out.

The president had as his guests during the day Senators Kittredge and Gamble and Representatives Martin and Burke, the South Dakota delegation in congress. They left the train at Aberdeen.

Yankton was the first stop after the train left Sioux Falls. To the multitude at Yankton the president spoke on the tariff and the qualities of good citizenship.

At Tulare the president departed from his usual custom and, descending from his car, shook hands with the people gathered at the station.

At Mitchell the president made the longest address of the day. Here he discussed the work of individuals and the important part they play in the upbuilding of the nation.

"You can lift up a man if he stumbles; if he lie down you can not carry him. If you try to, it will not help him and it will not help you. So. fundamentally, it must rest upon yourself to win success. As I said, law can do something; wise legislation, wise administration of the government can do something. If you have bad laws, badly administered, they will spoil any prosperity. It is easy enough to get a bad law that will stop the whole business, but to get a good law it is not so easy. It is easy to sit outside and say how the man inside should run the machine, but it is not so easy to go inside and run the machine yourself. This prosperity to which we have attained has been reached under a series of economic moves included in a system, through carrying out certain ideas in the currency and in the tariff. We can not afford to reverse the system. Improvement can be made in it. In the tariff, for instance, schedules are not sacred, and as the needs of the nation change and shift it will be necessary to change certain schedules to meet those shifting needs."

The other stops of the day were made at Woonsocket, Scotland, Tripp, Parkston, Alpena and Redfield.

There is a possibility of the president spending a day in Deadwood, S. D. He has made a promise to Captain Bullock, who will travel with him as far as Billings, Mont., that if the snow is too deep in Yellowstone park he will leave there one day earlier than he had intended and will spend a day at Deadwood. Bullock has promised the president a good time and is planning a regular cowboy jollification.

The president will spend today in North Dakota and will enter the Yellowstone park tomorrow afternoon.

Roosevelt Passes a Quiet Sunday.

Sioux Falls, S. D., April 6 .- President Roosevelt was the guest of Sioux Falls until 9:10 o'clock this morning. His special train arrived here about 8 o'clock Sunday morning and he was met by a delegation headed by Mayor

G. W. Burnside and State Senator A. H. Stites. Senator Kittredge also greeted him. The president was escorted to the Cataract house by detachments of the two militia companies here and enjoyed a day of comparative rest, the first he has had since the trip began. He attended church both in the morning and evening and in the afternoon went for a horseback ride, accompanied by Seth Bullock, superintendent of the Black

The fact that President Roosevelt attended divine service twice Sunday was due to a mistake on the part of the local committee. The committee to have him attend that church. Later, when it was learned that the president worshiped at the Dutch Reform exception to his rule when the facts were presented to him. The services in the morning were conducted by Rev. Herman Seil, president of the German English college at Welton, Ia., who came here for that purpose. The German language was used throughout. Owing to the fact that both in Milwaukee and Minneapolis the length of the program did not permit the president to reach his car until after midnight, he has been obliged to announce that hereafter he will, in the evening, not begin speaking later than 8:30 o'clock and always will be back in his car by 10 o'clock.

City Elections In Kansas.

Kansas City, April 6.- The elections to be held tomorrow for city officers in all the Kansas cities of the first class will, as a rule, settle matters of local interest. The liquor question cuts a smaller figure than in some previous years, but is the vital issue in Topeka. In Kansas City, Kan., straight Democratic and Republican tickets are in the field, and the victory of either will be hailed as a party triumph, but in most of the other cities party lines are not closely drawn, and the result will give no indication of the trend of political sentiment.

Two Expect to Be Mayor.

Chicago, April 6 .- With the most hotly contested mayoralty campaign in Chicago's history practically ended. both sides claim victory and neutral men forbear their prophesy. Graeme Stewart, the Republican nominee, expressed the opinion that there will be a Republican landslide. Chairman Carey of the Democratic county central committee declares that Mayor Harrison will have more votes to spare than two years ago.

Mixup in Bicycle Race.

Atlanta, April 7 .- The twelve-hour championship bicycle race at the Coliseum ended in a general mixup, in which seven of the eight men riding at the time were thrown from their wheels. Fleischmann Carries Cincinnati and Johnson Cleveland.

MAYOR JONES WINS IN TOLEDO.

Michigan Elects Administration State Ticket-Republicans Make Gains in Some Towns and Democrats in Others-Local Issues Control Results.

Cincinnati, April 7 .- While the Republicans had material gains in the municipal elections in Ohio, they did not secure many changes in the administration of the cities. The most notable exception was at Columbus, where Mayor John N. Hinkle (Dem.) is succeeded by Herbert K. Jeffrey. Jeffrey's plurality is at least 1,500. The mayors of all the leading cities, except Columbus, were re-elected. The Republicans retained control of Cincinnati and the Democrats of Cleveland, and Samuel M. Jones was elected as an independent for the fourth time as mayor of Toledo.

The fusion tickets as a rule were defeated in a dozen or more cities where they were in the field. One of the most noted gains of the Republicans was at Mansfield and of the Democrats at Springfield, where local issues controlled results, as was the case on most changes.

Canton elected W. H. Smith (Rep.) for major.

Akron elected Kempel (Dem.) for mayor by 200 plurality.

There is much diversity of opinion as to the effect of these municipal elections upon the next Republican nomination for governor, but it is conceded that Mayor Tom L. Johnson of Cleveland will now become a formidable candidate for the Democratic nomination for governor a few years hence and the Ingalls organization will be continued with a view of making Mr. Ingalls a candidate in opposition to Mr. Hanna for the senatorship. There is much interest here over the boom of Mayor Fleischmann for the nomination for governor. It is conceded that Mayor Governor, but it is conceded that Mayor Governor but elections upon the next Republican nation for governor. It is conceded that the endorsement of Mayor Fleischmann's administration mainly produced the result in Cincinnati the largest plurality of the largest total vote in the history of the city. Owing to his large business interests he had declined renomination, but after the fusionists nominated Melville E. Ingalls, the nomination was forced upon Fleischmann.

Michigan Republicans Win.

Detroit, April 7 .- The Republicans of Michigan elected their state ticket by a majority estimated at between 35,000 and 40,000. The ticket is as follows: Justice of the supreme court, Judge Frank A. Hooker of Charlotte; regents of the state university, Peter White of Marquette and Loyal E. Knappen of Grand Rapids. The vote throughout the state, excepting where local issues lent interest to the fight. was light. The only municipal officers elected in Detroit were a police justice and eight school inspectors. Justice Sellers (Rep.), the present incumbent, was re-elected by a large majority and the Republicans elected six of the inspectors.

Local issues determined the results in most of the smaller cities in the state. At Battle Creek, the Socialist party had made a strong campaign. but Mayor F. H. Webb (Rep.) was elected by 706 majority, with the total vote cast in the city 1,300 greater than at the last spring election. The Socialist party elected two aldermen, giving them four under the present council.

At Ludington the voters declared in favor of accepting Andrew Carnegie's offer of \$15,000 for a library.

At Escanaba, the Independent Labor party's candidate, J. J. Sourweine, was elected mayor, and S. E. Dikeman was elected mayor of South Haven on a Citizens' ticket.

To Test Open Door Promises.

Washington, April 7 .- It is practi-

cally admitted here that the new commercial treaty between the United States and China has been in one phase especially designed to test the soundness of Russia's promise to maintain the open door in Manchuria, Ever since Russian occupation in 1900 the

province has been practically governed by the Russians, who have regulated all external trade. American exports of great value have entered Manchuria and as the state department had no mind to lose that trade to any other nation it challenged Russia's purposes and received specific promises that the open door shall be maintained. The provision in the treaty now under negotiation declaring Moukden and its port, Taku Shan, at the mouth of the Yalu river, open to foreign trade affords the opportunity

I suffered for years with backache and dragging down pains and often had to go to bed and stay there when I was so busy that I could lily be spered. It was therefore a simple godsend to me when Peruna was brought to my notice. Peruna is such a perfect specific for each case that when patients have once used it they can never be induced to quit it until they are permantly cured. It begins to relieve the disagreeable symptoms at once. The backache symptoms at once. These results certainly follow a course of treatment with Peruna.

In less than three months I became regular, my pains had entirely disappeared, and I am now perfectly well."—Mrs. Anna Martin.

SOLDIERS RUN THE TRAINS.

Strikers in Holland Attempt to Tie Up Railway Lines.

Amsterdam, April 7 .- A meeting of the workmen's committee proclaimed a general strike throughout Holland of labor engaged in transportation, both by land and water.

The station and wharves are guarded by troops. The administration of the railroads has taken steps to secure the running of the foreign expresses under military protection. A workman was injured by a revolver shot fired by a soldier.

The president of the workmen's committee of defense, in an interview, said the strike proclamation involved | the entire railroad system and other land transportation of Holland and the water transports of the ports of Amsterdam, Rotterdam, Dordrecht and Zaandam.

The strike, he added, was intended as a protest against the anti-strike laws as well as to support the demand of the railroad men for an increase of wages before the passage of the laws made an improvement in this position impossible. The president also said the strike would spread to other branches of labor.

It is stated that the queen of Holland has signed a decree calling out two additional clarges of reserves on account of the strike, which now affects 50,000 mcn.

Harriman Interests May Vote Southern Pacific Stock.

APPEAL IS IMMEDIATELY TAKEN.

Election of Directors Has Been Indefinitely Postponed Pending Decision of Supreme Court, Though Chairman Will Be Named.

Cincinnati, April 7.-Judge Lurton refused the injunction asked for by the Keene interests to restrain the Harriman interests from voting the Union Pacific holdings at the Southern Pacific company's election next Wednesday.

As to the claim that the Union Pacific was expending the receipts of the Southern Pacific in betterments on the Central Pacific with a view to the ultimate purchase of that road, the court held that all this was specifically denied by the defendants and that even if true it could not be sustained except on a showing that the action was ultra vires. On the whole case the court held that the bill be dismissed. Senator Foraker immediately gave notice of appeal from the minority stockholders of the Southern Pacific, and asked that pending the hearing the election of directors of the Southern Pacific set for April 8 be stayed. Lawyers for the defendants agreed and an order was entered permitting the stockholders to meet as arranged and elect a chairman and then adjourn until called by Mr. Hartown. All the fires were extinguished riman after the appeal has been dis-

Salt Lake, April 7 .- Before a vast assembly of conference visitors in the Tabernacle, President Joseph F. Smith, head of the Mormon church, vigorously expressed his contempt for those who made the fight against the Marmon church and Reed Smoot in the recent senatorial campaign in this state. President Smith spoke with much feeling, and while he did not mention Apostle Smoot by name he made it plain that he directed his critleisms to those who were opposed to the seating of Mr. Smoot in the United States senate.

"I want to tell you," said President Smith, "that there are no more loy. I people on earth than the Latter Day Saints. We have been maligned, mistreated and misrepresented, but not by the nation. It was by the lying, hypocritical, sneaking, cowardly wolves in sheep's clothing that go through the world seeking to stir up strife and trouble for the righteous."
