Splendid New Flag Which Was Recently Bought at a Cost of \$150 Will Expected From Out of Town.

Norfolk Sons of Hermann are preparing for one of the biggest picnics ever held in the city on next Sunday, when the local lodge's handsome new banner, recently bought at a cost of \$150, will be dedicated. The picnic will be held in Freythaler park.

From present indications there will be a large attendance at the picnic from many surrounding towns, and it is expected that a special train will be run to Norfolk from Columbus to bring delegations from that branch. The Leigh band under Compton's leadership, which has been engaged to play at the race meeting, will be here to make music for the picnic.

Large crowds of visitors are expected from Pilger, Stanton, West Point, Wisner, Scribner, Fremont, Omaha, Wayne, Madison, Osmond, Columbus, Dakota City, Emerson, Atkinson, Tilden, Leigh, Winside, Pierce and Humphrey. There will be between twentyfive and thirty-five people here from Stanton and a score from Pilger.

Among the visitors will be all of the state grand lodge officers: John Mattes of Nebraska City, Fred Volpp of Scribner, Freitag of Omaha, Von der Heude of Grand Island, J. H. Johannes of Columbus, J. C. Melcher of Wisner, Fred Volking of Nebraska visiting her. A very dainty luncheon City, Fred Bosking of Talmage and B. M Mohr of Omaha.

The picnicers will leave the Odd Fellows building at 10 a. m. and will stay at the park all day. There will be addresses made by prominent members of the order.
