

SURGEON'S KNIFE  
CLEARS UP MIND

AN OPERATION FOR GALLSTONES  
RELIEVES INSANITY.

FIRST CASE OF ITS KIND

VIOLENT PATIENT'S REASON MAY  
COMPLETELY RETURN.

GALLSTONES AFFECTED MIND

After Having Been One of the Vi-  
olently Insane Inmates of the Norfolk  
Hospital for Three Years, Platte  
Center Woman's Mind Clearly Up.

After having been violently insane  
for the past three years, the mind of  
Mrs. Michaelson, a Platte Center,  
Neb., patient in the Norfolk state hos-  
pital for the insane, has been very  
materially and almost completely re-  
stored to its normal clearness as the  
result of a surgical operation for gall-  
stones.

Dr. G. A. Young, superintendent of the  
hospital, performed the operation,  
removing 415 gallstones and also re-  
moving the gall-bladder.

From the moment that she regained  
consciousness after the operation, it  
was apparent that Mrs. Michaelson's  
demented condition had been very  
greatly relieved. Dr. Young said to  
The News Wednesday morning that  
Mrs. Michaelson had very greatly im-  
proved, and that it remains to be seen  
whether or not the removal of the  
gallstones and the gall-bladder will  
permanently cure her insanity. He  
has hopes that such will be the case.  
If sanity is completely restored as the  
result of this operation, it will be the  
first case of its kind of record, though  
insane patients have been known to  
be completely cured by an attack of  
typhoid fever.

Was a Violent Patient.  
Mrs. Michaelson has been one of the  
quite violent inmates of the hos-  
pital. She was very much demented.  
And today her mind is very much  
clearer than it was before the gall-  
stone operation.

"It is not at all impossible for the  
gallstone disease to affect the mind,"  
said Dr. Young. "The physical dis-  
turbance, associated with the gall-  
bladder disease, produces irritation  
upon the nervous system which would  
tend to bring out whatever tendency  
there was in the patient toward in-  
sanity. And the removal of this phys-  
ical disturbance would thus naturally  
relieve the mental disturbance."

Mrs. Michaelson is forty-eight years  
of age. She is recovering nicely from  
the effects of the operation.

HAND IN PRESS.

M. J. Romig of Neligh Breaks His  
Finger in the Machine.

Neligh, Neb., May 20.—Special to  
The News: While working a Hoe-  
cylinder press yesterday morning,  
which was running at a high rate of  
speed, M. J. Romig of the Leader of-  
fice accidentally got his finger of the  
right hand caught on one of the grip-  
pers of the machine and had it brok-  
en below the first joint. Although  
suffering a great deal of pain, he is  
still able to be about the office. He  
says it is the first accident in fifteen  
years.

Dr. G. A. Young, superintendent of the Norfolk insane hospital, performed the operation upon Mrs. Michaelson, for gallstones, which resulted in relieving her insanity.

THEY HUNG HIM IN EFFIGY

LEADER IN SALOON WAR AT  
LYNCH THE VICTIM.

SLOCUM LAW TO BE ENFORCED

After Revising the Ordinance, the  
Two Saloons at Lynch Were Per-  
mitted to Reopen—Chairs and Ta-  
bles Out—Feeling Was Bitter.

After the revision of the ordinances  
at Lynch the two saloons of that  
city were permitted to open their  
doors. Chairs, tables, etc., were re-  
moved, and the Slocum law is to be  
strictly enforced. The contest was  
fought very keenly by both the tem-  
perance and license elements. So  
much feeling existed that the effigy  
of one of the leaders was found yes-  
terday suspended from one of the  
telephone poles on Main street. It  
is probable that no more serious re-  
sults will follow.

SALOON WORM TURNS.

A Davenport Liquor Dealer Sues Lead-  
ing Citizens.

Davenport, Ia., May 20.—The war  
fare being waged by the civic federa-  
tion against the saloonkeepers took  
a new turn when John McPartland,  
an enrolled saloonkeeper, entered  
suit for \$50,000 damages against eleven  
leading citizens of Davenport,  
charging them with conspiracy in  
connection with prosecutions con-  
ducted by the federation, a secret or-  
ganization. The defendants are  
charged with inducing three boys,  
whom they hired, to give false testi-  
mony against McPartland in order to  
secure an injunction against him.  
Rev. W. H. Blanke, a Lutheran pas-  
tor, and president of the civic fed-  
eration, is one of the defendants.

Disappointed Over Burrows.

Washington, May 20.—Some of  
President Roosevelt's friends were  
disappointed over the selection of  
Senator Burrows of Michigan as  
chairman of the Chicago convention,  
because he is a conservative type.  
They wanted Beveridge or Dilliver.

THE KORBERGS ARE BACK

FATHER AND FOUR CHILDREN;  
MOTHER MISSING.

HAS BEEN SICK IN ST. LOUIS

Korberg and His Four Little Daugh-  
ters Take Up Old Life on Farm  
South of Norfolk—Wait Mother's  
Return.

Peter Korberg and his four little  
daughters are back on the old Hull  
farm south of the city. Mrs. Korberg,  
who gathered her little ones together  
and fled from the farm one night, is  
still missing. But she is not dead, a  
letter from the mother having been  
received before the party left Cincin-  
nati.

Mr. Korberg believes that his wife  
is sick somewhere in St. Louis. From  
that city Mrs. Korberg wrote to one  
of her little daughters. So Korberg  
brought his children back by way of  
St. Louis. They spent two days in  
that city. It was time spent in vain.  
The address on the letter yielded no  
results. So the little party of five con-  
tinued their journey on to Nebraska.

Out on the farm today the oldest  
of the four children, a girl of four-  
teen, has taken up the place left va-  
cant by the mother. She has spent  
the first day at home cleaning up the  
house.

Both Korberg and his daughter  
have written letters to his wife in  
hope of inducing her to return to  
Norfolk. Both husband and neigh-  
bors expect to see her return after a  
short time.

About six weeks have passed since  
Mrs. Korberg, taking advantage of  
her husband's absence one night, took  
her little daughters and fled for the  
east. She was traced to Cincinnati  
and the children located in a child-  
ren's home. The mother had disap-  
peared. It is believed by many that  
her mind became unbalanced.

Spencer Defeats Herrick.

Spencer, Neb., May 20.—Special to  
The News: Spencer defeated the fast  
Herrick baseball team Sunday in the  
initial game played on the Spencer  
diamond by a score of 5 to 1. The  
Spencer team outclassed the Herrick  
boys in all points of the game. Dun-  
away, who pitched for the Spencer  
team, was in good form, particularly  
as this was his first game of the year.  
He had good control, speed, and was  
accorded right-gidded support. He al-  
lowed but six singles and whiffed three  
times. The Spencer team showed good  
form, and will be able to put up a fast  
article of ball when they have com-  
pleted the regular organization. They  
still need another first-class pitcher.  
The honors of the game went to Dave  
Whiting, who made three hits in four  
times up, and made a running catch  
in deep center that was the fielding  
feature of the game. Attendance 496.

Score by Innings:

The Official Announcement.  
Carson Hildreth a member of the  
board of trustees of the institution  
says in the announcement of Franklin  
academy concerning Hart and the  
election of Rev. Mr. Leavitt:

"It is with deepest regret that I an-  
nounce the resignation of Professor  
Alexis C. Hart from the principalship  
of Franklin academy.

"After twenty years of devoted  
Christian service in behalf of the  
young men and young women of south-  
west Nebraska and contiguous terri-  
tory and twenty years of the most  
faithful and efficient labors in estab-  
lishing the permanent lines of our be-  
loved Franklin academy, Mr. Hart  
feels that he should withdraw and  
turn the work to younger hands. It is  
a matter of conscience with Mr. Hart  
and of his concern for the future of the  
academy.

"A year or two ago Mr. Hart placed  
his resignation in our hands but we  
were then able to persuade him to  
remain. Now after two years further  
consideration on Mr. Hart's part he  
renews his request and we are com-  
pelled to accept it.

"In the twenty years of Mr. Hart's  
administration the institution has  
waxed strong in influence and finan-  
cially, and taken a position sec-  
ond to none in the entire west.

"Mr. Hart some months ago began  
a canvass for a strong man to carry  
forward the academy's work and  
found Mr. Leavitt. The board after  
the most searching investigation  
heartily endorse Mr. Hart's recom-  
mendation and elected Mr. Leavitt.

"We have been exceedingly fortu-  
nate in securing this able and cultured  
man; he is a scholar, a man of valu-  
able attainment and wide out look,  
with extended experiences in church  
and educational affairs of our state.

"Mr. Leavitt is on the advisory  
board of Congregational churches of  
Nebraska, which position together  
with his large acquaintance, his past  
and present relations with and inter-  
est in our colleges, academies, schools  
and churches, his position in the edu-  
cational and church councils of our  
state insures continuation of the pre-  
stige of Franklin academy and promises  
large and important results for the  
academy's future."

PICNICERS PAY.  
Farmer Sits on Gate and Collects Fee  
From Uninvited Guests.

A party of Norfolk young people  
raised a purse for a Madison county  
farmer the other day.

The merry picnickers had been down  
on the Elkhorn fishing and picnicing.  
When the clouds began to roll up in  
the western sky horses were hurriedly  
hitched up. The party started for  
Norfolk.

They did not go far. A quarter of  
a mile or so and they came to a farmer  
sitting contentedly on a gate. Yes,  
they were trespassers. Yes, he ob-  
jected to their fishing. Yes, he thought  
it was going to rain.

It was finally agreed that fifty cents  
a head was about the proper fee for  
the trespassers to pay for their picnic  
privileges. It was paid. Members  
of the party who had loaded carriages  
escaped a wetting. Others did not.

Academy.

Rev. Frederick W. Leavitt, a mem-  
ber of the first graduating class of the  
Norfolk high school, and at present  
pastor of the Plymouth Congregational  
church in Omaha, has been elected  
principal of Franklin academy, a Con-  
gregational school at Franklin in  
southern Nebraska.

After leaving the Norfolk high  
school in 1889, Mr. Leavitt studied  
for the Congregational ministry at  
Andover. He served as pastor of the  
Congregational church in West Point  
for several years. The election of  
Mr. Leavitt to the Franklin principal-  
ship is said to be the result of the en-  
dorsement of the late principal Alexis  
C. Hart upon his resignation. Frank-  
lin academy has had twenty-six years  
of successful history and an annual  
attendance of from 125 to 150 students  
young men and women.
