sha, Wis., where the teams are prac- failed to interfere.

Lattamore had started out in a boat to go in swimming. On his failure to return several hours later, search was made, and Coach McCornack discovered Lattamore's boat stranded in shallow water. In it were his clothes, but Lattamere was nowhere to be found. Until late at night the football players and several local residents worked to discover some trace of the

body but their efforts were futile. Lattamore began his career of training athleties two years ago at the University of Pennsylvania under George Woodruff. Eight years ago he entered Northwestern academy and was appointed head rubber for the university teams. During that time he finished his preparatory course and entered the college of physicians and surgeons and was to have been graduated next June. During the summer he was employed as a baseball trainer at Atlantic City. Mrs. T. J. Donohue left today for His mother and a sister live at Lawndale, N. C.
