O'Neill, Oct. 6. Special to Th News: At 6 o'clock in the evening of the first day of the registration to the Rosebud drawing, 2,197 had res uniered here. Registration began a I o'clock Monday mecanig, and 1,590 had registered by Caylight. The me taries have agreed to close their of fices at 9 o'clock in the evening and open at 8 in the morning.

There was the biggest crowd in town Monday night ever is O'North and 1,500 more were expected in onthe night trains. Over 700 arrived over the Northwestern at 6 o'clock

There has been no disturbance of fights. The crowd is made up largely of representative people, and many aristoccatic looking individuals are among the applicants for a South Dakota homestead.

With what applications were taken from 6 to 9 o clock last night the first day's registration can close to these.

Crowds Also at Valentine.

Valentine, Neb., Oct. 6. Special to The News: A large crowd of land seekers arrived yesterday morning to register for Tripp county hand the first day of registration. The hotels have all been full for a veral days but a special committee has been an pointed to see that every one who comes gets beds and proper accommodations in order that no one need stay away for four of not securing

The city officials are being very strict in seeing that no gambling or grafts are allowed, and the different notaries are handling the crowd as

The two new trains which started yesterday will help the landscekers to their registration points in read shape, and brought a large crowd last evening. It was thought that about six or seven handred people would mave registered here by 6 o'clock hast evening:
