

ROSEBUD TO OPEN MAY 15

PRESIDENT WILL ISSUE A PROCLAMATION FOR THEM.

THE KINKAID BILL IS ADOPTED.

Will go to the President Today or Tomorrow for His Signature, and Will Then be Declared a Law—Reservation Opens in Three Weeks.

Washington, D. C., April 27.—President Roosevelt will issue a proclamation opening the Rosebud reservation about May 15. This information was given out last night and it is now assured that within the next three weeks all preparations will be made for the starting of the homes.

As May 15 comes on Sunday it is probable that the real business of the reservation opening will begin on the following Monday, three weeks from next Monday.

Adopt Kinkaid Bill.

Both the senate and the house adopted the conference report on the Kinkaid bill which goes to the president today or tomorrow for his official signature.

Irrigable Land Excepted.

Washington, D. C., April 27.—The land to be reserved by the secretary of the interior is such as may be irrigated under the national irrigation law or by private enterprise.

Final entry by the homestead entryman can only be made after five years from original entry. Such homesteaders as may be still entitled to the additional entry under section two, shall have ninety days preference after the passage of this act.

The law will not go into effect until sixty days after approval.

BAPTIST WOMEN CONVENE.

Five Hundred of Them are Assembled in Omaha Today.

Omaha, Neb., April 28.—Special to The News: Five hundred delegates to the Baptist Women's Missionary society of the west, are here in annual convention. They have come from every state west of the Pittsburg division and will close their meetings tonight.

CLEARWATER PAPER SOLD.

Publisher Goes West and Neligh Man Succeeds.

Clearwater, Neb., April 28.—Special to The News: Fred Delaney, who has published the Clearwater Record for the past ten years, has sold out his paper to Mr. Howell of Neligh, and on Friday will leave for Oregon, where he will join his wife and children, who have been on the coast for the past year.

ODD FELLOWS TO OAKDALE.

Norfolk Delegation Attend the District Birthday Meeting.

A delegation of Norfolk Odd Fellows went to Oakdale on the noon train to attend the evening district birthday celebration at that place. Rev. J. F. Poucher, who accompanied the delegation, was selected as the speaker who should deliver the address before the assembly.

NEWPORT TO BE LIGHTED BY GAS

Plant Costing \$2,500 and Burning 800 Lights is Now Being Installed There.

Newport, Neb., April 28.—Special to The News: A \$2,500 acetylene gas plant has been purchased by the following business men: W. Hallen, E. L. Myers, Smith Bros. It is being installed as rapidly as possible. The plant is a Monarch, 800-light, and is expected to have it completed and in operation by thirty days.

TABLES ARE TURNED.

Thomas Odiorne Gets It Back at Alexander Bear's Team.

Thomas Odiorne's baseball nine has got it back at Alexander Bear's. They played again yesterday and the result was 9 to 0. Last week Alex with his band of athletes did things to Thomas' crowd and this was the return game.

DEATH OF BABY DAUGHTER.

Four-Weeks-Old Child of Mr. and Mrs. Sol G. Mayer.

The four-weeks-old baby daughter of Mr. and Mrs. Sol G. Mayer died shortly before noon today, after every effort known to medical science had been exhausted in trying to save her infant life. Mr. and Mrs. Simon G. Mayer were telephoned at Lincoln of the critical condition of the child and arrived on the noon train. The remains will be taken to Lincoln for interment.

Whist Devotees.

The Harmony Whist club, composed of the rather exclusive membership of Mrs. J. E. Simpson, Miss Allbery, Miss Wood and Miss McNish, who have been playing on the average of once a week in season during the past eight years, held their last meeting Tuesday evening. The club breaks up because Miss Wood is to leave for Idaho to teach school.

School Entertainment.

Miss Eva Mills closed a successful term of school in the Reiche district, April 23. The day was observed by

an appropriate program rendered by the pupils, followed by several musical selections. After the program the children were dismissed to the play grounds, while the mothers proceeded to turn the school room into a dining room. When the tables were heavily laden, the children and parents feasted and enjoyed the afternoon together.

Seasonable Machines.

Hardware merchants are arranging their stocks of lawn mowers in attractive display, reminding the person with a home of his own and blue grass in the yard that the season is at hand when the merry click of the knives as they bite off the pretty emerald spears is at hand.

THE WEATHER AND CROPS

BULLETIN REGARDING CONDITIONS OF THE STATE.

FINE RAINS ARE OF BENEFIT.

Will Help the Fruit and Grasses, Wheat, Pastures and Gardens—Garden Truck to Come up and Fruit Buds are Swelling Some

The following weather and crop report issued by Forecaster Loveland, has been received for the week:

Low temperatures continued during the week, averaging from 7 degrees to 10 degrees below the normal throughout the state.

The rainfall for the week was the heaviest for the year, and ranged from about 0.25 of an inch in the northwest part of the state to over 4.00 inches in some southeastern counties. In the southwestern section, where dry conditions have prevailed for many weeks, the rainfall for the week ranged from 1.00 to 2.00 inches.

The fine rains of the week will prove of much benefit to winter and spring grain, pastures, and gardens, especially in the central and western sections of the state, where the soil had become very dry. The continued cold has retarded the growth of all vegetation. Winter wheat, however, has grown fairly well and is in excellent condition except where damaged by dry weather in a number of southwestern counties. In the southern half of the state oats and some spring wheat are beginning to grow. Considerable corn ground has been plowed and this work was progressing rapidly until delayed in most localities by the heavy rains which occurred the latter part of the week. Garden truck is beginning to come up and fruit buds are swelling in the southern sections of the state.

Northeastern Section.

Antelope—Spring grain looks well, but all vegetation growing slowly; plowing for corn progressing; good rains have occurred.

Cedar—Conditions very favorable; small grain all sown; plowing for corn begun; grass starting slowly.

Colfax—Week cold and rainy; winter grain looks well but advancing slowly; some oats coming up unevenly; plowing for corn in progress.

Dakota—Weather cold; oats backward; potatoes being planted; wheat beginning to come up.

Dixon—Small grain all sown; plowing for corn being done.

Dodge—Wheat looks fine; rain and warmer weather beneficial to all crops; plowing for corn in progress; pasturage backward.

Douglas—Wet and cold week; growth of vegetation very slow; winter wheat thin and not looking well.

Holt—Small grain all sown; plowing for corn in progress; ground in fine condition; grass starting well.

Knox—Seeding completed; grain and grass coming up slowly; plowing for corn well advanced; fruit buds beginning to swell.

Madison—Winter wheat and rye look well; grass beginning to grow; oats coming up; cold and rainy week.

Platte—Week cold and wet; small grain all sown; plowing for corn beginning; warmer weather will be beneficial.

Sarpy—Cold and rainy week; all growth very slow.

Stanton—Small grain all sown; plowing for corn in progress; ground in fine condition.

Thurston—Weather continues cold; much plowing for corn done.

Washington—Cold and wet; oats and wheat coming up slowly; corn ground being prepared, soil in fine condition.

Western and Northwestern Sections.

Banner—Light rain 21st, but more needed.

Boxluite—Light rain on 23rd grass starting slowly.

Brown—Spring grain about all sown, ground in good condition.

Cherry—Light showers; grass backward; cattle look fine.

Cheyenne—Good rain; small grain and grass starting; ground in good condition.

Dawes—Light showers; grass starting; some gardens planted.

Keya Paha—Grass and grain starting slowly; light rain during week.

Logan—Cold and windy; crops lying very slowly.

Rock—Seeding about finished; good rain on 21st.

Sheridan—Light shower; seeding and plowing proceeding slowly.

Sioux—Grass growing slowly; rain needed.

ODD FELLOWS AT OAKDALE

WERE 500 DELEGATES THERE YESTERDAY.

EIGHTY-FIFTH YEAR OF ORDER

District No. 31, I. O. O. F., and District No. 30, Rebekah Degree, Held Successful Joint Convention—Mrs. Taylor Organized it.

Oakdale, Neb., April 27.—Special to The News: Five hundred Odd Fellows and Rebekahs met in Oakdale yesterday to observe the eighty-sixth anniversary of the Independent Order of Odd Fellows, and the fifth annual meeting of District No. 31, I. O. O. F., and the convention of district No. 30, Rebekah degree.

The organizing officer was Sister Malinda Taylor of Blair and the address before the joint convention was delivered by Rev. J. F. Poucher of Norfolk. The joint convention was held in the Methodist church.

Sister Taylor reviewed the history of the Rebekah degree. Lodges included in the Odd Fellows district No. 31 are Meadow Grove, Tilden, Elgin, Neligh, Clearwater and Oakdale. Those belonging to the district convention of the Rebekahs are Meadow Grove, Tilden, Elgin, Neligh and Oakdale.

BUILDINGS AT TILDEN.

Telephone Company and Dr. Campbell Get New Offices.

Tilden, Neb., April 27.—Special to The News: The Tilden telephone company is now erecting a new frame central office building near the corner of Second and Oak streets. They expect to be in their office by June 1. Work has also commenced on a new frame office building located near the corner of Second and Centre streets to be occupied by Dr. S. A. Campbell as soon as completed.

Number Twenty.

Baby No. 20, a fine boy, arrived at the home of Mr. and Mrs. C. S. Nelson on Sunday, a week ago, which leaves Asa Dixon and Z. T. Brunton clear in the shade. Call him Teddy, Nelson, and send a marked copy of the Courier to President Roosevelt. It might pay.—Blair Courier.

A Mum Social.

The Y. P. S. C. E. of the First Congregational church will give a "mum" social in the church parlors Thursday evening, April 28, to which all young people are invited. The young men have some doubts as to the ability of the young ladies to keep mum and will be on hand to see a good struggle; while the girls are confident they can excel the young men in this virtue and are expected to be well represented also. Should no refreshments be found and any hungry guest be found nibbling a rag, it will be counted as talking. Bring your good humor and leave your change at home.

POSSIBILITIES OF KINKAID LAW

People are Attracted by the Offerings that Will be Available for Farming and Ranching Purposes.

Many people are being favorably attracted by the possibilities of securing a section farm through the operations of the Kinkaid homestead law, and it is probable that a number of Norfolk people will try for such a possession, having figured it out that while they could not afford to take a quarter section as contemplated under the old law, and of the property affected, they will find it profitable to try for a section under the Kinkaid revision.

It is said that, under the new law there are splendid possibilities for prospective settlers. Much of the land is good for farm and meadow use, while that which cannot be employed in this manner will make splendid range for horses and cattle. On a quarter there may not be sufficient farm and meadow land or range to make it profitable to the homesteader, but by combining four quarters the homesteader may choose and use the best for the farm and the meadow and fence the balance and convert it into pasture, making a good and paying property of land that in quarter sections would fail to attract the homesteader. Where there is a family of several adult children, all having homestead rights, there is a possibility of getting the land in such a body as to make a very valuable ranch under the control of one family. All of it is good for grazing purposes, but the cattle that a quarter section would maintain would not prove a profitable income, and the new law will very decidedly make a change that will hold attractive possibilities. The same conditions that will appeal to a family will make it possible for the organization of companies, each to take a section adjoining and turn the whole into a ranch that would be profitable.

Powder Burned Face.

Harold Bargett, nine years of age, is another boy who has learned how quickly powder can act after it is touched off. He found a shotgun shell this noon and, after getting down to the powder, lit a match and dropped it in, looking over the edge of the paper cylinder to see that the fire

DAN GROSVENOR SAYS:

"Pe-ru-na is an Excellent Spring Catarrh Remedy—I am as Well as Ever."

HON. DAN A. GROSVENOR, OF THE FAMOUS OHIO FAMILY.

Hon. Dan A. Grosvenor, Deputy Auditor for the War Department, in a letter written from Washington, D. C., says:

"Allow me to express my gratitude to you for the benefit derived from one bottle of Peruna. One week has brought wonderful changes and I am now as well as ever. Besides being one of the very best spring tonics it is an excellent catarrh remedy."

DAN A. GROSVENOR.

In a recent letter he says:

"I consider Peruna really more meritorious than I did when I wrote you last. I receive numerous letters from acquaintances all over the country asking me if my certificate is genuine. I invariably answer, yes."—Dan A. Grosvenor.

A County Commissioner's Letter.

Hon. John Williams, County Commissioner, of 517 West Second street, Duluth, Minn., says the following in regard to Peruna:

"As a remedy for catarrh I can cheerfully recommend Peruna. I know what it is to suffer from that terrible disease and I feel that it is my duty to speak a word for the tonic that brought me immediate relief. Peruna cured me of a case of catarrh and I know it will cure any other sufferer from that disease."—John Williams.

A Congressman's Letter.

Hon. H. W. Ogden, Congressman from Louisiana, in a letter written at Washington, D. C., says the following of Peruna, the national catarrh remedy:

"I can conscientiously recommend your Peruna as a fine tonic and all around good medicine to those who are in need of a catarrh remedy. It has been commended to me by people who have used it, as a remedy particularly effective in the cure of catarrh. For those who need a good catarrh medicine I know of nothing better."

W. E. Griffith, Concan, Texas, writes "I suffered with chronic catarrh for many years. I took Peruna and it completely cured me. I think Peruna is the best medicine in the world for catarrh. My general health is much improved by its use, as I am much stronger than I have been for years."—W. E. Griffith.

A Congressman's Letter.

Congressman H. Bowen, Ruskin, Tennessee, Va., writes:

"I can cheerfully recommend your valuable remedy, Peruna, to any one who is suffering with catarrh, and who is in need of a permanent and effective cure."—H. Bowen.

Mr. Fred D. Scott, Larue, Ohio, High Guard of High School Team, writes:

"As a specific for lung trouble I place Peruna at the head. I have used it myself for colds and catarrh of the bowels and it is a splendid remedy. It restores vitality, increases bodily strength and makes a sick person well in a short time. I give Peruna my hearty endorsement."—Fred D. Scott.

Gen. Ira C. Abbott, 100 M Street, N. W., Washington, D. C., writes:

"I am fully convinced that your remedy is an excellent tonic. Many of my friends have used it with the most beneficial results for colds, coughs and catarrhal trouble."—Ira C. Abbott.

Mrs. Elmer Fleming, orator of Roosevelt Council No. 168, Northwestern Legion of Honor, of Minneapolis, Minn., writes from 2545 Polk street, N.E.:

"I have been troubled all my life with catarrh in my head. I took Peruna for a month, and now I am permanently cured. I believe that for catarrh in all its forms Peruna is the medicine of the age. It cures when all other remedies fail. I can heartily recommend Peruna as a catarrh remedy."—Mrs. Elmer Fleming.

Mrs. Elmer Fleming, Minneapolis, Minn.

Treat Catarrh in Spring.

The spring is the time to treat catarrh. Cold, wet winter weather often retards a cure of catarrh. If a course of Peruna is taken during the early spring months the cure will be prompt and permanent. There can be no failures if Peruna is taken intelligently during the favorable weather of spring.

As a systemic catarrh remedy Peruna eradicates catarrh from the system wherever it may be located. It cures catarrh of the stomach or bowels with the same certainty as catarrh of the head. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address: Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Plan Your Trip Early

During 1911 several opportunities to get back East at greatly reduced rates will be offered by the

Chicago, Milwaukee & St. Paul Ry.

If you want to be kept posted regarding low rates, dates of sale, stop-over privileges and train service, advise me the probable time and destination of your trip. Through train service from any point on the main line of the Union Pacific Railroad to Chicago every day. Folder free.
