REPUBLICAN TICKET.
State.
For Judge of the Supreme Court—J. B. Barnes, Madison
For Regent of State University—Charles S. Allen, Lancaster
W. G. Whitmore, Douglas

With over a quarter million of dollars in cash on deposit in the various banks of the state, according to Treasurer Mortenson's showing, it should be impossible to convince anyone that Nebraska is bankrupt to any certain extent.

The silver smiths of Meridan, Conn., are demanding a ratio of nine to one—nine hours work to a laboring day—and they will probably get it as people cannot keep home without silver in these days of republican prosperity.

An ideal father is one who is in such abject fear of waking the baby, that he goes around like a Sherlock Holmes in gum shoes.

Remember that Judge Barnes was twice appointed supreme court commissioner by unanimous vote of the three supreme judges, including Judge Sullivan. Is not this pretty good evidence that he is in every way qualified for judicial work on the bench of our highest state tribunal?—Omaha Bee.

Premier Balfour is not having a highly enjoyable time in trying to fill the places made vacant by the resignation of members of his cabinet. The men he wants do not appear anxious to assume the responsibilities of the positions, and those who seek them he will not have. Lord Milner is the latest to refuse to become a member of the cabinet.

Those who are so strongly opposed to ship subsidy in favor of building up the American merchant marine, may have been the ones to advocate the giving of great bodies of land and much money to the railroads that

first crossed the continent. There is no denying that these trans-continental systems have done much toward the development of the country, but a strong line of freighting steamers might be of equal importance.

Governor Mickey has had some time to look into the political situation and is quoted as saying: "I believe there is no doubt in the world but Judges Barnes will be elected supreme judge. I have met men from all parts of the state during the last week, and they bring reports that everywhere it is Barnes and a full republican vote. They tell me that the party is well organized in every district, and I feel sure, basing my belief on these reports, that we will be successful also in the district judicial fights."

Down in Tennessee indictments have been returned against twenty-seven men, charged with the murder of a negro, Allen Small, who was killed during a raid on the Moore county jail. Fourteen of the mob are under arrest and warrants are out for the others. All of which goes to show that the solid south is not all bad. These fellows may succeed in evading any heavy punishment, but the officers are entitled to a great amount of credit in making this sort of a movement against mob law in Tennessee. If similar action is taken on the occasion of every mob raid in the south, the time will soon come when the south will have a new and better name.

ATCHISON GLOBE SIGHTS.

When a mother looks at her boy in his new clothes, it is not to admire, but to jump him about the spots.

Our idea of an active imagination is one that can conceive that the old gray haired fathers were once romantic figures.

We suppose that some of the hats the women wear are called picture hats because the women look like chromos in them.

If you want a rocking chair for "mother" to sit in, buy one for every member of the family, and give her a chance.

The harder a man makes it for the woman who is chasing him, the harder she will make it for him after he is caught.

An ideal father is one who is in such abject fear of waking the baby, that he goes around like a Sherlock Holmes in gum shoes.

Invitations to join the Don't Do That club have been sent to all those who went on vacation trips this summer, and are still talking.

After a girl has been off to boarding school Pa finds that putting his foot down doesn't amount to as much as it did before she left home.

An Atchison girl of 18 is making wedding clothes which her mother will wear next month; another milestone in the march of Progress.

The difference in the way your father and mother treated you began early; when you cried, father said it was temper, and mother said it must be a pin.

Deafness Cannot be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional rem-

edies. Deafness is caused by an inflamed condition of the mucus lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucus surface.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. Cheney & Co., Toledo, O. Sold by all druggists. Hall's Family Pills are the best.

"I took treatment with several then stated to take Foley's Honey and Tar and my lungs are now as sound as a bullet. I recommend it in advanced stages of lung trouble." Kiesau Drug Co.

Feet Swollen to Immense Size. "I had kidney trouble so bad that I could not work," says J. J. Cox of Valley View, Ky., "my feet were swollen to immense size and I was confined to my bed and physicians were unable to give me any relief. A Purgative Pleasure. If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell of Houston, Texas says, "no better pill can be used than DeWitt's Little Early Risers for constipation, sick headache, etc." Sold by Kiesau Drug Co.

What of Life? In the last analysis nobody knows but we do know what it is under strict law. Abuse that law even slightly, pain results. Distress After Eating Cured. Judge W. T. Holland of Greensburg, La., who is well and favorably known says: "Two years ago I suffered greatly from indigestion. After eating, great distress would invariably result, lasting for an hour or so, and my nights were restless. I concluded to try Kodol Dyspepsia Cure and it cured me entirely. Now my sleep is refreshing and digestion perfect. Sold by Kiesau Drug Co.

The Genuine vs. Counterfeits. The genuine is always better than a counterfeit, but the truth of this

statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter, of Shreveport, La., says: "After using numerous other remedies without benefit, one box of DeWitt's Witch Hazel Salve cured me." For blind, bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve. Sold by Kiesau Drug Co.

A Boy's Wild Ride for Life. "With family around expecting him to die, and a son riding for life, 18 miles, to get Dr. King's New Discovery for consumption, coughs and colds, W. H. Brown of Leesville, Ind., endured death's agonies from asthma; but this wonderful medicine gave instant relief and soon cured him. He writes: 'I now sleep soundly every night.' Fearful Odds Against Him. Bedridden, alone and destitute. Such in brief was the condition of an old soldier by the name of J. J. Havens, Versailles, O. MALARIA Germ Infected Air.

Malaria is not confined exclusively to the swamps and marshy regions of the country, but wherever there is bad air this insidious foe to health is found. Poisonous vapors and gases from sewers, and the musty air of damp cellars are laden with the germs of this miserable disease, which are breathed into the lungs and taken up by the blood and transmitted to every part of the body. Then you begin to feel out of sorts without ever suspecting the cause. No energy or appetite, dull headaches, sleepy and tired and completely fagged out from the slightest exertion, are some of the deplorable effects of this enfolding malady. As the disease progresses and the blood becomes more deeply poisoned, boils and abscesses and dark or yellow spots appear upon the skin. When the poison is left to ferment and the microbes and germs to multiply in the blood, Liver and Kidney troubles and other serious complications often arise. As Malaria begins and develops in the blood, the treatment to be effective must begin there too. S. S. S. destroys the germs and poisons and purifies the polluted blood, and under its tonic effect the debilitated constitution rapidly recuperates and the system is soon clear of all signs of this depressing disease. S. S. S. is a guaranteed purely vegetable remedy, mild, pleasant and harmless. Write us if you want medical advice or any special information about your case. This will cost you nothing.
