

BROWNIES TAKE THE GAME

WIN FROM JOHNSON STARS OF STANTON EIGHTEEN TO ONE.

BURROWS' CURVES WERE ELISIVE

Norfolk Team Fought the Two Stanton Twiflers, and the Visitors Were Disappointed, but Were Not Mad Over their Defeat.

Eighteen great big square scores to one lonesome credit mark, was the way the Norfolk Brownies treated their visitors, the Johnson Stars from Stanton yesterday afternoon. The visitors were unable to find Burrows' curves and at least ten of them fanned out, while the Norfolk heavy hitters easily landed on the balls passed to them by Roxie and Peters and kept doing things to the sphere until an average of two scores per man was credited to the home club.

There was a good crowd out to see the sport but were somewhat disappointed because the visitors failed to put up a better contest.

O'NEILL MAN INSTANTLY KILLED

J. D. O'Donnell, Early Settler of Holt County, Received Death Blow From a Hay Stacker.

John P. O'Donnell was killed Tuesday while stacking hay at the O'Donnell ranch twenty miles southwest of O'Neill. This news came like a shock to this community. About noon that day word was telephoned down to the O'Donnell boys that their father had been seriously hurt by a haystacker and asked some of them to come with a doctor. P. J. O'Donnell and Dr. Gilligan at once started out. But he was dead long before they got there. In fact, was killed almost instantly. Mr. O'Donnell was upon a stack of hay that had just been commenced and was not over six or eight feet high. The accident occurred as a fork full of hay from the stacker came up and was dumped. The bunch of hay was carried with considerable force by a strong wind, striking Mr. O'Donnell and knocking him from the stack. He was several feet from the fork and could not have been struck by it. The fall resulted in almost instant death, the only sign of life being manifested when the others working about the hay stack went to pick him up was a few short gasps.

PUBLIC OPINION DIVIDED

PEOPLE OF NORFOLK HAVE VARIOUS OPINIONS ON PILGER CASE.

STREET TRIALS ARE UNAVAILING

The Courts Will See Justice Done if the Case is Brought Before Them and they Will Not be Prejudiced One Way or the Other.

There is a great diversity of opinion in Norfolk at present regarding the shooting of young Aultman by Officer Pilger during the firemen's tournament. Almost every person who has heard of the case has a positive opinion and is not slow about expressing it. There is the radical element on one side that would see the young officer sent to the penitentiary for life with evident pleasure, and the opposing opinion of another element is that he was entirely justified and should do the same thing over again if the opportunity presents itself.

PILGER DEFEATS THE VICTORS

In a Ten Inning Game Yesterday Thirteen Loses by a Score of 4 to 3.

PILGER, Neb., Aug. 27.—Special to The News: In a nice game of baseball as was ever played, Pilger defeated Tilden at this place yesterday afternoon by a score of 4 to 3. At the end of the ninth inning the score stood 3 to 3, Pilger making another in the first half of the tenth. Swartz for Pilger did excellent work in the box, the visitors making but three hits off him, and he was ably supported by the whole team. Another feature of the game was some fine running by Pilger. Pilger's battery was Swartz and Tiff. Every player of the Pilger team is a resident of the town, while it is alleged that the visitors had several imported players with them.

Burglars Rob Saloon

DAKOTA CITY, Neb., Aug. 29.—Henry Krumwiede's saloon in this place was entered by burglars sometime between 4:30 and 6 o'clock in the morning and three slot machines were

tapped for their contents, the amount taken being estimated as being about \$400. A letter, written in German and mailed in Germany, to a party in Great Falls, Mont., found on the floor of the building this morning near where the machines stood may lead to the detection of the robbers, as it was evidently dropped by one of them. There was nothing else molested in the saloon but the slot machines.

GIVEN A TERRIBLE RIDE

SEVEN-MILE DRIVE WITH A BROKEN BONE SAWING THE FLESH.

YOUNG STANTON COUNTY FARMER

Man Named Shellpepper Suffers a Bad Accident with a Frightened Horse and is Brought to Town in a Hurry.

With the horses on the run and demanding the right of way from everyone met on the road, a friend of Mr. Shellpepper of Stanton county brought him into Norfolk yesterday from a point seven miles distant where Shellpepper had met with a runaway accident that resulted in a badly broken leg and fractured rib.

IN A SERIOUS RUNAWAY

The doctor was of the opinion that the limb should be amputated, after such a serious fracture and the making of it worse after the ride to town, but the young man expressed a wish to have the limb saved if possible and his physician will do his best to assist nature in healing the terrible wound.

THE PARLIAMENT PROPER

The Ptaya Owoglake, or religious parliament, is held for four days. The first morning service begins with worship and enrollment of delegates, followed by an opening sermon by Rev. Joseph Rogers, a native pastor of the Presbyterian church of David's Lake.

CRASHED THROUGH TENNIS COURT

Mrs. Armstrong's Collar Bone Broken and Mr. Armstrong's Hand Was Badly Lacerated—Eggs, Butter and Other Produce Scattered.

Mr. and Mrs. Armstrong, who live eleven miles northwest of the city, had an exciting runaway experience yesterday as they were entering town from the west on a shopping expedition. As they were coming down the hill on Norfolk avenue near the Odiorne home the neckyoke slipped back on the tongue of the wagon, permitting the vehicle to run onto the heels of the team. One of the horses was a three-year-old and objected to the encroachment of the wagon and the team commenced to run. Mr. Armstrong tried to turn them into the high bank at the side of the road, but was unsuccessful and the team gathered speed, dashing down the hill at a lively speed. At the Luitkair home the horses turned into the yard, dashing through the tennis court and demolishing the fencing.

MEETINGS FOR THE WOMEN

The delegates represent the Presbyterian churches at Poplar and Wolf Point, Mont., Sisseton and Yankton, S. D., and Devil's Lake, N. The afternoons are given to the women's societies of the two denominations, and the evening services are young men's meetings conducted by the Y. M. C. A., of which Arthur Tibbets is native secretary.

MANY OLD INDIAN TRAILS

FROM BANKS OF MISSOURI IN NEBRASKA TO MONTANA.

REDDIEN IN RELIGIOUS CONGRESS

Uplifting of the Sioux is Brought Out at Poplar—Wagon Journeys of 400 Miles by Devoted Ones—Santee, Nebraska, and Rosebud Present.

POPULAR, Mont., Aug. 27.—Many old trails winding along the prairies and bluffs of the east bank of the Missouri from Nebraska to Montana have seen some of the old-time scenes renewed the last two weeks. From the Yankton and Standing Rock reservations, the border line between the two Dakotas, and from the Berthold reservation in North Dakota, representatives of the Congregational and Presbyterian Indian churches have been traveling in wagons or buggies or on horseback to the great Indian parliament at Poplar Creek. All the tribes represented, except those from Fort Berthold, N. D., are Sioux and speak the Dakota and so the Indians came in caravans of perhaps fifty teams in a group.
