

ROBERTSON'S WITHDRAWAL.

It will be with deep regret that the many friends of W. M. Robertson of this city will hear of his determination to withdraw his name from the political field as an aspirant for the gubernatorial nomination on the republican ticket.

Mr. Robertson withstood repeated urgings to enter the race until it was represented to him that the requirements of the party demanded that he subordinate his personal preferences and announce himself for the position. Since the announcement was made, events have so shaped themselves that Mr. Robertson, the peer of anyone whose name has ever been mentioned in connection with the office, feels that there is now but one thing left to do and that is to announce to his friends that his name will not be considered by the coming convention that is to place the ticket in the field.

If only the matter of qualification was to be considered; if men and measures were the essentials to the nomination, Judge Robertson would have been secure in declaring himself for the office and he would have a backing that would include practically the entire party, but other considerations intervened and it has been considered best by Mr. Robertson and his intimate friends that he declare his withdrawal.

The members of the Ancient Order of United Workmen and of the auxiliary order, the Degree of Honor, of Nebraska are just now feeling very clever in that Nebraska is the banner jurisdiction in point of membership in both orders. In the A. O. U. W. there are forty-one grand lodges of the supreme jurisdiction, and Nebraska, with 37,415 members leads them all.

A NIGHT WITH NICODEMUS

Regeneration is the Theme That Engages Attention of Vast Audience.

After a spirited song service led by Mr. Coultas and his choir assisted by organ, piano, trombone and euphonium, Mr. Lyon took for his text, last night, the words of Jesus to Nicodemus: "Ye must be born again." One night on one of the rivers of Germany during one of the Napoleonic wars the emperors of France and Russia met in conference to change the map of Europe.

Mrs. Kimball of Pierce was in the city this morning doing some trading.

Someone who said it had been a pleasant March, forgot to rap on wood.

Mrs. Kathleen Richardson is in the city from her home at Meadow Grove. Mrs. Richardson is suffering from neuralgia and is in the city for treatment.

J. H. Sexton, who has been removed from the Queen City hotel to the Norfolk sanitarium, was reported to be not quite so well yesterday.

The oldest son of Mr. and Mrs. Ed. Benning is very sick with lung fever at the home of his parents at the corner of Madison avenue and Eighth street.

Mrs. L. B. Musselman went to Creighton at noon, where as deputy grand matron she will have charge of the work in the Eastern Star lodge at that place tonight.

Mrs. E. E. Kennard and little son of Omaha and Mrs. L. C. Hurford and son Archie of David City are here for a two-weeks' visit at the home of their parents, Mr. and Mrs. L. B. Musselman.

The Wednesday club met at the home of Mrs. George D. Butterfield yesterday afternoon for the last meeting of the year. Mrs. Butterfield was reelected president, Mrs. C. H. Reynolds vice president and Mrs. A. Bear secretary and treasurer.

Norfolk has in C. R. D. Harned's ability as a builder of stages, buses and carry-alls, an infant industry that may develop and amount to considerable for this section of the country. He has just completed a stage for an O'Neill firm that appears to be in every way as excellent a vehicle as though it was turned out in some of the larger factories of the east.

Miss Georgia Harper in Camille.

If anybody went to see Georgia Harper just on account of her wardrobe, which is, no doubt, the envy of the ladies, there was evident disappointment, because her marked ability as an actress is so much admired by the audience that dress is forgotten. In Camille the struggle between love and duty, portrayed by her, touched the hearts of all. The same scenes in real life, and they occur, could not by any possibility be more potent and absolute to the eye of the beholder than was the imitation produced by this talented woman.

A license has been issued in this county for the marriage of Miss Ida Winter of Wayne county and Mr. Emil Pofahl of Pierce county. Both have many friends here.

AN EQUINOXIAL WINDSTORM

Strenuous Quality of Zephyr Came Up Out of the South.

Chasing over the country at the rate of fifty or sixty miles an hour with great clouds of dust scurrying and eddying along before it the south wind today gave the neat housekeepers and the cleanly merchants of Norfolk something to think about. The effect of the shower of the other night was quickly obliterated and the particles of dust and dirt were put in circulation in a manner that the ordinary doors and windows could not exclude from the residences and store buildings the annoying accumulation of dirt.

The wind is sailing into a lower barometric pressure to the north and the weather bureau promises that it is coming down this way with showers and colder weather for tomorrow. It is a genuine March condition and the only excusable part of the transaction is that the wind is warmer than usual and carries an agreeable spring temperature which may, however, be given a serious and radical setback.

BEGIN TIN ROOF.

Government Building Also Has a Steam Heater Installed.

Workmen at the government building yesterday began to place the rough tin part of the roof and another force of experts began to install the steam heating plant which will be used to keep the boys in the postoffice warm. This heat will also be used in keeping warm the federal judges and federal marshals and the prisoners who look out of the bars in the little cell at the northwest corner of the structure.

JUDGE OF THE SUPREME COURT

Was Alarmingly Afflicted With La Grippe, Cured by Pe-ru-na.

HON. W. H. PARSONS.

W. H. Parsons is Ex-State Senator and Ex-Special Judge of the Supreme Court of Texas, also Brigadier-General in Confederate Army. In a recent letter from 925 H Street, N. W., Washington, D. C., this prominent gentleman says:

"Upon the recommendation of personal friends and many strong testimonials as to the efficacy of Peruna in the treatment of the numerous symptoms of the grippe with which I have been afflicted for four months past, I have been induced to undergo a treatment with this justly celebrated formula. I feel a decided change for the better after using it only one week. It is especially good in toning up the stomach and has had a decided effect upon my appetite. I therefore feel much encouraged that I am on the road to complete restoration. My numerous friends in Texas, where I have had the honor to command a brigade of her Veteran Cavalry in a four years' war, may accept this voluntary testimonial to the merits of Peruna as a sense of obligation on my part for its wonderful efficacy." -W. H. Parsons.

There is no remedy in the world that meets the conditions produced by la grippe better than the remedy, Peruna. Peruna strengthens as it renovates, soothes while it stimulates, heals as it expurgates. Peruna is not a purgative, or cathartic, or sedative, or stimulant. Peruna strengthens as it renovates, soothes while it stimulates, heals as it expurgates. Peruna is not a purgative, or cathartic, or sedative, or stimulant. Peruna strengthens as it renovates, soothes while it stimulates, heals as it expurgates.

A reward of \$10,000 has been deposited in the Market Exchange Bank, Columbus, Ohio, as a guarantee that the above testimonial is genuine; that we hold in our possession authentic letters certifying to the same. Every one of our testimonials are genuine and in the words of the one whose name is appended.

Pe-ru-na cures more cases of la grippe than all other remedies combined.

reaches the source of all diseases of the mucous membranes by its action on the vaso-motor system of nerves.

Every person who has had la grippe during the last year should take a course of Peruna. No one need expect perfect recovery unless they do so. The grippe has produced catarrhal inflammation of the whole mucous membrane, and good health is impossible until these are restored to a normal condition. This Peruna will do. A great many remedies have been suggested for this condition from time to time, but Peruna appears to be the only remedy that has any substantial value in these cases. It has never failed to give satisfaction during forty years' experience and still occupies the unique position of being the leading (if not the only) specific remedy for the after-effects of la grippe.

Henry Distin, the inventor and maker of all the band instruments for the Henry Distin Manufacturing Co., writes the following from 1441 South Ninth street, Philadelphia, Pa.:

"I had a bad attack of la grippe last December which lasted more than three months, and which left me with catarrh, and several of my friends advised me to try Peruna. I began with a bottle the first week in March and it certainly did me a great deal of good. I was so well satisfied that I purchased another bottle and followed the directions, and can say that it has cured me." -Henry Distin.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
