Whereas, By an agreement between the Sioux tribe of Indians on the Rosebud reservation, in the state of South Dakota, on the one part and James McLaughlin, a United States Indian inspector, on the other part, amended and ratified by act of congress approved April 23, 1904, (public No. 148, the said Indian tribe ceded, conveyed, transferred, relinquished and surrendered, forever and absolutely, without any reservation whatsoever, expressed or implied, unto the United States of America all their claim, title and interest of every kind and character in and to the unallotted lands embraced in the following described tract of country now in the state of South Dakota, to-wit:

Commencing in the middle of the main channel of the Missouri river at the intersection of the south line of Brule county; thence down said middle of the main channel of said river to the intersection of the 99th degree of west longitude from Greenwich; thence due south to the 43rd parallel of latitude; thence west along said parallel of latitude to its intersection with the 10th guide meridian; thence north along said guide meridian to its intersection with the township line between townships 100 and 101 north; thence east along said township line to the point of beginning.

**Lands in Gregory County.**

The unallotted and unreserved land to be disposed of hereunder approximates 382,000 acres, lying and being within the boundaries of Gregory county, South Dakota, as said county is at present defined and organized; and,

Whereas, in pursuance of said act of congress ratifying the agreement named, the lands necessary for a sub-issue station, Indian day school and Catholic and Congregational missions are by this proclamation, as herein after appears, reserved for such purposes respectively; and,

Whereas, in the act of congress ratifying said agreement, it is provided:

Sec. 2. That the lands ceded to the United States under said agreement, excepting such tracts as may be reserved by the president, not exceeding 368.67 acres in all, for a sub-issue station, Indian day school and one Catholic mission and two Congregational missions, shall be disposed of under the general provisions of the homestead and townsite laws of the United States, and shall be opened to settlement and entry by proclamation of the president, which proclamation shall prescribe the manner in which these lands may be settled upon, occupied and entered by persons entitled to make entry thereof, and no person shall be permitted to settle upon, occupy or enter any of said lands, except as prescribed in such proclamation, until after the expiration of sixty days from the time when the same are opened to settlement and entry; provided, that the rights of honorably discharged union soldiers and sailors of the late civil and Spanish wars or Philippine insurrection, as defined and described in sections 2304 and 2305 of the Revised Statutes, as amended by the act of March 1, 1901, shall not be abridged; and, provided further, that the price of said lands entered as homesteads under the provisions of this act shall be as follows: Upon all lands entered or filed upon within three months settlement and entry is to be paid the sum of \$1 per acre, as follows: One dollar per acre when entry is made, 75 cents per acre within two years after entry, 50 cents per acre within three years after entry and 25 cents per acre within four years after entry and 50 cents per acre within six months after the expiration of five years after entry. And upon all land entered or filed upon after the expiration of three months and within six months after the same shall be opened for settlement and entry \$3 per acre to be paid as follows: One dollar per acre when entry is made, 50 cents per acre within two years after entry, 50 cents per acre within three years after entry and 50 cents per acre within four years after entry and 50 cents per acre within six months after the expiration of five years after entry. After the expiration of six months after the same shall be opened for settlement and entry the price shall be \$2.50 per acre, to be paid as follows: Seventy-five cents when entry is made, 50 cents per acre within two years after entry, 50 cents per acre within three years after entry, 50 cents per acre within four years after entry and 25 cents per acre

within six months after the expiration of five years after entry—provided, that in case any entryman fails to make such payment or any of them within the time stated all rights in and to the land covered by his or her entry shall at once cease and any payments theretofore made shall be forfeited and the entry shall be forfeited and held for cancellation and the same shall be canceled and, provided, that nothing in this act shall prevent homestead settlers from commencing their entries under section 2301, Revised Statutes, by paying for the land entered the price fixed herein, receiving credit for payments previously made. In addition to the price to be paid for the land, the entryman shall pay the same fees and commissions at the time of commutation or final entry, as now provided by law, where the price of the land is \$1.25 per acre; and provided, further, that all lands herein ceded and opened to settlement under this act remaining undisposed of at the expiration of four years from the taking effect of this act shall be sold and disposed of for cash, under rules and regulations to be prescribed by the secretary of the interior, not more than 640 acres to any one purchaser.

**Two Sections for Schools.**

Sec. 4. That sections 16 and 36 of the lands hereby acquired in each township shall not be subject to entry, but shall be reserved for the use of the common schools and paid for by the United States at \$2.50 per acre, and the same are hereby granted to the state of South Dakota for such purpose; and in case any of said sections, or parts thereof, of the land in said county of Gregory are lost to said state of South Dakota by reason of allotments thereof to any Indian or Indians, now holding the same, or otherwise, the governor of said state, with the approval of the secretary of the interior, is hereby authorized, in the tract herein ceded, to locate other lands not occupied not exceeding two sections in any township, which shall be paid for by the United States as herein provided in quantity equal to the loss, and such selections shall be made prior to the opening of such lands to settlement; and,

Whereas, All of the conditions required by law to be performed prior to the opening of said tracts of lands to settlement and entry have been, as I hereby declare, duly performed;

Now therefore, I, Theodore Roosevelt, president of the United States of America, by virtue of the power vested in me by law, do hereby declare and make known that all of the lands as aforesaid ceded by the Sioux tribe of Indians of the Rosebud reservation, saving and excepting sections 16 and 36, in each township, and all lands located or selected by the state of South Dakota as indemnity school or educational lands, and saving and excepting the west half of the northeast quarter or the northwest quarter of section 25, township 96, range 72, west of the fifth principal meridian, which is hereby reserved for use as a sub-issue station; and the northeast quarter of the southwest quarter of section 23, township 96, north, range 72, west of the fifth principal meridian which is hereby reserved as an Indian day school; and saving and excepting the north half of the northeast quarter of section 25, township 95 north, range 71, west of the fifth principal meridian, and the northwest quarter of the northwest quarter of section 29, township 95, north, range 70, west of the fifth meridian, both of which tracts are hereby reserved for use of the American Missionary society for mission purposes; and the north half of the northwest quarter of section 7, township 96, north, range 71, west of the fifth principal meridian, which is hereby reserved for the Roman Catholic church for use for mission purposes, will, on the 8th day of August, 1904, at 9 o'clock a. m., in the manner herein described, and not otherwise, be opened to entry and settlement and to disposition under the general provisions of the homestead and townsite laws of the United States.

**Date of Registration.**

Commencing at 9 o'clock a. m., Tuesday, July 5, 1904, and ending at 5 o'clock p. m., Saturday, July 23, 1904, a registration will be held at Chamberlain, Yankton, Bonesteel and Fairfax, state of South Dakota, for the purpose of ascertaining what persons desire to enter, settle upon and acquire title to any of said lands under the homestead law, and of ascertaining their qualifications so to do. To obtain registration each applicant will be required to show himself duly qualified, by written application to be made only on a blank form provided by the commissioner of the general land office, to make homestead entry of those lands under existing laws and to give the registering officer such appropriate matters of description and identity as will protect the applicant

and the government against any attempt of impersonation. Registration cannot be effected through the use of the mails, or the employment of an agent, excepting that honorably discharged soldiers and sailors, entitled to the benefits of section 2304 of the Revised Statutes of the United States, as amended by the act of congress approved March 1, 1901, (31 Stat., 847), may present their applications for registration and due proofs of their qualifications through an agent of their own selection, having a duly executed power of attorney, but no person will be permitted to act as agent for more than one such soldier or sailor. No person will be permitted to register more than once or in any other than his true name. Each applicant who shows himself duly qualified will be registered and given a non-transferable certificate to that effect, which will entitle him to go upon and examine the lands to be opened hereunder; but the only purpose for which he can go upon and examine said lands is that of enabling him later on, as herein provided, to understandingly select the lands for which he will make entry. No one will be permitted to make settlement upon any of said lands in advance of the opening herein provided for, and during the first sixty days following said opening no one but registered applicants will be permitted to make homestead settlement upon any of said lands, and then only in pursuance of a homestead entry duly allowed by the local land officers, or of a soldier's declaratory statement duly accepted by such officers.

**Conditions of the Drawings.**

The order in which, during the first sixty days following the opening of the registered applicants will be permitted to make homestead entry of the lands opened hereunder, will be determined by a drawing for the district publicly held at Chamberlain, South Dakota, commencing at 9 a. m. Thursday, July 28, 1904, and continuing for such period as may be necessary to complete the same. The drawing will be had under the supervision and immediate observation of a committee of three persons whose integrity is such as to make their control at the drawing a guaranty of its fairness. The members of this committee will be appointed by the secretary of the interior, who will prescribe suitable compensation for their services. Preparatory to this drawing the registration officers will, at the time of registering each applicant who shows himself duly qualified, make out a card, which must be signed by the applicant, and giving such a description of the applicant as will enable the local land officers to thereafter identify him. This card will be subsequently sealed in a separate envelope, which will bear no other distinguishing label or mark than such as may be necessary to show that it is to go into the drawing. These envelopes will be carefully preserved and remain sealed until opened in the course of the drawing herein provided. When the registration is completed, all of these sealed envelopes will be brought together at the place of drawing and turned over to the committee in charge of the drawing, who, in such manner as in their judgment will be attended with entire fairness and equality of opportunity, shall proceed to draw out and open the separate envelopes and to give to each inclosed card a number in the order in which the envelope containing the same is drawn. The result of the drawing will be certified by the committee to the officers of the district and will determine the order in which the applicants may make homestead entry of said lands and settlement thereon.

**Drawings Posted Each Day.**

Notice of the drawings, stating the name of each applicant and the number assigned to him by the drawing, will be posted each day at the place of drawing and each applicant will be notified of his number and of the day on which he must make his entry by a postal card mailed to him at the address given by him at the time of registration. The result of each day's drawing will also be given to the press to be published as a matter of news. Applicants for homestead entry of said lands during the first sixty days following the order can be made only by registered applicants and in the order established by the drawing. The land officers for the district will receive applications for entries at Bonesteel, S. D., in their district beginning September 19, 1904, and thereafter at Chamberlain. Commencing Monday, August 6, 1904, at 9 a. m., the applications of those drawing numbers one to 100 inclusive, must be presented and will be considered in the numerical order during the first day, and the applications of those drawing numbers 101 to 200 inclusive, must be presented and will

be considered in their numerical order during the second day and so on at that rate until all of said lands subject to entry under the homestead law and desired thereunder have been entered. If any applicant fails to appear and present his application for entry when the number assigned to him by the drawing is reached his right to enter will be passed until after the other applications assigned for that day have been disposed of, when he will be given another opportunity to make entry, failing in which he will be deemed to have abandoned his right to make entry under such drawing. To obtain the allowance of a homestead entry each applicant must personally present the certificate of registration theretofore issued to him, together with a regular homestead application and the necessary accompanying proofs, and make the first payment of \$1 per acre for the land embraced in his application, together with the regular land office fee, but an honorably discharged soldier or sailor may file his declaratory statement through his agent, who can represent but one soldier or sailor as in the matter of registration. The production of the certificate of registration will be dispensed with only upon satisfactory proof of its loss or destruction. If at the time of considering his regular application for entry it appears that an applicant is disqualified from making homestead entry of those lands his application will be rejected, notwithstanding his prior registration. If any applicant shall register more than once hereunder, or in any other than his true name, or shall transfer his registration certificate, he will thereby lose all the benefit of the registration and drawing herein provided for and will be precluded from entering or settling upon any of said land during the first sixty days following said opening.

**Establishment of Townsites.**

Any person or persons desiring to found or to suggest establishing a townsite upon any of said ceded lands at any point may, at any time before the opening herein provided for, file in the land office a written application to that effect, describing by legal subdivisions the lands intended to be affected and stating fully and under oath the necessity or propriety of founding or establishing a town at that place. The local officers will forthwith transmit said petition to the commissioner of the general land office with their recommendations in the premises. Such commissioner, if he believes the public interests will be subserved thereby, will, if the secretary of the interior approve thereof, issue an order withdrawing the lands described in such petition or any portion thereof, from homestead entry and settlement and directing that the same be held for the time being for townsite settlement, entry and disposition only. In such event the lands so withheld from homestead entry and settlement will, at the time of said opening and not before, become subject to settlement, entry and disposition under the general townsite laws of the United States. None of said ceded lands will be subject to settlement, entry or disposition under such general townsite laws except in the manner herein prescribed until after the expiration of sixty days from the time of said opening.

**Must Wait Sixty Days.**

All persons are especially admonished that under the said act of congress, approved April 23, 1904, it is provided that no person shall be permitted to settle upon, occupy or enter any of said ceded lands except in the manner prescribed in this proclamation until after the expiration of sixty days from the time when the same are opened to settlement and entry. After the expiration of the said period of sixty days, but not before, and until the expiration of three months after the same shall have been opened for settlement and entry, as hereinbefore prescribed, any of said lands remaining undisposed of may be settled upon, occupied and entered under the general provisions of the homestead and townsite laws of the United States in like manner as if the manner of effecting such settlement, occupancy and entry had not been prescribed herein in obedience to law, subject, however, to the payment of \$1 per acre for the land entered, in the manner and at the time required by the said act of congress above mentioned. After the expiration of three months, and not before, and until the expiration of six months after the same shall have been opened for settlement and entry, as aforesaid, any of said lands remaining undisposed of may also be settled upon, occupied and entered under the general provisions of the same laws and in the same manner, subject, however, to the payment of \$3 per acre for the land entered in

the manner and at the time required by the same act of congress. After the expiration of six months, and not before, after the same shall have been opened for settlement and entry, as aforesaid, any of said lands remaining undisposed of may also be settled upon, occupied and entered under the general provisions of the same laws and in the same manner, subject, however, to the payment of \$2.50 per acre for the land entered, in the manner and at the times required by the same act of congress. And after the expiration of four years from the taking effect of this act, and not before, any of said lands remaining undisposed of shall be sold and disposed of for cash, under rules and regulations to be prescribed by the secretary of the interior, not more than 640 acres to any one purchaser. The secretary of the interior shall prescribe all needful rules and regulations necessary to carry into full effect the opening herein provided for. In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington this 13th day of May, in the year of our Lord, one thousand nine hundred and four, and of the independence of the United States the one hundred and twenty-eighth. By the president.  
Theodore Roosevelt.

**SCHOOL TEACHERS HERE**

PIERCE AND MADSON COUNTIES  
JOIN IN WORK.

In An Examination Given by County Superintendent Crum, Eleven Different Ways Were Found for the Spelling of the Word Roosevelt.

Teachers of Madison and Pierce counties are in session in this city. Fair school ma'ams and dignified men pedagogues are meeting at the high school building for the purpose of discussing the work of training the youth of the west. They are to be in town all week. In an examination given by Superintendent C. W. Crum to twenty of the school teachers, a wide and surprising variety was found in the spelling of the name of the president of the United States. There were eleven different ways used in the test. The chief executive was labeled "Roosevelt," "Roosvelt," "Roosfeldt," "Roozfeldt," etc. It was astonishing to the county superintendent that so much of a variety could be found with a name that is before the people of this country every day in the year and has been for a number of years past.

The programs arranged for the session are interesting to the teachers assembled and much good is anticipated.
