TRINITY STRUCK BY LIGHTNING

Shingles and Boards Ripped from the Steeple and Converted into Splinters Last Night.

During the storm of last night a olt of lightning struck the tower of Trinity Episcopal church at the corner of Ninth street and Madison avenue. On the south and west sides patches of shingles were ripped off and the corner boards that held the shingles in place were torn loose and converted into splinters. The fluid penetrated to the inside of the steeple and ran down the walls, making its exit near the door. Fortunately it did not start a fire in the woodwork, The damages were not large and the folk had trouble, the hose catching principal expense will be in reaching the damaged spire and making re-
