THE NORFOLK WEEKLY NEWS-JOURNAL.

NORFOLK, NEBRASKA, FRIDAY, JULY 20, 1906.

New York, July 19 .- Four of the members of the international policyholders' committee of the Mutual and New York Life Insurance companies, who were included in the new board of trustees nominated by the Mutual Life insurance company trustees as an "administration ticket," declined to permit the use of their names in this connection. On their behalf a protest was forwarded to Otto Kelsey, state superintendent of insurance at Albany, by Samuel Untermyer, coun-

Funk of Bloomperformed a criminal operation upon field, who held the office before and Miss Edith Short, which later resulted was defeated for re-election on account of a bitter factional fight in his home town and an overdose of overconfi-

dence. The republican convention will undoubtedly instruct the delegates to Resewater for United States senator.

Boycott on Rock Island.

Omaha, July 19 .- A boycott on the ha. Action was taken at a joint meeting of the Omaha Grain exchange and the Commercial club, which developed into a meeting of local jobbing and George Gray of Delaware, General grain interests in general. The immediate cause of this action was the announcement from the head executive office of the Rock Island at Chicago that this road would pay an unloading allowance of 114 cents per 100 pounds on grain to all elevators in Kansas Cit and would not pay the allowance to Omaha elevators.

an hour later. Nothing is known here regarding his identity or home. He spent Tuesday in Ponca selling photographs, frames and drinking booze, It is supposed that he started to walk out of town so badly under the influence of liquor that he fell into the bridge and was unable to get out. He was so badly entangled in the bridge that the engineer, just rounding a curve, was unable to see him in time to stop.

A Petrified Mastodon.

Fremont, Neb., July 19.-C. C Thompson, a farmer living across the river in Saunders county, yesterday discovered some bones, pronounced to be those of a mastodon, in a cave on siderable excitement was occasioned the banks of Elm Creek. Along the banks of this creek are numerous a woman was heard pleading in one small caves with entrances varying of the upper rooms in the servants. from a foot or two to four or five feet in diameter. Mr. Thompson was down followed by two shots.

in the creek bottom and noticed that the entrance of one of these caves had door of the room locked. They broke been enlarged by the ground sliding it open and found Charles Norris, the off. He looked in and discovered night clerk of the hotel, lying, fully something extending from the side dressed, in a pool of blood on th just within the entrance. He started floor with a bullet hole through the to dig it out and after much hard work side of his head, and Miss Pearl in the dark, close quarters succeeded Crouse, one of the dining room girls, in bringing to the surface the bone It is in a perfect state of preservation. of a dark brown color, three feet one forehead.

inch long. There are other bones of a similar kind in the walls of the cave and probably a complete skeleton of a mastodon will be unearthed. The bone was found in a sandy gravel lying a great deal on the streets and he underneath a stratum of sandstone conglomerate which becomes gravel on exposure to air. A thorough exploration of these small cave holes will probably be made and it is thought forehead, and, thinking she was dead, that other evidences of prehistoric life will be discovered in them.

Elks Select Philadelphia. Denver, July 19 .- Philadelphia was chosen by the grand lodge of the Benevolent and Protective Order of Elks as the convention city for next year Philadelphia received 495 votes and Baltimore 265.

Elevator Interests Lose Out. Chicago, July 18 .- The adherents of the open market on the Obleago board of brade won out at the election by an overwhelming majority. The vote by which the amendment estabkahing a call system on corn and oats was adopted was 548 to 186. The new rule is designed to encourage the shipment of commission grain, and the amendment contains a clause to protest the commission rule. The chief Washington. The Hibernians sent a opponents of the new rule were the cablegram to the pope, pledging him elevator interests on the board.

From what can be learned, Norris, who came here about a month ago, met the girl and became infatuated with her. They were both together was insancly jealous.

He is thought to have called the girl into her room and, after making her partly disrobe, shot her in the placed the revolver to his head and discharged it, blowing a large hole in

the side, from which blood and brains gushed. It is not thought possible for him to live, but some hopes are enter-

tained for the recovery of the girl. A. O. H. in Session at Saratoga. Saratoga, N. Y., July 19 .- The national convention of the Ancient Order of Hibernians, in session here, is attended by 700 delegates, including 200 members of the ladies' auxiliary. Rev. Terrence Caraher of San Francisco made an appeal for financial aid for the 1.500 Hibernians who were impoverished by the earthquake. The work of the order along educational lines was dwelt upon at length in an

address by Rev. Dr. Thomas J. Shahan of the Catholic university at their love and davotion.

SPURNS LIBERTY IN VAIN

Illinois Man Not Permitted to File Petition in Supreme Court.

Washington, July 19 .-- Louis A Gourdain, the alleged Chicago and New Orleans lottery dealer, who is seeking by means of a writ of mandamus to frustrate the efforts of his attorneys to keep him out of the penitentiary at Joliet, ill., made an unsuccessful attempt to file his petition in the supreme court of the United States.

When he appeared at the office of the clerk of the court he was told by Deputy Clerk Maher that the petition could be acted upon only by the court and in open session. He then announced his intention to make application to an individual justice of the court, either in New York or Can ton, O.

Would Smash Cotton Seed Oll Trust. Little Rock, Ark., July 19 .- Suit was entered against the five cottonseed oil mills of this city by Attorney General Rogers and Prosecuting Attorney Rohoton, charging them with being members of a combine in violation of the anti-trust law and alleging restraint of trade. The suits ask judgment in the sum of \$5,000 per day, aggregating \$130,000, against each company and asking also the revocation of their charters in this state.

Des Moines Banker Ends Life. Des Moines, July 19 .- Martin Flynn, president of the People's Savings bank of this city, shot himself in the ment, but nothing will better build up brain at a downtown drug store, dving almost instantly. Ill health is the supposed cause for the act. Mr. Flynn was prominent throughout the west as run, everything will be improved if a breeder of shorthorn cattle. He also gained considerable prominence ought to be and every man in the as a civil egineer. He was sixty years

for Higher Standards.

Milwaukee, July 19 .--- "There has body politic last year and it is likely to continue. The nation is engaged in the business of cleaning house. Uncle Sam is disturbing a great many. There are a great many who wish he would not be so particular. The truth ing up our front yards. They make a magnificent showing. We have forgotten that every house has a backyard and have not been as particular about it. We are going to clean the backyards."

These were the words of Justice David Brewer of the supreme court of the United States in an address before a large number of life insurance agents, who have been holding their annual convention in Milwaukee this week.

Continuing, Justice Brewer said: "As a result of the work now going on there will be truth and honesty in every market industry. A great many object to what is going on. They say it is disturbing business and interfering with prosperity. It may be that some persons are interfered with in business, some temporary embarrassthe country than to give every man, whatever he buys in our markets just what it purports to bs. In the long everything universally is just what it country will be profited in the long Fun."

Discuss Fusel Oil,

Rairoads and Meat Inspection Law. Chicago, July 19 .- Traffic directore representing the principal eastern and western trunk lines met with representatives of the packers here to con sider the provisions of the new meat inspection law, which requires railroad companies to ascertain that meat has been inspected according to the statute before accepting the product for shipment. As a result of the conference it was decided that a delegation representing the railroad companies should call upon Secretary of Agriculture Wilson, asking a decision al lowing the railroads to accept consignments of meat after they had been placed in cars sealed by government inspectors.

Chicago, July 19.-The National Pickle Manufacturers' association, in been a good deal of disturbance in the annual meeting here, adopted a resolution indorsing the recent pure food legislation of congress. Officers were elected as follows: President, William Ballinger of Keokuk, Ia.; secretary-treasurer, Frank A. Brown of Chi cago, and a vice president for each of it is, we have been a long time fix. of the sixteen states represented in the meeting.

"CONNING" THE NOBLE RED MAN

Speculators Getting Indian Lands for

Tin Tags and Red Liquor. St. Paul, July 19 .- A disgraceful state of affairs has been found to exist on White Earth Indian reservation in the indians and half breeds have been allowed under the law to dispose of their allotted lands, or at least to enter into obligations incumbering those

lands. At Detroit 240 Indians have been induced to borrow money, giving as security mortgages or liens upon the eighty acres received by them under their first allotment. The redmen have been plied with whisky to further ends of the specula ors. In some intances the Indians, instead of being given money, were given tin checks good at the saloons for liquor.

That the agent at the reservation ip powerless to check these evils, for the law has clothed the Indians with the right to do as they please with their lands.

Mitchell, S. D., July 19 cusing Vey of the murder. It is evident by these confessions to confuse matters as much as possible.

SOLDIER AT AGE UF TEN

Pension Office Finds Youngest Veteran of Civil War.

Washington, July 19 .- The pension office at last has established the identity of the youngest soldier of the civil war. He is an Illinois man-Lyston D. Howe, who now lives at Streator. Howe enlisted as a musician in company D, Fifty-fifth Illinois volunteers, on June 5, 1861, at the age of ten years, nine months and eight days. He was discharged on Oct. 19, 1861, on the surgeon's certificate of disability on account of "extreme youthfulness, being only ten vears of age.'

But the little lad would not be content outside of the army. He determined to try again, and this time was more successful. Feb. 12, 1862, he reenlisted in the same company and was mustered out on March 27, 1865, having served almost continuously for three years, one month and fifteen days.

"I have handled many thousands of cases," said Dr. Houston, medical referee, "and this man is by far the youngest whose case has come into my hands."

Robbers Drop \$100,000 and Escape. Rostov-on-Don, July 19 .- While two clerks, employed in the government here, were carrying from the postoffice \$120,000, which had been received in the registered mail, they were atwestern Minnesota. Since June 21, and seriously wounded. The robbers made off with the money, but under hot pursuit by Cossacks they sacrificed \$100,000 of the booty and escaped.
