### RURAL TELEPHONE LINE.

Wayne Business Men Propose to Talk to Neighboring Farmers.

Fifteen representative citizens met in the law office of Welch & Davis Saturday afternoon for the purpose promoting a rural telephone line. John Liveringhouse was elected chairman and Wm. Fisher secretary. All were enthusiastically in favor of the enterprise and the only question before the meeting related to the course of procedure to accomplish the desired end. As expressed at the meeting, the intention is to form an association, subscribe ample capital and build an independent telephone line, including in its circuit all farms whose owners or occupants wish to have its benefits by co-operating. If possible, it is proposed to connect with the established lines in Wayne.
