NORFOLK, NEBRASKA, FRIDAY, NOVEMBER 9, 1906.

CUMMINS WINS BY 20,000

LATER RETURNS SHOW THAT HE HAS BEEN RE-ELECTED.

CONGRESSMAN IN THE SECOND

It Had Been Thought That Lacey, Democrat, Was Elected to Congress in the Second Iowa District, But Kennedy Has Beat Him Out.

Des Moines, Ia., Nov. 8.—Cummins has a plurality, as is shown by additional returns received here today, of 20,000.

The republicans have elected congressmen in the first and second districts. A. C. Kennedy wins in the first over Lacey, who was thought to have been elected.

Des Moines, Nov. 8.—Returns in Iowa are still incomplete, but there is every reason to believe that Cummins will receive at least 20,000 plurality over Porter (Dem.). The early returns received on election night were discouraging to the Republican managers, but they came from unfavorable districts and later reports continued to increase Cummins' lead. The Democrats concede that Cummins will have a plurality of 5,000. Two of Iowa's congressmen will be Democratic, Tracy (Dem.) winning in the First district and Hamilton (Dem.) in the Sixth. The Republicans will have a majority in the legislature of at least fifty on joint ballot insuring the re-election of J. P. Doherty to the United States senate.

Burlington, Nov. 8.—Incomplete returns from the First Iowa congressional district show that Kennedy (Rep.) has 198 plurality over Tracy (Dem.).

NEBRASKA 15,000 REPUBLICAN

Entire State Ticket, Five Congressmen and Legislature Elected.

Lincoln, Nov. 8.—Complete returns from thirty-three counties plus Sheldon (Rep.), for governor, 57,200; Shallenberger (Dem.), 45,200. Compared with two years ago, this shows a Democratic loss of 5,728, and indicates a plurality in the state for Sheldon of 15,000. Other state officers are not behind governor.

Returns from every county in the Third congressional district show a plurality for Boyd (Rep.) of 334. The Third was the only district in doubt. The Nebraska delegation in the house will stand: Republicans, 5; Democrats, 1. Present figures on the legislature, which elects a United States senator, gives the Republicans 90 on joint ballot to 43 Democrats.

TWO MEN SHOT OVER FARE

Pasenger Shoots Conductor and Then Attempts to Commit Suicide.

Omaha, Nov. 8.—While en route to Omaha on Burlington train No. 4 between Ashland and Gretna, Carl Kramer of Memphis, Neb., became involved in a dispute over the payment of fare with Conductor "Stubby" Walters and shot the conductor twice with a revolver and then placed the weapon in his mouth and discharged it in an attempt to end his own life.

Conductor Walters was shot in the left shoulder and left side and taken to his home at Lincoln in a very serious condition, while Kramer was brought to Omaha on the train and taken to the Omaha General hospital. It is believed that Kramer has little chance of recovery.

Kramer boarded the train at Memphis, which is on the Schuyler branch, paid his fare to Omaha and received a rebate check as receipt. He was on his way to Excelsior Springs, Mo., and changed trains at Ashland. When Conductor Walters insisted on the payment of his fare to Omaha from Ashland, Kramer refused, as he said the proper fare had been paid and the quarrel began, which ended in the shooting. Kramer was in the smoking car and shortly before the train arrived at Gretna he went into the car behind, which was filled with passengers, where he renewed the argument with the conductor and without warning, pulled the revolver and began firing.

IDAHO REPUBLICANS VICTORS.

Late Returns Indicate Gooding Has Been Elected Governor.

Boise, Ida., Nov. 8.—Late returns confirm the estimates that Governor Gooding, Republican candidate for re-election, has carried the state by a majority of somewhat more than 7,000. The rest of the state ticket has a majority of probably 5,000 more, with one exception, the candidate for secretary of state, who was cut considerably.

Definite returns show that the Republicans have thirteen of the twenty-one members of the state senate and thirty-five of the fifty-one members of the house. This will give a majority of twenty-four on joint ballot.

Crushes Thumb With Hammer, Dies.
St. Louis, Nov. 8.—Despite the efforts of four physicians to stop the flow of blood, Clark Zumwalt, two years old, died, having bled to death from a wound caused by crushing his left thumb with a hammer while at play. The injury occurred thirteen days ago and the little boy had since been constantly under a physician's

The Old Greek Divorce Law.

A clergyman was railing against divorce. "We ought to have the divorce law that was codified in ancient Greece," he said. "If that old Greek clause was tried to every separation, I am persuaded that divorces would fall off 60 to 70 per cent. This law was that when a man got a divorce he could not under any circumstances marry another woman younger than his ex-wife. An innocent law, a brief law, not much to look at, but how many divorce suits would be nipped in the bud if all husbands knew that after the separation they could not marry younger women than the wives they had cast off!"—Philadelphia Bulletin.

Coachman Sentenced and Set Free.

Mexico City, Nov. 8.—Marcelo Diaz-Zecado, the coachman who was adjudged responsible for the death of James Russell Parsons, American consul general, on Dec. 5, 1905, was sentenced to 10 months' imprisonment.

State historical evidence has

expired and he was set at liberty.

The coachman driving Mr.

Parsons allowed the carriage to be struck by a train.

ROOSEVELT AND BRYAN

RESULTS BRING OUT NO NEW PARTY LEADERS.

THESE TWO MUST RUN NEXT

Hearst Has Been Buried, Leaving Bryan With a Clear Field—No New Republican Moses Has Come Out of the Balloting—Hughes Not Possible.

Washington, D. C., Nov. 8.—These facts stand out significantly, as a careful analysis of election returns:

First—No candidate for any high office, neither the republican or democratic parties, received a majority or plurality large enough to bring him forward as the party leader and standard bearer in the presidential campaign two years hence.

Second—the contest was waged by the party in power on its record during the last two years, and particularly what the first session of the Fifty-ninth congress accomplished in the way of beneficial and remedial legislation for the people.

Third—the individuality of President Roosevelt, his actions, and his attitude on conservative control of corporate interests, were sufficient to inscribe a victory upon the republican banner.

Fourth—the personality of William J. Bryan and the increasing popularity which he enjoyed until the day he landed from his European trip and declared in favor of government ownership of railroads, was the central feature of democracy's battle.

Roosevelt and Bryan.

Despite his bad break in Madison Square garden, when Bryan put an early August frost on the hope of democratic success, he was starred in twenty-seven states, and twenty-three democratic state conventions have already declared for him as their candidate for 1908. Therefore, as the cloud of battle rolls away, it reveals Theodore Roosevelt and William J. Bryan as respective leaders of two great parties in the next national contest.

The result in New York does not place Mr. Hughes in the list as presidential timber.

President Roosevelt's popularity was

of great assistance in all closely contested congressional districts. It was thrown strongly in the Thirtieth Pennsylvania district, where John Dulzall, ranking member of ways and means committee and leading stand-patter, had a fight of his life. For years Dulzall had practically no opposition. At the last election he received 17,322 votes to 3,330 votes for his democratic opponent. The bulletins are announcing his re-election by something less than 6,000.

Babcock, of Wisconsin, member of the ways and means committee, who professed tariff revision but never practiced it, is defeated.

No member of the cabinet can lay

any special claim to the republican victory. Secretary Root, perhaps, will receive more credit than either Secretaries Shaw or Taft, for accomplishing actual results.

DEMOCRATS SWEEP MISSOURI

Elect State Ticket and Twelve Out of Sixteen Congressmen.

St. Louis, Nov. 8.—From nearly complete returns from all counties, the Democrats have carried the state by a plurality of 7,650, electing all candidates on the state ticket and twelve out of the sixteen congressmen.

The Republicans elected congressmen in Kansas City and St. Louis, but lost all the districts in the state which had been swept into the Republican ranks two years ago.

LATCHKEY AS A SOURCE OF TROUBLE.

Ever since some mechanically inclined person, with an almost diabolical instinct for making mischief, invented a form of spring lock which can be opened on the inside by a knob and on the outside only by a key there has been trouble. The latchkey from the first has been a domestic storm center. It has divided family circles and even broken up homes.—London Telegraph.

ALL DEMOCRAT BUT HUGHES

NEW YORK ELECTS HEARST'S TICKET, EXCEPT HEARST.

RETURNS SHOW BRUCE BEATEN

A Lead of Fourteen Thousand Has Given the Democrats Everything on the State Ticket Excepting the Governor, Contrary to First Reports.

New York, Nov. 8.—Nearly complete returns give Chanler, democratic candidate for lieutenant governor, a lead of 14,291 over Bruce, republican.

It appears that outside of the candidates for governor and possibly for lieutenant governor, the Democratic ticket is elected.

The Republican state headquarters, while expressing the belief that Bruce would pull out ahead of Chanler, would give no figures.

The Independence league headquarters claim that the whole ticket, with the exception of the nominee for governor, has been elected.

FLOYD FAILS TO GET MAJORITY

New Hampshire Governorship Will Have to Be Settled in Legislature.

Concord, N. H., Nov. 8.—The returns from the state election indicate quite conclusively that the contest for the governorship will have to be settled in the legislature, the Republican candidate, Charles M. Floyd, having failed to secure a majority over the other two candidates.

The returns from 275 of the 291 wards and towns of the state give Floyd 39,948; Jackson (Dem.), 37,138; Titley (Pro.), 2,129; scattering, 874. This is a Republican loss from four years ago of 5,164.

NORTH DAKOTA FOR BURKE.

Republicans Concede Election of Democratic Candidate for Governor.

Fargo, N. D., Nov. 8.—"We concede the defeat of Governor Saries by Mr. Burke, his democratic opponent, by a probable plurality of 2,000," said Chairman L. B. Hanna of the Republican state central committee. "We also concede the defeat of John Knauf, our candidate for judge of the supreme court, by Judge Fisk, on the Democratic ticket, by 6,000. We are confident that the rest of the Republican ticket has been elected."

These figures are regarded as extremely conservative.

INDIANS IN GOOD HUMOR.

Moving Along Peaceably Toward Fort Meade, Where They May Winter.

Omaha, Nov. 8.—Telegraphic word was received at army headquarters from Colonel Rodgers of the Sixth cavalry that the band of Ute Indians under escort of the Sixth cavalry had reached Ridge, a small town on the Wyoming and Montana line about midway between the Little Powder and Belle Fourche rivers and probably would reach Belle Fourche about Saturday. The Indians are moving along peaceably and are in a good humor at the prospect of wintering at Fort Meade.

CARFIELD TO SUCCEED HITCHCOCK

Secretary of Interior Will Retire From Cabinet on March 4.

Washington, Nov. 8.—Secretary of the Interior E. A. Hitchcock will retire from President Roosevelt's cabinet on the 4th of next March and James R. G. Field of Ohio, at present commissioner of corporations, will succeed him. Herbert Knox Smith, assistant commissioner of corporations, will be appointed to Mr. Hitchcock's place. These changes, and that of the retirement of Commissioner Richards of the general land office on March 4, were announced in a statement from the white house. The statement says regarding Hitchcock:

"The secretary of the interior, Mr. Hitchcock, has informed the president that he would be unable to stay after March 4. Mr. Hitchcock has for some time felt that the very exhausting work which he has been engaged in for over eight years in the interior department was so wearing on him as to make it impossible for him to remain much longer. The president urged him to accept the ambassadorship to France, but Mr. Hitchcock feels that he is entitled to absolute rest, and refused the offer."

W. H. MOODY ON SUPREME BENCH

Attorney General Will Retire From Department of Justice Next Month.

Washington, Nov. 8.—The president announced the appointment of Attorney General William Moody of Massachusetts as justice of the supreme court of the United States, to succeed Justice Henry Billings Brown, who retired some time ago. Mr. Moody has filled the office of attorney general since July 1, 1904. Previous to that time he had served for more than two years as secretary of the navy. He had represented his state in the Fifty-fourth, Fifty-fifth, Fifty-sixth and Fifty-seventh congresses. It is generally expected that Mr. Moody will retire from the department of justice the latter part of December.

Centenary College Students Strike.

Jackson, La., Nov. 8.—The entire student body of about 500 of the Centenary college here struck and went home. They left a signed statement that they were dissatisfied with the retention of Professor Moncrieff, who two weeks ago stabbed Rev. C. C. Miller, president of the college. The president is still quite ill from his wounds. He and Professor Moncrieff disputed over questions about serving food to the student mess, and Professor Moncrieff claimed that he stabbed Rev. Miller in self defense.

Amundsen Sails for Christiania.

New York, Nov. 8.—On board the Scandinavian line steamer Helig Olav, which will sail today for Christiania, are two zinc boxes, guarded by four armed guards. They contain the records made by Captain Amundsen, who sailed from Christiania
