Stores Will Probably Close Between 2:30 and 4 O'Clock in the Afternoon,

in Compliance With Request of the

G. A. R.

Wednesday is Memorial day, a legal ard, U. S. A., three men who have on holiday and a day set aside as a special memorial to the soldier dead of the nation. In Norfolk the exercises of the day will be along the lines die- the Hotel Astor, on the occasion of a tated by the past custom of Mathew- dinner given for the duke by the son post of the G. A. R. in carrying out its annual program.

The annual procession to the cemetery will form on Norfolk avenue in the morning and, headed by the Norfolk band, will march to Prospect hill. cemetery at 10 a. m. At the cemetery graves will be decorated and the morning exercises carried out.

The public service of the afternoon occurs at the Auditorium at 2:30 o'clock, Rev. W. J. Turner of this city delivering the address of the day Music will be furnished by the Norfolk band and by a male quartet composed of C. C. Gow, Herman Klesau, Charles Hollaway and R. Solomon.

As a holiday the banks of the city close during the day, and holiday hours are observed at the postoffice. At the government building the lobby will be open from 10 a. m. to 3 p. m. The general delivery and carriers' windows will be open from 2 to 3 in the afternoon. Up till afternoon no formal agreement had been entered into among the merchants of the city as to Memorial day closing but it was announced that the request of Mathewson post, that stores be closed from 2:30 to 4 in the afternoon, would be quite generally complied with,

JUNCTION NEWS

John Hinze, one of the Northwestern machinists, had the steam chest cover of an engine up and was examining the valve. He asked one of the boys to move the reverse lever back. The boy made a mistake and pulled the throttle lever open, throwing hot water and steam over Mr. Hinze, scalding him quite badly.

Grandpa Beck of Battle Creek is here visiting with his son, William Beck and family.

Electric Lighting Plants Short Lived. During the past year the technical press has recorded the breaking down of a large number of municipal electrie light plants because the equipment was worn out. It is interesting to note that in a large majority of cases th necessity for abandoning or renewing the plant came at a period of from ten to fifteen years after it had been installed, showing that the deterioration by wear alone amounted to from 7 to 10 per cent a year.

According to the municipal ownership advocates who claim that an allowance of 3 per cent for depreciation is adequate, these plants should all have lived for thirty years, yet wearing out is only one of the forms of had been hopelessly out of date before
