

IS KILLED IN A RUNAWAY

Son of Peter Hansen of Brunswick Thought Dead.

FRIGHTENED TEAM MASHES UP

The Horses Scared Four Miles Northwest of Town and Threw the Young Man Out—Relatives Come After Surgeon—Worst Feared.

[From Wednesday's Daily.]
Brunswick, Neb., March 16.—Special to The News: In a frightful runaway here today, Peter Hansen, Jr., a son of Peter Hansen, was probably killed. The accident occurred four miles northwest of town. The team which he was driving became frightened and ran away. The buggy was mashed all to pieces and young Hansen was thrown out and so badly hurt that he never recovered consciousness. His relatives have just come to Brunswick for a doctor. They are not sure whether he is merely unconscious or dead. It is thought that he is probably dead.

RELATIVES FILE THE CHARGE

Fred Harvey of Scribner Will Have to Face the Law.

Scribner, Neb., March 16.—A complaint charging Fred Harvey with statutory rape upon Miss Eva Rich of Scribner will be filed by Van Rich, the young woman's father, and Henry Rich, her brother. Harvey is the man who, by his own confession and the statement of Miss Rich, has been having illicit relations with her for six or seven months past. He is now confined at the county jail. The relatives of the girl came from Scribner on an afternoon train for the purpose of entering the complaint.

Miss Rich has made a denial of the facts contained in her confession to Sheriff Bauman, but Harvey stands pat on his admissions. He declares frankly that his intimacy with the girl has extended over a considerable period, up to two weeks before last Wednesday night, when she caused a furore by declaring three men had criminally assaulted her. He affirms, however, that her action in tying herself and spreading the report of her being raped was carried out without his knowledge.

MAKE IT A DAY OF PRAYER

Twenty Meetings Held This Morning in Norfolk Homes.

It was an ordinary sight this morning to see men and women all over the city going to services for prayer and it is estimated that at least two hundred attended these meetings. Mr. Lyon speaks at the afternoon meeting on "Why are not More of Our Prayers Answered"—or the Conditions Essential for Effective Prayer."

The committee have engaged the Auditorium for the men's meeting next Sunday afternoon. It is being planned to make that the largest audience of men ever gathered in the city.

Mr. Lyon spoke last night on "The Children of God," and a few of his thoughts were:

"The Christian is the only truly free man. The most galling bondage is the slavery of sin. There are three classes in many churches—the guests, the servants and the children. The guests never feel quite at home; the servants are those who work simply from a sense of duty, but the children are those who have true liberty. To the child of God also belongs protection and care. If an earthly government will care for her citizens and protect their right, how much more will you be protected when you become a citizen of the kingdom of God. All people are not children of God. Two classes are distinctly brought out in the scriptures. One is called the children of light, of promise, of obedience, of heaven; the other is called the children of darkness, of the world, of disobedience, of the children of the devil. No person can belong to both classes. Everyone is in one class or the other."

This evening Mr. Lyon will speak on "Rolling Away the Stone."

TO BUILD 200 NEW HOMES

This is to be a Great Season For Norfolk.

MANY IMPROVEMENTS PLANNED

With the New State Hospital for the Insane, an Electric Line to Northwestern Depot, and Establishment of Institutions, it Will Hum.

[From Thursday's Daily.]
It is estimated by one contractor in Norfolk that at least 200 new homes will be built in the city this season.

Last year there were over 100 new houses and any number of new business improvements and structures throughout the community. There is every prospect, according to the present indications, that the improvements of this year will exceed those of 1903.

Already the building has begun. A large number of homes are now going up. There will be many miles of new cement walks. A new institution manufacturing building blocks, is to be installed. An electric line between Norfolk avenue and the Northwestern depot at South Norfolk will very probably be got under way. The state insane hospital, involving an expenditure of \$100,000, will be started within a few days.

It will be a great year for Norfolk.

CALL COUNTY CONVENTION.

Republicans to Meet in Battle Creek on March 24.

Chairman Koenigstein and Secretary McFarland have called the republican county convention to meet in Battle Creek on Thursday afternoon, March 24, for the purpose of selecting delegates to attend the state, congressional and senatorial conventions. The primaries are recommended to be held not later than Tuesday, March 22.

TIMELY TOPICS.

Thursday evening after having shopped at the millinery stores, they passed gaily along the streets, wearing bright smiles, ladies with balloon like packages which, on a guess, contained fantastic creations, yet known as hats, that provoke ecstatic delight among the ladies, young men to extravagant expressions of admiration, and old men (married) to say things at the bills dated April 1. Thursday morning, along the wind swept, snow drifted streets, sadly, they passed closely wrapped in winter garb and under the old winter hat, wearing dark frowns. The weather had changed from summer to winter.—Schuyler Sun.

Several more counties declared for the nomination of a senator by the republican state convention during the past week. It appears that the movement for the fuller participation by the people in the making of senators is so popular that the politicians who try to stop it are getting run over right and left. The opposition of the chief political engineers of the Burlington railroad to the nomination idea is really giving it an added impetus among the rank and file of the party. The average republican remembers the session of the legislature of 1901 that ended in the appointment of Dietrich and Millard as senators by these railroad politicians and swears that it is time to stop that sort of manipulation.—North Platte Tribune.

The ruling of the attorney general that the credits to be assessed under the new revenue law, are the net credits, will meet with the approval of the people of the state. It puts the law in this respect on the same footing as the old law. A man who owns notes, mortgages, etc., will be allowed to deduct from the amount thereof any bona fide debts which he may be owing. Commissioner Duffie of the supreme court commission had already written an opinion to this effect, which had been printed by order of the court, but there was still a doubt in the minds of the county assessors. They will now follow the opinion of the attorney general.—Beatrice Express.

If Nebraska were raked with a fine-tooth comb a better man than W. M. Robertson could not be found. He is a gentleman, a statesman, a scholar—all that these three words imply and then some. Nebraskans ought to take pride in exalting such a man to any position of public trust he might be willing to accept.—Bixby in State Journal.
