No Poison in Chamberlain's Cough Remedy.

From Napier, New Zealand, Herald: Two years ago the pharmacy board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only and real estate necessary to carry on one that they declared was entirely such business, and to sell the same, free from all poisons. This exception and to employ agents and to establish was Chamberlain's Cough Remedy, made by the Chamberlain Medicine such other matters as may be necescompany, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of recurity that any mother can give it

to low little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. When taken in time it prevents pneumonia. This remedy is for sale by Leonard the druggist.
